

positions, later rising to president of Quadrex Corp., an engineering firm.

In 1994 he was recruited to become chief executive of the Sacramento Metropolitan Chamber of Commerce. Over the next seven years he raised the profile of the Sacramento chamber, leading it to take a prominent role in local issues, such as the effort to save McClellan Air Force Base, and starting a public policy seminar that attracted world figures, including Henry Kissinger and Margaret Thatcher.

When he arrived in Los Angeles in 2001, Hammer worked in a similar fashion, finding ways to make the Los Angeles chamber more relevant to members. He reached out to other local business groups, small companies and entrepreneurs and organized events that offered a regional perspective, such as a 2002 conference on transportation that drew 500 participants from business and government.

In 2003 he was diagnosed with a rare form of leukemia and spent 303 days in a hospital undergoing intensive treatment. While battling his illness, he helped organize a Silicon Valley branch of the Wellness Community, a support group for cancer patients.

He also wrote a book, "When Cancer Calls . . . Say Yes to Life," which he published on his own last year. The book discusses how his battle against cancer forced major adjustments in his life and changed his values.

He told the San Jose Mercury News last year that he was inspired to write the book by his children, twins Gerald and Jennifer, who told him he could not die until he had taught them everything he could about how to approach life. He is also survived by his wife, Pamela.

NATIONAL OCEAN EXPLORATION PROGRAM

SPEECH OF

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Wednesday, February 13, 2008

Ms. BORDALLO. Madam Speaker, I rise in strong support of H.R. 1834. I want to commend my colleagues from the Committee on Science and Technology, Chairman BART GORDON, and the Ranking Republican Member, Congressman RALPH HALL, for their leadership in bringing this important bill to enhance our understanding of the marine environment to the House floor.

When I became Chairwoman of the Subcommittee on Fisheries, Wildlife and Oceans at the beginning of the 110th Congress, one of my top priorities was to take action on legislation to address the thoughtful recommendations offered by the U.S. Commission on Ocean Policy to improve our Nation's ocean environment. This legislation, H.R. 1834, would implement a key recommendation of the Commission by authorizing two important ocean research programs within the National Oceanic and Atmospheric Administration—the Ocean Exploration Program and the National Undersea Research Program.

This legislation, which refines the bill that was reported by the Committee on Natural Resources on August 4, 2007, would further strengthen NOAA's standing as the pre-eminent civilian federal ocean agency by granting the agency explicit authority to conduct scientific research that directly contributes to increasing scientific knowledge of the world's oceans.

The legislation would address the glaring national need identified by the U.S. Commission on Ocean Policy to develop and advance new innovations in oceanographic research, communication and navigation technologies to support ocean exploration and science, and expand extramural ocean research.

Additionally, this legislation would emphasize the importance of outreach and public education to ensure that future scientific discoveries and benefits are disseminated to decision-makers in both the public and private sectors and conveyed to the general public. This will increase both public awareness and appreciation of how the world's oceans affect our economic and environmental well-being.

Again, I commend my colleagues on the Committee on Science and Technology for their cooperation. The support of the Chairman of the Natural Resources Committee, Chairman NICK RAHALL, and the ranking Republican member, Congressman DON YOUNG, was also indispensable. Finally, I also acknowledge the leadership of Congressman JIM SAXTON, the sponsor of the bill. I encourage members to vote for this non-controversial legislation.

CELEBRATING THE 35TH ANNIVERSARY OF CHRISTIAN COMMUNITY ACTION AND THEIR CONTRIBUTIONS TO THE NORTH TEXAS COMMUNITY

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 14, 2008

Mr. BURGESS. Madam Speaker, I rise today to congratulate Christian Community Action for celebrating its 35th anniversary. Christian Community Action, an organization devoted to helping those in need, has made a tremendous impact on area citizens during its tenure in the north Texas community.

Founded on February 22, 1973, Christian Community Action began by serving local congregations. The group soon began distributing fliers in needy areas offering assistance to those local families who needed it most. CCA provided gifts of food, clothing, housewares, and repair work, but soon realized that for the group to have the effect they wanted, they needed to find a way to expand their reach and obtain financial resources.

It was this decision that caused the organization to connect with area families on a much more personal level. CCA caseworkers learned all about each family's income, budgeting, and spending habits, which presented them with both the information they needed to provide assistance and the coveted opportunity to bond with those they served.

