

The live oak tree, estimated to be more than 1,000 years old, grows in the center of West Texas Avenue. It has lived since Native Americans roamed the coastal plains, the battles of the Texas Revolution were fought and the Texas oil field discoveries were made.

The 440-foot tall Fred Hartman Bridge, a steel cable bridge that spans across the Houston Ship Channel, is Baytown's symbol of modern engineering and Texas-sized strength.

It is an honor to represent a part of Baytown as a portion of the Second Congressional District. My fellow colleague and friend, Gene Green represents the other part of Baytown in the United States Congress. Congressman Green and I are proud to have worked with Baytown Mayor Stephen DonCarlos and the city council on numerous projects concerning the city. They are commended for their leadership in helping Baytown grow.

I look forward to seeing Baytown prosper in the future and wish the city Happy Birthday as it celebrates its 60th anniversary.

And that's just the way it is.

TRIBUTE TO TIBOTEC THERAPEUTICS

HON. G.K. BUTTERFIELD

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 23, 2008

Mr. BUTTERFIELD. Madam Speaker, I rise today to commend and congratulate Tibotec Therapeutics for their innovation and corporate responsibility in developing new, effective treatments for people living with HIV/AIDS. On Friday, January 18, 2008, the Food and Drug Administration approved Tibotec's second HIV drug, INTELENCE™ (etravirine), for the treatment of HIV infection.

In my home state of North Carolina, there are an estimated 31,000 people living with HIV/AIDS, many of whom may not be aware that they are infected with this life-threatening illness. Unfortunately, the Black Community in North Carolina as well as others across the southern United States are disproportionately impacted by HIV/AIDS. A high percentage of people in these communities are diagnosed in the later stages of HIV disease—a fact that further complicates their chances for successful ongoing treatment. Furthermore, Black women are disproportionately impacted by HIV/AIDS in our state, with an HIV infection rate almost seventeen times higher than among non-Hispanic white women.

We are all aware of the success HIV therapies have had on prolonging and enhancing the quality of life for those infected with HIV/AIDS. As the infected population lives longer and becomes increasingly resistant to current treatment regimens; there is a growing need to focus on access to newer therapies for treatment experienced. HIV drug manufacturers are being challenged to meet the treatment needs of this changing population. Federal and State governments, public health programs, medical and community-based providers in addition to drug manufacturers are all challenged to find ways to better serve disproportionately impacted and underserved communities.

Tibotec Therapeutics is also a leader in reaching out to underserved communities highly impacted by HIV. A primary example of

this is Tibotec's GRACE study, a first-of-its-kind clinical trial that will compare gender differences in the efficacy, safety and tolerability of an FDA-approved HIV therapy in women, and will also explore racial differences in treatment outcomes.

Tibotec Therapeutics, an operating company of Johnson & Johnson, has a strong history of advancing the science of HIV treatment, and INTELENCE™ is another shining example of this cutting-edge research and development. INTELENCE™, also known as TMC 125, is the first new drug in the NNRTI class to be approved in a decade. It brings new hope to HIV patients, whose HIV virus has become resistant to other HIV therapies, including drugs in the same NNRTI class. Notably, the FDA approved INTELENCE™ through an accelerated approval procedure—a process that is reserved for the early approval of drugs that show a meaningful therapeutic advantage over existing treatments for serious or life-threatening diseases.

Finally, Tibotec Therapeutics acted responsibly in pricing INTELENCE™, a fact recognized by many leaders in the HIV community. In fact, one leading HIV patient advocate stated, "With the introduction of INTELENCE, Tibotec Therapeutics has demonstrated exceptional leadership in working with the HIV community in an effort to address pricing and access issues. Tibotec has repeatedly recognized the necessity of responsibly pricing HIV products and should be commended for its leadership in this regard." This type of responsible corporate behavior is especially welcomed in my state of North Carolina, which has struggled in the past to provide access to HIV therapies for eligible lower-income individuals.

In closing, I would like to once again, I commend Tibotec Therapeutics for its innovation and corporate responsibility. I applaud the fact that North Carolinians living with HIV/AIDS will now have access to a new and important treatment option, affording them the possibility of living healthier and productive lives.

TRIBUTE TO DONALD GILMER

HON. FRED UPTON

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 23, 2008

Mr. UPTON. Madam Speaker, I rise today to honor the inspiring career of Donald Gilmer, of Augusta, MI. A dedicated and selfless individual, Don has enthusiastically served the public for the past 33 years.

Don's career has served as an example of the definition of "public servant" and could be added to any dictionary listing.

Don has served Michigan citizens in a wide variety of significant roles, including 11 terms as a member of the Michigan House of Representatives, 3 of which he served as the chairman of the Appropriations Committee. Don has also served on the Kalamazoo County Board of Commissioners, as Michigan's lottery commissioner, as Governor John Engler's budget director, and most recently, as Kalamazoo County's Administrator. His services to Kalamazoo County and to the State of Michigan are truly commendable.

