Whereas President Ahmadinejad stated on December 14, 2005, that “They have invented a myth that Jews were massacred and place this above God, religions and the prophets”;

Whereas President Ahmadinejad stated on December 14, 2005, that “If you have burned the Jews, why don’t you give a piece of Europe, the United States, Canada or Alaska to Israel. Resolved, That the Senate—

(1) condemns in the strongest possible terms President of Iran Mahmoud Ahmadinejad’s hateful and anti-Semitic statements regarding the State of Israel and the Holocaust; and

(2) calls on all member States of the United Nations to publicly condemn President Ahmadinejad’s statements as a violation of the principles of both the United Na-

tions Charter and the Universal Declaration of Human Rights.

Mr. SMITH. Mr. President, I rise today with my colleague Senator LAUTENBERG of New Jersey to introduce a resolution condemning the comments made by Iranian President Ahmadinejad on Israel and the Holocaust.

For too long, the civilized world has remained silent while the leader of Iran has threatened Israel’s survival and denied the existence of the Holocaust. Since the inception of his term in office in 2005, President Ahmadinejad has continually been the mouthpiece for the vilest, most base examples of anti-Semitism and hate. Standing against this ceaselessly hostile rhetoric and threats, the State of Israel should be afforded the full support of the United States and the international community. President Ahmadinejad’s denial of the Holocaust—one of the most appalling crimes against humanity the world has ever known—is likewise unacceptable and outrageous. My colleagues and I condemn these comments in the strongest possible terms, and call for all the civilized nations of the world to do likewise.