Beginning in 1975, Christian Community Action began focusing on larger scale initiatives, such as resale shops. Now the CCA has evolved from a small bible study group to a thriving organization serving Lewisville and the surrounding area with three CCA resale stores, an adult health center, food services, and education and vocational training.

I would also like to commend Christian Community Action on the importance of the role they play in helping meet the health assistance needs in Denton County, where there is no county hospital to assist. As an OB/GYN

in Denton County for almost 30 years, I'm acutely aware of the needs of the mothers and young children and I especially thank Christian Community Action for their mission in meeting these health needs.

It was also through my work with Christian Community Action that the idea for a program within the Consumer Product Safety Commission to increase awareness for second-hand retailers regarding recalled products was initiated. This project was successfully adopted in the Consumer Product Safety Modernization Act, and I commend CCA for their dedication to improving awareness about dangerous recalled products for similar organizations all across the United States.

With more than 2,500 volunteers, CCA touches the lives of approximately 12,000 people every year. However, they are far more than a charity group. To the 1,500 patients treated in the health center each year; to the parents of the children provided with lunches, school supplies, Christmas presents, and clothes; to the 1,660 people who have been given educational and vocational training; to these people, Christian Community Action offers hope. The building blocks provided by the CCA create a foundation for those in our community to create better lives for themselves.

Madam Speaker, it is with great honor that I stand here today to honor Christian Community Action on their anniversary. Thirty-five years of service is a milestone to be celebrated.

In addition to Dr. Wright's four earned degrees, he has been the recipient of eight honorary doctorates. He is the recipient of numerous awards, including three presidential commendations.

An accomplished musician, theologian and author, Wright has written four books, numerous articles and countless sermons and was named one of *Ebony's* top 15 preachers. Dr. Wright has lectured at seminaries and universities across the United States and has represented Trinity and The United Church of Christ around the world.

Dr. Wright became Pastor of Trinity UCC on March 1, 1972. IN HONOR OF PHILLIP MORRIS

HON. STEPHANIE TUBBS JONES

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 14, 2008

Mrs. JONES of Ohio. Madam Speaker, today I rise to honor Phillip Morris, a good friend and a great constituent of the Eleventh Congressional District of Ohio.

Phillip Morris is characterized by many as an "affable and altruistic man." Phillip Morris joined the staff of the Case Western Reserve University law school on October 4, 1971, as building superintendent when the law school was located on Adelbert Road in Cleveland, Ohio. Since then he has worked tirelessly providing support for over one hundred faculty and staff, over six hundred students, and to keep the facilities of the building running smoothly.

Phillip's calm demeanor and great sense of humor have become an invaluable presence at the law school as well as his ability to prepare the building for classes and special events. Phillip has also been described by some as, "The ultimate handyman". When Phillip is not working in the law school, he can be found working on carpentry and construction projects at his home.

In 2004, Phillip Morris was chosen as one of three recipients of the President's Award for Distinguished Service at Case Western Reserve University. This is the highest award that the University confers on its staff personnel. The award recognizes an individual's dedication to provide outstanding service to the Case Western Reserve University community.

Phillip Morris retired from his work on February 1, 2008. Phillip and his wife will enjoy retirement in their newly purchased home in the suburbs of Nashville, Tennessee.

On behalf of the Eleventh Congressional District of Ohio it gives me great pleasure to congratulate my friend, Phillip Morris, for his service to Case Western Reserve University, and the Eleventh Congressional district of Ohio.

EXPRESSING THE CONDOLENCES OF THE HOUSE OF REPRESENTATIVES ON THE DEATH OF THE HONORABLE TOM LANTOS, A REPRESENTATIVE OF THE STATE OF CALIFORNIA

SPEECH OF

HON. HEATH SHULER

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 12, 2008

Mr. SHULER. Madam Speaker, I rise today to celebrate the life of a great friend and statesman, Congressman TOM LANTOS. My prayers are with his family and friends during this time of mourning.

Upon my arrival to Congress, Representative LANTOS personally invited me to his office to welcome me to this body. I appreciated his kind words and encouragement as I started my work here. Since that time Congressman LANTOS has been a wonderful friend of mine and will forever be a source of great inspiration in my professional and personal life.