As my good friend retires, he closes one chapter of his inspiring career and embarks on

a new phase of his life. I am confident that this retirement is far from the end of Don's public service and that he will remain committed to the citizens of our great State and community. Don's humor and kind heart will be greatly missed by his colleagues. I wish Don all the best in retirement.

PERSONAL EXPLANATION

HON. RON KIND

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 23, 2008

Mr. KIND. Madam Speaker, on January 16, 2008, I erroneously voted in favor of an amendment offered by Representative JOE WILSON (SC) to H.R. 2768 (roll No. 8), the Supplemental Mine Improvement and New Emergency Response (S-MINER) Act. Please let the record show that I intended to vote against this amendment.

HONORING JACQUELINE MONTEIRO DACOSTA

HON. PATRICK J. KENNEDY

OF RHODE ISLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 23, 2008

Mr. KENNEDY. Madam Speaker, I rise today to express my sympathies to a wonderful Rhode Island family who has lost a devoted loved one named Jacqueline Monteiro Dacosta and to briefly share with you the impact she had on so many lives just by being kind.

Jackie was a loving mother, sister and daughter who always exuded a sense of comfort to all. That's why she was perfect for her job as a constituent case worker in my district office in Rhode Island. For the past 11 years she reached out to countless people who sought her advice and help on a multitude of issues and she always put them at ease while they told her their life problems. She reassured them—people she had just met—that she would do what she could to help, and then she did. I have a file of letters in my office from people who wrote to me just to praise Jackie for her hard work and more than that, to recognize her kindness.

Her sudden passing took us all by surprise. We knew instantly our office would never be the same without her presence, her funny stories, her smile. When thousands showed up for her wake and funeral to celebrate her life, it was such a testament to how truly loved she was in the community. No one had seen anything like it. Her family has been overwhelmed with an outpouring of support and sympathy from all over the state.

On my next trip to Cape Verde, her family members and I will plant a tree in Jackie's memory. Her spirit on earth will be forever surrounded by the unspoiled beauty of her homeland and the sounds of the island music she loved so much. We will never forget Jackie and her special qualities that touched so many lives and made life that much better.

We join Jackie's parents, Jose and Adelisa Monteiro; her children Stephanie and Justin and her siblings, Filomena, Osvaldo and Jose Jr. in continuing to honor Jackie's memory and her joyous spirit.

COMMEMORATING THE 35TH
ANNIVERSARY OF ROE V. WADE

SPEECH OF

HON. JANICE D. SCHAKOWSKY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 22, 2008

Mr. SHAKOWSKY. Mr. Speaker, thirty-five years ago today, the Supreme Court guaranteed American women the right to choose abortion in its landmark decision *Roe v. Wade*. In doing so, the Supreme Court brought an end to decades of State and Federal laws that outlawed or restricted abortions and put reproductive choice back in the hands of women and gave them safe, medical options.

Since that time, however, a concerted and organized campaign aimed at diminishing this momentous decision has succeeded in whittling down the original intent of the decision and now presents a very serious threat to the long-term security of *Roe* itself.

I rise today not only to commemorate this important day in American history, but also to remind the supporters of *Roe v. Wade* that it is absolutely critical that the pro-choice movement remain united and vigilant against all attempts to take away a woman's right to choose. As a member of the Pro-Choice Caucus, I promise to do my part and continue to oppose any attempts in Congress to limit, restrict or deny a woman's reproductive rights.

In conclusion, I believe that it is imperative, not only for women's rights, but for women's health as well, that the United States not return to an era in which the government gets to decide what a woman can and cannot do with her own body.

JUDGE RICHARD B. ALLSBROOK
POST OFFICE

SPEECH OF

HON. G.K. BUTTERFIELD

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 22, 2008

Mr. BUTTERFIELD. Mr. Speaker, I rise today to honor a great leader and powerful figure in North Carolina by naming the post office located at 725 Roanoke Avenue in Roanoke Rapids, North Carolina as the Judge Richard B. Allsbrook Post Office. Unfortunately, Judge Allsbrook passed away on October 26, 2007, just a few months before we were able to bestow upon him this great honor.

Judge Allsbrook was a native of Halifax County, North Carolina—one of the largest and most populated areas of my congressional district. He was born in 1929 to State Senator Julian and Mrs. Frances Allsbrook.

In his formative years, Richard Allsbrook attended Roanoke Rapids High School where he excelled academically. After graduating, Richard attended the University of North Carolina, Chapel Hill where he received a bachelor's of arts degree. He went on to attend law school at the prestigious University of North Carolina School of Law, and subsequently served for 4 years with the United States Navy as a second lieutenant.

