#### SENATE RESOLUTION 646—RECOGNIZING AND SUPPORTING THE GOALS AND IDEALS OF NATIONAL RUNAWAY PREVENTION MONTH

Mr. SHELBY (for himself and Mrs. LINCOLN) submitted the following resolution; which was referred to the Committee on Health, Education, Labor, and Pensions:

S. RES. 646

Whereas the prevalence of running away from home and homelessness among youths is staggering, with studies suggesting that between 1,600,000 and 2,800,000 youths live on the streets of the United States each year;

Whereas running away from home is widespread, and youths aged 12 to 17 are at a higher risk of becoming homeless than adults;

Whereas youths who run away from home most often have been expelled from their homes by their families, have been physically, sexually, or emotionally abused at home, have been discharged by State custodial systems without adequate transition plans, or have been separated from their parents by death and divorce, are too poor to secure their own basic needs, and are ineligible or unable to access adequate medical or mental health resources;

Whereas effective programs that support runaway youths and assist youths and their families in preventing youths from running away succeed because of partnerships created among families, community-based human service agencies, law enforcement agencies, schools, faith-based organizations, and businesses;

Whereas preventing youths from running away from home and supporting youths in high-risk situations are priorities for families, communities, and the Nation;

Whereas the future well-being of the United States is dependent on the opportunities provided for youths and families to acquire the knowledge, skills, and abilities necessary for youths to develop into safe, healthy, and productive adults;

Whereas the National Network for Youth and its members advocate on behalf of runaway and homeless youths and provide an array of community-based support to address their critical needs;

Whereas the National Runaway Switchboard provides crisis intervention and referrals to reconnect runaway youths with their families and to link youths to local resources that provide positive alternatives to running away from home; and

Whereas the National Network for Youth and the National Runaway Switchboard are cosponsoring National Runaway Prevention Month in November 2008 to increase public awareness of the life circumstances of youths in high-risk situations, the need for safe, healthy, and productive alternatives to running away, and the resources and support available for youths, families, and communities: Now, therefore, be it

Whereas, in February 1999, a small group of parents of children who suffer from fetal alcohol spectrum disorders came together with the hope that in 1 magic moment the world could be made aware of the devastating consequences of alcohol consumption during pregnancy;

Whereas the first International Fetal Alcohol Syndrome Awareness Day was observed on September 9, 1999;

Whereas Bonnie Buxton of Toronto, Canada, the co-founder of the first International Fetal Alcohol Syndrome Awareness Day, asked "What if . . . a world full of FAS/E [Fetal Alcohol Syndrome/Effect] parents all got together on the ninth hour of the ninth day of the ninth month of the year and asked the world to remember that during the 9 months of pregnancy a woman should not consume alcohol . . . would the rest of the world listen?"; and
