

legislation making the property tax deduction an “above-the-line” deduction. This simple change makes the property tax deduction available to homeowners who do not file an itemized tax return.

The Property Tax Deduction for All Act will help millions of Americans who struggle with high property taxes, but because they do not itemize, are unable to take advantage of the Federal deduction for property taxes. Extending the property tax deduction to all homeowners will especially benefit senior citizens, whose homes often are the major part of their wealth, and young families struggling to cope with the costs of owning a new home. I respectfully urge my colleagues to help ensure all homeowners can take advantage of the tax deduction for property taxes by cosponsoring this legislation.

IN RECOGNITION OF OPERATION
COMMUNITY SHIELD

HON. PETE SESSIONS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 5, 2007

Mr. SESSIONS. Madam Speaker, I rise today to proudly recognize the Dallas Field Office of Immigration and Customs Enforcement, and the Detention and Removal Operations agents who participated in Operation Community Shield—an annual, national law enforcement initiative that brings together federal, state, and local law enforcement to fight gang violence, drug smuggling and organized crime linked to illegal immigration.

I applaud the remarkable accomplishments they produced in just seven days of Operation Community Shield: 120 gang members arrested, including members from 28 alien gangs, 63 criminal arrests, and 8 firearms and over 4,000 grams of marijuana and cocaine seized.

Thanks to Operation Community Shield, numerous murderers, rapists, and drug dealers have been taken off our streets. With the collaborative work of federal, state, and local law enforcement, Operation Community Shield enables officers to more effectively communicate between agencies, developing a “force multiplier” effect in fighting against violent gangs and criminal illegal immigrants. Consequently, I believe that this important initiative represents a critical step in addressing the illegal immigration problem facing our community and nation.

Madam Speaker, I would further like to give recognition to the leadership of John Chakwin, ICE Special Agent-in-Charge, and Mrs. Nuria T. Prendes, Director for Detention and Removal Operations. Both have remarkable staffs that support the mission in light of the challenging times in our nation, and their steadfast commitment is one we can all be proud of in Dallas, Texas.

HONORING JACKIE AND MOLLIE
SINGER

HON. SHELLEY BERKLEY

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 5, 2007

Ms. BERKLEY. Madam Speaker, I rise today to recognize Jackie and Mollie Singer, remarkable twin sisters from my district in Las Vegas, Nevada. At the age of four, Mollie was diagnosed with diabetes. Since that time, both sisters, now eighteen, have worked tirelessly to raise money and promote awareness of the disease which afflicts more than 20 million Americans.

The Singer sisters first came to my attention nearly ten years ago on their first visit to my office for the important advocacy work they began at such a young age. As part of their spirited efforts, Mollie and Jackie organize annual walks and numerous other events to benefit the Juvenile Diabetes Research Foundation. Altogether their efforts have raised more than \$500,000 for the cause. The sisters have also formed the Diabetic Angels, an international support group for those suffering from juvenile diabetes.

The Singer sisters have put a memorable face to this alarming medical crisis through speaking engagements, meetings with policy makers, and numerous print and television interviews. They have compiled many of their experiences into a booklet entitled “The Road to a Cure,” which gives pointers to parents and kids on fundraising, health fairs, and public speaking. Members of my staff and I have had the pleasure of meeting with Mollie and Jackie and their family on many occasions through the years.
