

Company. He later joined the law firm of Bradley Arant Rose & White, where he became a partner. He then joined the firm formerly known as Lange, Simpson, Robinson & Somerville and was a partner for over 35 years before retiring in 2004.

John Grenier's true passion was politics, a passion that changed the course of Alabama politics. He began his political career as chairman of the Jefferson County Young Republicans. In this capacity, he organized a political rally in Birmingham in 1960 for Richard Nixon.

John Grenier organized the modern day Alabama Republican Party and served as the state chairman in 1962. He joined the Goldwater for President Campaign and organized the delegates to the Republican National Convention in San Francisco. John Grenier was the Southern Regional Director for the campaign when Senator Goldwater swept many of the southern states, including Alabama, in his bid for President.

In 1966, Mr. Grenier was the Republican nominee against Democratic U.S. Senator John Sparkman. Even though he lost that race, John fared better than most previous Republicans in what was then a heavily Democratic state.

In 1986, John served as the campaign manager for Guy Hunt's successful bid to become the first Republican governor of Alabama since Reconstruction. He served as Governor Hunt's chief of staff and later managed Governor Hunt's successful bid for reelection.

Madam Speaker, John Grenier was a political leader, strategist and visionary. He loved life and lived it to the fullest, and his passing marks a tremendous loss for all of Alabama. He will be deeply missed by many, most especially his wife, Stella Kontos Grenier; his son, John Beaulieu Grenier; his daughter-in-law, Joy Grenier; his sister, Rosemary Grenier Rivet; his four grandchildren, John Beaulieu Grenier, Jr., Dorothy Monnish Grenier, Evans Barlow Grenier, and Carolyn Youmans Grenier; as well as countless friends he leaves behind.

Our thoughts and prayers are with them all at this difficult time.

HONORING LINK ELEMENTARY SCHOOL

HON. PETER J. ROSKAM

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 14, 2007

Mr. ROSKAM. Madam Speaker, I rise today to congratulate Link Elementary School of Elk Grove Village, Illinois, for being named a No Child Left Behind Blue Ribbon School for the 2006–2007 school year. Principal Barbara Schremser, Link faculty, students and parents—you should be very proud of this remarkable accomplishment.

At a time in our Nation's history when the efficacy of our education system is often questioned, it is a great comfort to see a school that truly commits itself to finding ways to teach our children and provide hope for our Nation's future.

The No Child Left Behind Blue Ribbon Schools Award is a distinction given to the public schools throughout the country whose students score within the top 10 percent on state assessments. This year, of the more

than 97,000 public schools in the United States, just 287 schools were recognized with this distinct honor.

In the State of Illinois, 19 schools were members of this elite group. The Blue Ribbon School Award recognizes what we all know: the Link faculty and staff are some of the best and brightest in the Nation.

With the motto "to think, to learn, to achieve and to care," Link has shown steady academic progress and achieved exceptionally high test scores. In awarding the 2006–2007 Blue Ribbon School Award, the U.S. Department of Education recognized Link's success in helping students consistently achieve at very high levels, as well as its continued commitment to narrowing the achievement gap.

As we strive to educate our current generation of children and prepare our nation's future leaders, Link Elementary School stands out as a shining example of scholastic and institutional excellence.

I am proud to represent Link Elementary School in the United States Congress and I look forward to their continued achievements.

Madam Speaker and Distinguished Colleagues please join me in congratulating the talented students and dedicated faculty and staff of Link Elementary School for receiving the Blue Ribbon School Award.

RECOGNIZES THE GERMAN AMERICAN CLUB OF SPRING HILL, FLORIDA ON THEIR 25TH ANNIVERSARY

HON. GINNY BROWN-WAITE

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 14, 2007

Ms. GINNEY BROWN-WAITE of Florida. Madam Speaker, the Fifth District of Florida that I represent is made up of people from around the United States and the world. With perfect weather, low taxes and friendly residents, it is one of the fastest growing areas of the country. As you might expect, one of the

cultural groups that have flocked to Florida for the last several generations are German Americans, many from my former State of New York. On Sunday, November 18, 2007, the German American Club of Spring Hill, Florida will celebrate its 25th anniversary with a dinner and dance extravaganza.

The club, founded in 1982, was organized by Friedel Rohn, along with Christa and Fritz Neumann. The first social meeting was held at the home of Friedel Rohn in January 1982 with 10 people present. The first "official" meeting was held in June 1982 with 22 members present. Today there are nearly 300 members and the club is still growing strong.

The first officers installed were Friedel Rohn as president, Margarethe Grabert as vice-president, Norman Armonat as treasurer and Ruth Hughes as secretary. By March of 1983, the membership had increased to 60 members. The club began hosting many functions and socials throughout the year, including its own Oktoberfest. As the years passed, more dances and social events were added to the calendar and the membership continued to increase.

In 1992, when the club celebrated its 10th anniversary, the club had grown to over 170 members. In 2002, the club's 20th anniversary was celebrated with a membership that had increased to over 235. Today the 25th anniversary will feature 285 members, with room to grow for the future. Having attended several of their club functions, I can tell you that German American Club members stayed true to their roots and know how to cook a delicious schnitzel and dance to a great polka tune.

Madam Speaker, over the past 25 years the German American Club of Spring Hill has worked to uphold the German culture, spirit, tradition and heritage. The club's members and officers have made Spring Hill and Hernando County a true home to German Americans from around the world, and are to be commended for their commitment and dedication. With the continued support of their membership and officers, I look forward to help the club celebrate their next 25 years.

INTRODUCING THE AIRPORT SECURITY ENHANCEMENT ACT OF 2007

HON. MARK STEVEN KIRK

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 14, 2007

Mr. KIRK. Madam Speaker, last week, we learned that more than 30 illegal aliens gained access to the most sensitive areas at O'Hare Airport.

Without valid Social Security numbers, illegal aliens were given official badges to access the tarmac and the airplanes.

This is not the first time. It's happened before at airports around the country.

The Congress must set Federal standards for those who seek access to an airport's most sensitive areas.

You should be a U.S. national or legal permanent resident.

You should possess a valid Social Security number that actually belongs to you.

You should have that Social Security number verified through the E-Verify employer verification system.
