NOTICES OF INTENT TO OBJECT TO PROCEEDING

Mr. KERRY, pursuant to the provisions of section 512 of Public Law 110-81, submitted his notice of intent to object to proceed to consider the resolution (S. Res. 626), expressing the sense of the Senate that the Supreme Court of the United States erroneously decided *Kennedy v. Louisiana*, No. 07-343 (2008), and that the eighth amendment to the Constitution of the United States allows the imposition of the death penalty for the rape of a child, dated July 25, 2008, for the following reasons:

The Supreme Court has already shown its intention to revisit the *Kennedy v. Louisiana* decision. The Court has petitioned the parties in the case, as well as the United States Solicitor General, to submit supplemental briefs in response to the standing Petition for Rehearing. Due to these pending proceedings I believe the United States Senate should not take action at this time as it would be inappropriately premature.

Mr. GRASSLEY, pursuant to the provisions of section 512 of Public Law 110-81, submitted his notice of intent to object to proceed to consider the bill (H.R. 7083) to amend the Internal Revenue Code of 1986 to enhance charitable giving and improve disclosure and tax administration, dated September 26, 2008, for the following reasons:

I wrote a series of charitable reforms that became law in the Pension Protection Act of 2006. The reforms grew out of my oversight of tax-exempt organizations and laws, which had not been updated substantially since 1969. This legislation would unwind some of the 2006 reforms as they apply to certain supporting organizations.

Private foundations and supporting organizations enjoy tax-exempt status on their money. In exchange for that special status, they have to comply with a few requirements. One is that they pay out 5 percent of their assets each year. This pay-out requirement is meant to make sure the organization offers some public benefit in exchange for tax exemption and doesn't exist simply to invest its money and pay a staff and a board of directors—often family members—in perpetuity. Another requirement is that private foundations and certain supporting organizations are subject to a tax on excess business holdings. In general, the tax applies to substantial interests these