Mr. Speaker, after honorably serving his country in the military, Richard returned to Ro-

anoke Rapids to practice law with his father in the firm of Allsbrook, Benton and Knott. During his 20 years as a practicing attorney, he always took time for his clients and worked diligently to ensure that they were represented to the best of his ability. His meticulous nature and even temperament served him well when he was appointed resident superior court judge for the Sixth Judicial District in 1978. Over the next 22 years, he tempered justice with mercy, earning a reputation as a fair, compassionate jurist. All those present in his courtroom—attorneys, defendants, jurors, witnesses and court personnel—consistently found him to be well-prepared, respectful, and courteous. I had the privilege of practicing law before Judge Allsbrook on many occasions prior to my election as Resident Superior Court Judge when I became his colleague.

After serving as Senior Resident Superior Court Judge for over two decades, he retired in September 2000 and worked as a mediator in the North Carolina judicial system.

Judge Allsbrook attended the Rosemary Baptist Church for over 50 years. He was a dedicated deacon, trustee and Sunday School teacher where he worked to enrich each person with whom he came into contact. He was also dedicated to improving the community through his involvement in the Kiwanis Club where he served as president, and also the Roanoke Rapids Chamber of Commerce where he also served as president. Because of his dedication and commitment to the community, Judge Allsbrook received the Jaycees' Distinguished Service Award and also received the Boy Scouts of America Distinguished Citizen Award.

Mr. Speaker, sadly, Judge Allsbrook's devoted and loving wife Barbara passed away in February of last year—just 8 months before Judge Allsbrook. Judge Allsbrook and his wife Barbara reared two children, Barbara Alison who resides in Roanoke, and Richard Jr., who resides in Boston.

Judge Richard Allsbrook was indeed a pillar of the Halifax community. He was my dear friend and I am so proud to have known him. Roanoke Rapids, Halifax County, and the State of North Carolina is a better place because of Richard Allsbrook's sacrifices and contributions on behalf of so many.

This legislation—H.R. 4211—has bipartisan support and is cosponsored by the entire North Carolina Congressional Delegation. It is my hope that my colleagues here in the House will join me and my North Carolina colleagues in voting "aye" on H.R. 4211.

HONORING ISAIAS R. GOMEZ

HON. JOE BACA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 23, 2008

Mr. BACA. Madam Speaker, I stand here today to honor and remember a community activist, friend, loving husband, and father—Isaias R. Gomez.

Isaias passed away on January 18, 2008 at his home in Colton, California.

He was born in Gallup, New Mexico, and was a resident of Colton, which is in my Congressional District, for almost 55 years.

While born in New Mexico, Isaias was raised in Jalostotitlan, Jalisco, Mexico. There

he met and married his wife, Jessie Gomez. He and Jessie returned to Gallup, where Isaias began to work in the coal mines. Then in 1953, he and Jessie moved to Colton, and Isaias went to work for the Santa Fe Railroad.

Isaias and Jessie's 6 children—Rosa, Eloise, Isaias Jr., Yolanda, Tommy, and Terri—where all raised in Colton. After initially working with the railroad, Isaias eventually became a successful real estate developer and builder.

I had the great privilege of knowing Isaias personally through his daughter Eloise and her husband Frank Reyes, who are both good friends of mine.

In fact, I gave Eloise Reyes a "Woman of the Year" award in 1993, when I was in the California State Legislature. She was recognized for all her great work in the community, and for being a true trailblazer as the first Hispanic, female attorney in the Inland Empire.

Isaias always let everyone know that his family was his greatest blessing. He cherished his time with them—especially the time he spent with his 9 grandchildren.

Isaias will always be remembered for his amazing work ethic and his unending dedication to friends and family. His great influence on those around him is evidenced in the outstanding character of his children and grandchildren.

In addition to his children and grandchildren, Isaias is survived by his wife Jessie; his sisters Angelita, Alfonsina, and Isabel; and his brothers Joel, Jesus, and Arturo.

Let us take the time to pay tribute to this wonderful man. Let us celebrate the life he lived and the example he led.

Although he is no longer with us, Isaias's legacy and spirit will continue to live on through the lives of everyone he has touched.

The thoughts and prayers of my wife Barbara, my family and I are with his family at this time.

HONORING MR. STU PIKEN

HON. MIKE FERGUSON

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 23, 2008

Mr. FERGUSON. Madam Speaker, I rise to honor Mr. Stu Piken upon his retirement from civil service in February.

For the past 10 years, Mr. Piken has served as Deputy District Engineer for Project Management in the New York District of the U.S. Army Corps of Engineers. He is the senior civilian responsible for more than \$650 million in projects for civil works, military, hazardous and toxic waste remediation and interagency agreements.

After my first election to the House in 2000, I have worked closely with him on a project of great importance to the 7th District that I represent, the Green Brook Flood Control Project.

In September 1999, portions of my district were devastated by Hurricane Floyd. Among the areas hardest hit were the communities of Manville and Bound Brook, New Jersey. The flooding in these communities resulted in two deaths, the evacuation of thousands of citizens, damages exceeding \$100 million, major disruption to municipal services, and disruption to the lives of thousands of my constituents.

The Green Brook Flood Control Project began in response to Floyd and other storms.
