The SPEAKER pro tempore (Mr. POMEROY). The Clerk will resume the call of the roll of committees.

The Clerk called the committees.

PROVIDING FOR CONSIDERATION OF H.R. 5818, NEIGHBORHOOD STABILIZATION ACT OF 2008

Ms. CASTOR. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 1174 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 1174

*Resolved*, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 5818) to authorize the Secretary of Housing and Urban Development to make loans to States to acquire foreclosed housing and to make grants to States for related costs. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived except those arising under clause 9 or 10 of rule XXI. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Financial Services. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on Financial Services now printed in the bill. The committee amendment in the nature of a substitute shall be considered as read. All points of order against the committee amendment in the nature of a substitute are waived except those arising under clause 10 of rule XXI. Notwithstanding clause 11 of rule XVIII, no amendment to the committee amendment in the nature of a substitute shall be in order except those printed in the report of the Committee on Rules accompanying this resolution. Each such amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a

demand for division of the question in the House or in the Committee of the Whole. All points of order against such amendments are waived except those arising under clause 9 or 10 of rule XXI. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the committee amendment in the nature of a substitute. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

SEC. 2. After a motion that the Committee rise has been rejected on a legislative day, the Chair may entertain another such motion on that day only if offered by the chairman of the Committee on Financial Services or the Majority Leader or a designee. After a motion to strike out the enacting words of the bill (as described in clause 9 of rule XVIII) has been rejected, the Chair may not entertain another such motion during further consideration of the bill.

SEC. 3. During consideration in the House of H.R. 5818 pursuant to this resolution, notwithstanding the operation of the previous question, the Chair may postpone further consideration of the bill to such time as may be designated by the Speaker.

□ 1215

The SPEAKER pro tempore. The gentlewoman from Florida is recognized for 1 hour.

Ms. CASTOR. Mr. Speaker, for the purpose of debate only, I am pleased to yield the customary 30 minutes to my colleague from the Rules Committee, Mr. HASTINGS from Washington. All time yielded during consideration of the rule is for debate only, and I yield myself such time as I may consume. I also ask unanimous consent that all Members be given 5 legislative days within which to revise and extend their remarks on House Resolution 1174.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from Florida?

There was no objection.

Ms. CASTOR. Mr. Speaker, House Resolution 1174 provides for consideration of H.R. 5818, the Neighborhood Stabilization Act of 2008, under a structured rule. The rule provides 1 hour of general debate controlled by the Committee on Financial Services. The rule makes in order seven amendments listed in the Rules Committee report, each of which is debatable for 10 minutes. The rule also provides for one motion to recommit, with or without instructions.

Mr. Speaker, I rise today in strong support of the Neighborhood Stabilization Act of 2008 and this rule. This New Direction Congress, led by Democrats, understands the impact of this unfortunate Bush economy on neighborhoods throughout America. In order for our country to recover from this economic downturn, it is critical that we stabilize housing for our neighbors and rebuild communities with more affordable housing.

In fact, Federal Reserve Chairman Ben Bernanke urged Congress to take