Congressman LANTOS' early life experiences as a Holocaust survivor and as part of the resistance movement against the Nazis shaped his future work as a husband, father, academic, and public servant. At the young age of 16, Mr. LANTOS and his family were forced into fascist forced labor camps. After escaping twice, Mr. LANTOS sought refuge in a Jewish safe house in Budapest run by humanitarian Raoul Wallenberg. After the war ended, he returned to the capital of Budapest in search of his family, only to discover that they had all perished at Auschwitz and other death camps. He reconnected with a childhood friend, Annette, to whom he was married for almost 58 years.

Congressman LANTOS has been a champion for human rights, social justice, and civil liberties during his 28 years in Congress. Congressman LANTOS' dedication to serving his constituents and this Nation will not be forgotten. His life will be remembered as one of courage, selflessness, and tireless dedication to his principles.

My thoughts and prayers go out Congressman LANTOS' wife Annette, his two children, eighteen grandchildren, and two great-grandchildren. I ask my colleagues to join me in solemn remembrance of this great public servant.

PINELLAS COUNTY, FLORIDA
COAST GUARD AUXILIARY TEAM
WINS INTERNATIONAL SEARCH
AND RESCUE COMPETITION

HON. C.W. BILL YOUNG

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 14, 2008

Mr. YOUNG of Florida. Madam Speaker, For the first time ever, an American team has won the International Search and Rescue Competition in Toronto, Canada and I am proud to say that the four members of the team are from Pinellas County, Florida, which I have the privilege to represent.

Representing the Coast Guard Atlantic Area, the Seventh Coast Guard District, Sector St. Petersburg, and Search and Rescue Station Sand Key, team captain Kevin

McConn of Tarpon Springs, and Don Hoge, Jim Ryder, and Max Garrison all of Dunedin beat 11 other U.S. and Canadian teams, scoring an impressive 88 out of 104 possible points. They finished 35 points ahead of the second place team.

Two volunteer Coast Guard Auxiliary Flotillas combined into one team that trained together for more than 5,000 hours during an 8-month period. To get to Toronto, they first had to win district and regional events.

The international competition emphasizes events that are designed to test teams' abilities to plan, communicate, and carry out a maritime search and rescue mission. These are skills that all Coast Guard sailors and auxiliary members must know and be able to execute on a moment's notice to save a life or lives at sea.

The team will be honored on Wednesday, February 27, 2008, during ceremonies at Coast Guard Search and Rescue Station Sand Key when they will officially receive the winning trophy for the 2007 International Search and Rescue competition. Rear Admiral David Kunkel, the commanding officer of Coast Guard District Seven, will preside at the ceremony.

Coast Guard Search and Rescue Station Sand Key is one of four major Coast Guard installations I have the privilege to represent in the 10th Congressional District of Florida and this winning team is symbolic of all the men and women of the United States Coast Guard who serve to defend our coastline and protect lives every day of the year, regardless of the threat and the weather.

Madam Speaker, please join me in congratulating these volunteers from Pinellas County that through hard work, dedication, professionalism, and spirited teamwork have brought great honor to our Nation and the United States Coast Guard and the United States Coast Guard Auxiliary.

AUXILIARY WINS INTERNATIONAL SEARCH AND RESCUE COMPETITION

A quartet of U.S. Coast Guard Auxiliarists from Pinellas County Fla., beat five other U.S. teams and six Canadian teams at the 2007 International Search and Rescue Competition in Toronto Harbor, Canada Sept. 28-29.

For the first time in the eight year history of the competition, American lifesavers carried home the coveted trophy.

To get to ISAR, teams of lifesavers must compete in preliminary regional events. Teams are judged in skill areas in the field of Maritime Search and Rescue. ISAR 2007 featured events that are designed to test the volunteers' ability to plan, communicate and prosecute a maritime search and rescue mission.

A Person-In-the-Water Recovery Event evaluated each team's ability to safely approach and retrieve a person or other object in the water and rescue a person from a burning boat. Other events included: Search and Rescue Planning, Seamanship, Communications, Dewatering Line Toss and Marlinspike and two surprise events, one with the boat helmsman blindfolded and taking direction from a crewman and another where crews rowed out to retrieve and backboard a mannequin and bring this simulated victim to shore.

The winning American team consisted of team captain Kevin McConn, 48, of Tarpon Springs, Don Hoge, 59, Jim Ryder, 69, and Max Garrison, 65, all of Dunedin, Fla. In events that included skills involving strength and speed, these veteran American
