So the bill was passed.
The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mrs. DAVIS of California. Mr. Speaker, during rollcall votes No. 157 through 162, I was on a leave of absence due to the funeral of a very close friend.

Had I been present for rollcall vote No. 157 on the Perlmutter amendment to H.R. 1404, to clarify that authorized suppression activities for the Flame Fund include containment activities in response to crisis insect infestations to reduce the likelihood of wildfires, I would have voted "aye."

Had I been present for rollcall vote No. 158 on the Hastings amendment to H.R. 1404, to require advance notice, in writing, to adjacent landowners whenever the Department of Agriculture sets a prescribed fire on National Forest System land, I would have voted "aye."

Had I been present for rollcall vote No. 159 on the Minnick amendment to H.R. 1404, to require that the Secretaries, in considering severity of and threat posed by a fire for the purposes of determining whether to declare that a wildland fire suppression activity is eligible for funding from the flame Fund, take into account areas where insect infestation has created an extreme risk for wildfire, I would have voted "aye."

Had I been present for rollcall vote No. 160 on the Kirkpatrick amendment to H.R. 1404, to amend the definition of "fire-ready community" in the bill to provide that a community satisfies the definition if it is located within a priority area identified by the fire risk maps required by the bill, and meets two of the other four criteria listed in the bill for "fire-ready communities," I would have voted "aye."

Had I been present for rollcall vote No. 161 on the Goodlatte amendment to H.R. 1404, to authorize the Secretary of Agriculture to enter into sole source contracts with States to prepare and implement "good neighbor" projects on National Forest System lands, I would have voted "no."

Had I been present for rollcall vote No. 162 on final passage of H.R. 1404, the Federal Land Assistance, Management and Enhancement Act, I would have voted "aye."

PERSONAL EXPLANATION

Mr. PASCRELL. Mr. Speaker, I want to state for the RECORD that today, March 26th, I was detained in my district and therefore missed the six rollcall votes of the day. Had I been present I would have voted "aye" on rollcall vote No. 157 on agreeing to the Perlmutter of Colorado Amendment. Had I been present I would have also voted "aye" on rollcall vote No. 158 on agreeing to the Hastings of Washington Amendment No. 4. Had I been present I would have also voted "aye" on rollcall vote No. 159 on agreeing to
