

notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice, stating that the national emergency with respect to persons who commit, threaten to commit, or support terrorism is to continue in effect beyond September 23, 2008.

The crisis constituted by the grave acts of terrorism and threats of terrorism committed by foreign terrorists, including the terrorist attacks in New York, in Pennsylvania, and against the Pentagon committed on September 11, 2001, and the continuing and immediate threat of further attacks on United States nationals or the United States that led to the declaration of a national emergency on September 23, 2001, has not been resolved. These actions pose a continuing unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. For these reasons, I have determined that it is necessary to continue the national emergency declared with respect to persons who commit, threaten to commit, or support terrorism, and maintain in force the comprehensive sanctions to respond to this threat.

GEORGE W. BUSH.
