GENERAL LEAVE

Ms. BORDALLO. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their re-

marks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from Guam?

There was no objection.

Ms. BORDALLO. Madam Speaker, H.R. 5853, the Minute Man National Historical Park Boundary Revision Act, was introduced by our colleague from Massachusetts, the honorable Congresswoman TSONGAS. This bill would modify the boundary of the Minute Man National Historical Park in Massachusetts to include the historic site of Barrett's Farm.

Colonel James Barrett was a leading Revolutionary War patriot and military figure, and his farm in Concord played a significant role in the events leading up to the opening battles of the Revolutionary War at Lexington and Concord in April 1775.

A 2007 study from the National Park Service concluded that the boundary adjustment was important to ensure the protection of these nationally significant resources and values. And this bill enjoys extensive public support, as well as the support of the entire Massachusetts congressional delegation.

I thank Representative TSONGAS for her leadership on this legislation, and I ask my colleagues to support passage of this measure.

I reserve the balance of my time.

Mr. YOUNG of Alaska. Madam Speaker, I yield myself such time as I may consume.

H.R. 5853 has been adequately explained by the Democrat bill manager, and we have no objections to the legislation.

I reserve the balance of my time.

Ms. BORDALLO. Madam Speaker, I yield such time as she may consume to the gentlelady from Massachusetts, Congresswoman TSONGAS, the sponsor of the bill.

Ms. TSONGAS. Madam Speaker, I am very pleased to be speaking on behalf of H.R. 5853, the Minute Man National Historical Park Act, which extends the boundary of the Minute Man National Park located in Concord, Massachusetts, to include historic Barrett's Farm.

This bill is a simple, noncontroversial boundary adjustment of 67 acres to the current national park and enjoys the support of the National Park Service and Save Our Heritage, the nonprofit organization which currently owns Barrett's Farm.

It may seem like small change, but the preservation of such a significant site is monumentally important to the history of this country.

Barrett's Farm is the former home of Colonel James Barrett, the commander of the Middlesex militia during the Revolutionary War. It was also used to store the militia's munitions in the weeks preceding the Battle of Concord and Lexington.

On April 19, 1775, General Thomas Gage, the commander of all British forces in North America, ordered 700 of

his troops to march to Barrett's Farm and destroy these supplies. Our colonial militia learned of the British plot in advance, and Paul Revere made his famous ride, calling his fellow countrymen to arms.

By the time the British reached Barrett's Farm, the colonial militia's guns were safely hidden, and Colonel Barrett had strategically positioned the militia to strike the British Army. Barrett's militia confronted British soldiers at the North Bridge in Concord, where the infamous "shot heard 'round the world" was fired, launching our war for independence.

Through the hard work and ongoing efforts of the nonprofit group, Save Our Heritage, Barrett's Farm has been kept in excellent condition. Private donations throughout the years have been used for its upkeep and restoration. Our country is indebted to these committed people for preserving this national historical treasure.

But it is time for this important location to be part of the larger Minute Man National Park so that the considerable resources and expertise of the National Park Service can be put towards the restoration and permanent preservation of this remarkable piece of Massachusetts' rich revolutionary history.

It will also enable park visitors to have a more complete understanding of how and where our American Revolution began.

I urge the House to pass this bill to protect Colonel James Barrett's Farm so that current and future generations can learn about the role this site played in the birth of our Nation.

I want to thank Chairman RAHALL and Chairman GRIJALVA for their leadership on this bill, and I would also like to thank all the cosponsors of this bill for their support.

I urge my colleagues today to vote for this important piece of legislation.

Mr. YOUNG of Alaska. Madam Speaker, we have no other requests for speakers, and I yield back the balance of my time.

Ms. BORDALLO. Madam Speaker, I again urge Members to support the bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from Guam (Ms. BORDALLO) that the House suspend the rules and pass the bill, H.R. 5853.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

FORT DAVIS NATIONAL HISTORIC SITE EXPANSION

Ms. BORDALLO. Madam Speaker, I move to suspend the rules and pass the bill (H.R. 6176) to authorize the expansion of the Fort Davis National Historic Site in Fort Davis, Texas, and for other purposes.

The Clerk read the title of the bill.
The text of the bill is as follows:

The SPEAKER pro tempore. Pursuant to the rule, the gentlewoman from Guam (Ms. BORDALLO) and the gentleman from Alaska (Mr. YOUNG) each will control 20 minutes.

The Chair recognizes the gentlewoman from Guam.

GENERAL LEAVE

Ms. BORDALLO. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from Guam?

There was no objection.

Ms. BORDALLO. Madam Speaker, H.R. 6176 was introduced by our colleague from Texas, Representative CIRO RODRIGUEZ. The bill increases the acreage ceiling for the Fort Davis National Historic Site in west Texas and authorizes the National Park Service to acquire from willing sellers approximately 55 acres adjacent to the park.

Fort Davis National Historic Site, authorized in 1961, is regarded as one of the best preserved forts in the American Southwest. The fort was strategically located to protect emigrants, mail coaches, and freight wagons traveling through the Southwest. The fort is also known because the famed all-black “Buffalo Soldier” regiments established after the Civil War were stationed there.

The bill would expand the boundary of the park to encompass some already completed acquisitions and to permit the acquisition of three parcels that total approximately 55 acres on the southwestern boundary of the park.

Madam Speaker, Congressman RODRIGUEZ is to be commended for his tireless efforts on behalf of this legislation, and I would also note the administration supports this bill.

I urge my colleagues to support passage of this measure.

I reserve the balance of my time.

Mr. YOUNG of Alaska. Madam Speaker, I yield myself such time as I may consume.

I believe the bill has been explained very well, and I do support the bill.

Mr. RODRIGUEZ. Madam Speaker, it is with great pleasure that I stand here today in support of H.R. 6176, legislation to authorize the expansion of Fort Davis National Historic Site in Fort Davis, Texas. I would like to thank my good friends Chairman GRIJALVA and Chairman RAHALL for their support of this legislation.

Fort Davis Historic Site is considered by many to be one of the most well preserved forts in the Southwest. This fort has historical and cultural importance to the communities of West Texas and it is our job to protect and preserve this piece of our Nation’s history. In the 1800s the District I represent today was scattered with U.S. Army forts designed to protect travelers and settlers along the western trade routes from San Antonio to El Paso. The oldest and most preserved of these forts is Fort Davis, now a National Historic Site.

This legislation authorizes the National Park Service to acquire a prominent bluff on the western view shed of the site. It is the desire of the community of Fort Davis and the surrounding region that the Fort Davis Historic Site acquire the prominent bluff so that landscape of the Fort Davis Historic Site can remain the same as it was in the 19th century.

Fortunately a strong community movement led to the purchase of the land by a conservationist, who, in conjunction with the Conservation Fund, hopes to sell or donate the land to the National Park Service.

The bluff that the legislation aims to protect is vital to the experience of the visitors to the Fort Davis National Historic Site as well as the surrounding community of Fort Davis. It is my hope that this legislation will provide protection for this important historic site and will allow the park to continue to serve as an example of a typical western military fort from the 1800s.

Thank you for bringing this piece of legislation to the House floor for the communities of West Texas. I strongly urge my colleagues to vote in favor of H.R. 6176, legislation to protect Fort Davis and this important piece of West Texas history.

Mr. YOUNG of Alaska. I have no other speakers, and I yield back my time.

Ms. BORDALLO. Madam Speaker, I urge my colleagues to support this piece of legislation, and I yield back.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from Guam (Ms. BORDALLO) that the House suspend the rules and pass the bill, H.R. 6176.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.
