So the motion to recommit was agreed to.

The result of the vote was announced as above recorded.

PERSONAL EXPLANATION

Mr. HALL of New York. Mr. Speaker, tonight, as part of consideration of the Virginia Ridge and Valley Act of 2007, the minority offered a motion to recommit forthwith with the proclaimed intent of clarifying the circumstances under which motorized vehicles can enter wilderness areas. However, I am concerned that the language of the motion may actually work at cross purposes with that goal.

The MTR stated that: “The designation of lands as wilderness or a wilderness study area by an amendment made by this section does not prohibit the use of motor vehicles, motorized equipment, or motorboats or the landing of aircraft or other forms of mechanical transport, on the designated lands when required in connection with an emergency involving the health and safety of persons, including search and rescue efforts or the response to an Amber Alert.”

I don’t know anyone who believes that we shouldn’t be able to use motorized equipment in a wilderness to react to an emergency. It’s common sense, and that’s why it’s already included in the underlying statute. In fact, the underlying law makes the allowance for motorized equipment in a health or safety emergency without enumerating specific types of equipment or circumstances, giving the widest possible scope of interpretation. I am concerned that by listing specific pieces of equipment and circumstances, the motion offered tonight could have caused more confusion and possibly limited the ability to respond to emergencies, despite any good intentions. For this reason, I voted against it.

Mr. RAHALL. Mr. Speaker, pursuant to the instructions of the House in the motion to recommit, I report H.R. 1011 back to the House with an amendment.

The SPEAKER pro tempore. The Clerk will report the amendment.

The Clerk read as follows:

Amendment:

At the end of section 2, add the following new subsection:

(e) **MOTORIZED ACCESS IN EMERGENCIES.**—The designation of lands as wilderness or a wilderness study area by an amendment made by this section does not prohibit the use of motor vehicles, motorized equipment, or motorboats or the landing of aircraft or other forms of mechanical transport, on the designated lands when required in connection with an emergency involving the health and safety of persons, including search and rescue efforts or the response to an Amber Alert.

The SPEAKER pro tempore. The question is on the amendment.

The amendment was agreed to.

The SPEAKER pro tempore. The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, was read the third time, and passed, and a motion to reconsider was laid on the table.

HONORING NORTHWEST GEORGIA YWCA

(Mr. GINGREY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GINGREY. Mr. Speaker, I rise today to honor the Young Women’s Christian Association, or YWCA of Northwest Georgia for their efforts to eliminate the epidemic of domestic violence that transcends all ethnic, racial, age, gender and socioeconomic boundaries.

The YWCA of Northwest Georgia, under the leadership of Executive Director Holly Comer, has made it their mission to bring the issue of domestic violence to the forefront and to educate Georgians on ways to prevent abuse and violence within the home.

Mr. Speaker, the YWCA of Northwest Georgia is not only the sole domestic violence shelter located in the heart of my 11th District in Cobb County, but has also taken a leadership role in combating domestic violence throughout the State of Georgia.

It was, in fact, the YWCA of Northwest Georgia that open the very first shelter for victims of domestic violence in the State of Georgia. Through the ministry of Cobb Shelter, the YWCA has worked together with victims, families, social service providers, and criminal justice officials to stop the spread of domestic violence

Mr. Speaker, I ask that my colleagues join me in recognizing YWCA of Northwest Georgia and similar groups throughout the country for their contributions toward making our Nation’s homes safer places for our children and families.
