

EXTENSIONS OF REMARKS

IN MEMORY OF TEXAS TRANSPORTATION COMMISSION CHAIRMAN RICHARD "RIC" WILLIAMSON

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2008

Mr. BURGESS. Madam Speaker, I rise today to remember The Honorable Ric Williamson, former Chairman of the Texas Transportation Commission and a dear friend of mine.

Ric began his 23-year tenure in faithful public service to the state of Texas in 1984, when he was elected as a State Representative. In 2001, he was appointed by Texas Governor Rick Perry to serve on the Texas Transportation Commission, and was named chairman in 2004. Ric served on several boards, including the Southern Regional Education Board, Legislative Budget Board, Department of Information Resources Board, Uniform Statewide Accounting System Committee, and the Southern Legislative Conference, to name a few.

As Chairman of the Texas Transportation Commission, Ric's visions always aimed at improving the state of transportation and the quality of infrastructure in Texas. Many times his initiatives were deemed controversial or difficult, but his resolve and determination persevered and many of his harshest critics have come to respect and support his innovative transportation concepts.

Ric will always be remembered by his friends and associates as a true champion for all things Texan. Unafraid to challenge the status quo, he was a highly regarded leader bringing innovative ideas to provide safe, economic and reliable transportation to improve the daily lives of Texans.

On a personal level Ric remained a patient mentor and a steadfast friend. My thoughts and prayers are with his wife Mary Ann and his family. Ric will be greatly missed.

IN HONOR OF THE GEORGE WASHINGTON CARVER TIGERS: 2007 AAA GEORGIA STATE FOOTBALL CHAMPIONS

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2008

Mr. BISHOP of Georgia. Madam Speaker, I rise today to honor the achievements of the 2007 Georgia AAA State Football Champions, the George Washington Carver Tigers. On December 15th, 2007, the Tigers defeated another great football team in my district, the Cairo Syrupmakers by a score of 16–13 on a rainy, windy day in Cairo, Georgia.

The game was an epic battle between two talented, well coached teams. This capped an undefeated 15–0 year for the Tigers and also delivered the school's first State football title in history. And the first state title in any sport since the basketball team accomplished this feat in 1971.

I want to extend my congratulations to Principal Chris Lindsey, Coach Dell McGee and the entire Carver family for this great achievement.

I also want to extend my congratulations to the Cairo Syrupmakers for a great season. They played all season with courage, spirit, and intestinal fortitude.

It takes a great deal of work and sacrifice to assemble a State-championship football team. It takes the dedication of the young men who are playing on the team. It also takes a dedicated coaching staff who have the wherewithal to dedicate their time and energy to not only teaching young men about the game of football, but also the game of life. A winning football team can in many ways bring a community together. This team has brought this community together.

The 99 young men that made up this year's football team accomplished something special. By accomplishing this special goal, they developed the character that will help them to succeed in other aspects of life. I am proud to represent these special young men and once again congratulate them on their history-making achievement.

HONORING 100TH ANNIVERSARY OF HURLEY MEDICAL CENTER

HON. DALE E. KILDEE

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2008

Mr. KILDEE. Madam Speaker, I rise today to honor the 100th anniversary of Hurley Medical Center in my hometown of Flint, MI. Hurley Medical Center kicked off a yearlong celebration on January 11.

In 1908, James J. Hurley left \$55,000 and property to the city of Flint to establish a hospital to treat everyone, regardless of their ability to pay. The first Board of Managers, J. Dallas Dort, Charles A. Lippincott, Edward D. Black, William E. Martin, and George L. Walker, implemented his vision. Mrs. Flint P. Smith organized the first auxiliary to raise money for the fledgling hospital. Their vision and hard work paid off and the hospital opened its doors on December 19, 1908.

Today Hurley Medical Center is a 443-bed teaching medical center annually treating over 20,000 persons for inpatient care and 76,000 emergency room cases. It is the only Level I trauma center and Level III neonatal intensive care unit in Genesee County. In addition to these two services, Hurley Medical Center offers the region's only care centers in the following specialties: burn center, maternal and

fetal care center, pediatric intensive care unit, pediatric emergency room, fertility and reproductive medicine center, and kidney transplantation center.

The 2,500 employees of Hurley Medical Center work very hard to provide quality healthcare to their patients. The medical center has received the 2007 HealthGrades Critical Care Excellence Award, and the 2007 "Certificate of Merit for Outstanding Achievement in Organ Donation" from Michigan Gift of Life. In 2005 they received the Governor's Award for Quality in Inpatient Setting, Ambulatory Setting, and Emergency Department. The Hurley Asthma Center has also received the MHA Ludwig Community Benefit Award.

Madam Speaker, I ask the House of Representatives to join me in congratulating Hurley Medical Center for providing outstanding healthcare to the Flint community for the past 100 years. Their mission statement is "Clinical Excellence, Service to People." Every person living in Genesee County has been touched, either directly or through a loved one, by the commitment of the employees, affiliated healthcare providers and volunteers of Hurley Medical Center to live up to their motto. They continue to exemplify James Hurley's vision to provide quality healthcare to everyone regardless of their income. I am grateful for their compassion and wish them the best for the next 100 years.

IN MEMORY OF COACH NEAL WILSON

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 16, 2008

Mr. BURGESS. Madam Speaker, I rise today to remember Coach Neal Wilson, the longtime athletic director of Lewisville Independent School District in Lewisville, Texas and a tireless public servant.

Coach Wilson began his four decade-long coaching career in 1965 with the Lewisville ISD, and was Lewisville head football coach from 1978 to the fall of 1985, when he assumed full-time athletic director duties. He retired in December 2000, but came back for brief athletic director stints at surrounding school districts for several years. Coach Wilson then came back to assume the athletic director role in the Lewisville ISD during the spring of 2004, and then again in 2007.

In 2003, Coach Wilson was inducted into the Texas High School Coaches Association Hall of Honor, and in 2005, Flower Mound High School in Flower Mound, Texas, renamed its football stadium the Neal E. Wilson/Jaguar Stadium. Coach Wilson was known as a strong advocate of all sports and took great pride in making sure he not only gave equally to all sports, but also increased his knowledge about every sport with each passing day.

His motto, according to Lewisville assistant athletic director Rody Durham, was that you have to give the kids a chance to win. Coach Wilson expected himself and every coach to do their part to put their teams in the best position possible and lead by example. "When we have needed him, he's always been there for us," Coach Durham said.

My thoughts go out to his wife Donna and two sons, Darrell and Lance, as well as a
