

Whereas, Barry Goldwater was a quintessential westerner and a man of great personal charm. His reputation for personal integrity was unblemished. Throughout his life, Barry Goldwater had a love affair with the state of Arizona and her people. He extensively explored areas throughout the state, including the Grand Canyon and the Colorado River, and he loved to photograph the people and landscapes of Arizona. He was a dear friend to the members of the Arizona's Native American tribes. He served both rural and urban constituents with equal passion, and his many years of faithful service to this state earned him the fitting' nickname 'Mr. Arizona'; and

Whereas, the legacy of Senator Barry Goldwater since his death in 1998 has been a source of inspiration to many, and the placement of a statue in his likeness in Statuary Hall would be a well-deserved and lasting testament to Barry Goldwater's tremendous impact on both our state and nation: Now therefore be it

*Resolved by the Legislature, of the State of Arizona:*

That the Members of the Forty-eighth Legislature and the Governor of the State of Arizona respectfully request that the Congress of the United States return the statue of John Campbell Greenway earlier presented by the State of Arizona for placement in Statuary Hall and accept in return, for placement in Statuary Hall, a statue of Senator Barry Goldwater.

#### HOUSE RESOLUTION NO. 372

Whereas, In 1944, the Congress of the United States passed, and President Roosevelt signed, the Servicemen's Readjustment Act, known to most people as the GI Bill of Rights. Since its establishment, the GI Bill has created educational opportunities for millions of veterans; and

Whereas, Since the terrorist attacks of September 11, 2001, members of the United States military have been asked to perform heroic tasks in the name of freedom. These selfless volunteers have performed with remarkable valor, and it is incumbent on citizens of the United States to honor their service in any way possible; and

Whereas, The cost of attending college has increased greatly in recent years, and as a result the benefits provided by the GI Bill are no longer sufficient to cover the average cost of tuition; and

Whereas, Since 1944, Congress has periodically updated the GI Bill to reflect the changing needs of our soldiers and the military as a whole. However, despite the changes of the past decades, it has been 24 years since the law was significantly reformed; and

Whereas, Improving and updating the GI bill would create an additional incentive for individuals considering enlistment, which is vital given the all-volunteer nature of our military; and

Whereas, Two pieces of legislation currently before Congress, S. 22 and H. R. 2702, would update the GI Bill to reflect the current realities facing our servicemembers. These bills, known as the Post 9/11 Veterans Educational Assistance Act, would increase the amount of aid available to these students, and would otherwise remove obstacles to obtaining a college education. While not perfect, these bills represent a significant improvement over the current system; and

Whereas, Those who would complain about the costs of such a program seem to forget the staggering price we ask of these men and women. Likewise, those who complain that these bills would create an incentive to leave the military underestimate the dedication and devotion of our troops: Now, therefore, be it

*Resolved by the House of Representatives,* That we memorialize the Congress of the United States to enact, and the President of the United States to sign, S. 22 and H. R. 2702; and be it further

*Resolved,* That copies of this resolution be transmitted to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.
