### HON. JOHN T. DOOLITTLE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, November 19, 2008*

Mr. DOOLITTLE. Madam Speaker, I would like to take a minute and pay tribute to an old friend and former staffer, Robert C. Faber. Bob is a man of strong ideals and integrity.

I first met Bob when we were in our first year of law school at McGeorge Law School in California. Our friendship began then and has been strong ever since. After law school, Bob and I went our separate ways. Bob worked first at the State Lands Department and then had a private law practice. I went to work in the California State Senate in Sacramento. Ten years later I was elected to the U.S. House of Representatives, and when I became Chairman of the Resources Subcommittee on Water and Power, I encouraged Bob to become the staff director of the committee. He graciously accepted the position, and he and his lovely wife, Joyce, moved to the Washington area.

Bob was born in Kansas City, Missouri and grew up in Oregon, Michigan, Indiana and California. He attended high school in La Sierra, California. While in high school, Bob showed his talent of teaching in his early years. He would often help tutor his fellow students at his home, and eventually the group got so large that the class asked their teacher if Bob could teach the class, since he was able to better relate to his peers. The teacher allowed Bob to teach the class for about 2 weeks under his supervision.

After high school, Bob attended Andrews University in Southwestern Michigan where he majored in journalism. He earned his undergraduate degree in 3 years after successfully testing out of 1 year of classes. While at Andrews, he met Joyce in the communications department, and the two have been married for 35 years now. They have one son, Robert Jr., who is 14 years old.

Bob has the gift of being able to teach people in both personal and professional situations. When he was living in California, Bob taught Sunday school at his local church and has been involved with it ever since. He currently teaches the adult group at his local church in Leesburg, Virginia and has recently started writing about Jesus and the New Testament.

I am very grateful for Bob's friendship, and I look forward to the many years ahead we have as friends. I wish him and his Family much happiness and success.

### HONORING ST. DOMINIC'S PARISH IN BREESE, ILLINOIS

### HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, November 19, 2008*

Mr. SHIMKUS. Madam Speaker, I rise today to honor St. Dominic's Parish in Breese, Illinois. For 150 years, St. Dominic's has represented the spread of Catholicism in rural America and has also acted as one of its community's cornerstones. The first church building was used from 1858 to 1868 and measured 40 feet by 60 feet. In 1858 Father August Reineke was called to act as the first pastor of St. Dominic's and served until 1909. A larger church was needed due to the growing number of settlers in the area. The parishioners donated the land as well as the stone and limestone for construction of the present church still in use today.

The original parish began with 70 Catholic families and today has grown to 867 families. One of St. Dominic's largest accomplishments was the establishment of Mater Dei High School. The men and women of St. Dominic's help by reaching out to their community and world with the parish's volunteer efforts. St. Monica's Altar Sodality and St. Joseph's Men's Sodality donate money to the parish's Vacation Bible School, food pantry and youth ministry. The ladies of the parish are currently sponsoring a child in Guatemala, while the men have donated over \$20,000 to the new multi-purpose room.

I join with my fellow Representatives to congratulate St. Dominic's on 150 years of faith and service.

Mr. ACKERMAN. Madam Speaker, I rise today to congratulate Queens Borough President Helen Marshall for receiving the prestigious "Green Leadership Award" from the Alley Pond Environmental Center (APEC) on November 13th, 2008. APEC, located in Douglaston, Queens, is a superb educational center committed to environmental understanding and awareness. Helen's dedication and support of environmental education, public parks and responsible zoning and land-use in Queens is a great example of how we can promote "green living" around the nation through local political leadership.

Thanks to Helen's aggressive efforts, over \$60 million has been allocated to maintain, improve and expand the parks and playgrounds of Queens. Recently, Helen was instrumental in procuring resources to help begin construction of APEC's new environmental educational
