

and motorcycle assigned to the Police Department's Traffic Division. This Division is tasked with city wide traffic and other law enforcement activities and focuses along all major thoroughfares and arterials. By initiating the program with the Traffic Division, full coverage of the entire City will be achieved. The implementation of the digital image storage system and in car cameras will increase officer safety and provide high quality documentation and evidence of police activity. This will translate into an increase in successful prosecutions and citizen safety. Local funding shortage/issues have kept this program from being implemented. Due to the technical nature of the program, a full time position will be required to manage and maintain the system. The City of San Antonio will hire a full time Technician as a matching portion of the program. Salary and benefits for such a position are estimated at \$55,000 per year. I certify that neither I nor my spouse has any financial interest in this project.

Requesting Member: Congressman LAMAR SMITH

Bill Number: H.R. 2487

Account: DOJ—OJP—Byrne

Legal Name of Requesting Entity: Texas State University—San Marcos (on behalf of the City of Lakeway Police Department)

Address of Requesting Entity: 601 University Drive, San Marcos, TX 78666

Description of Request: I have secured \$1,300,000 for Texas State University's ALERRT Program. ALERRT seeks funding to train additional police officers and to further promote the nationally standardized format and train-the-trainer capacity to meet the training needs of the more than 16,000 police departments across the nation. This valuable training will allow first responding patrol officers to more effectively deal with acts of violence before they evolve into full-blown, national tragedies. Funding will allow for better-trained law enforcement agents and safer communities. ALERRT provides first responders with the tactics they will need to effectively respond to active shooter situations. Currently, there are 423 requests pending for ALERRT training. Additional funding for ALERRT would enable the program to train more patrol officers, including Lakeway Police Department, and thereby improve the safety of our nation's communities. I certify that neither I nor my spouse has any financial interest in this project.

#### IN RECOGNITION OF THE PASSING OF LANE GILCHRIST, MAYOR OF GULF BREEZE, FLORIDA

### HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Monday, June 15, 2009*

Mr. MILLER of Florida. Madam Speaker, I rise to honor Lane Gilchrist, Mayor of Gulf Breeze, Florida, who passed away on June 12, 2009. Mayor Gilchrist served the people of Northwest Florida with honor and distinction, and I am humbled to recognize this community leader.

Lane Gilchrist spent a lifetime serving others. After graduating from Auburn University in 1958, Lane joined the United States Navy. He spent over twenty years both on active duty and in the reserve, retiring in 1979 as a Lieutenant Commander. He also began a career at Gulf Power, and quickly rose through the company to become Fuel and Environmental Affairs Manager. Mr. Gilchrist spent 35 years with Gulf Power, retiring in 1996.

In 1982, Lane Gilchrist was elected to the City Council of Gulf Breeze. With a salary of only one dollar a year, the city council is truly a place for those who want to give back to their community. After serving as Mayor Pro Tem for ten years, Mr. Gilchrist became mayor in 1992 where he remained ever since. In fact, Mayor Gilchrist was one of the longest serving active public officials in Florida. His dedication to the people of his community was superb. As mayor, Mr. Gilchrist guided Gulf Breeze through four devastating hurricanes—Erin and Opal in 1995, and Ivan and Dennis in 2004 and 2005. His leadership through these trying times will be forever remembered by our community.

The people of Gulf Breeze have many reasons to be proud of Lane Gilchrist, and I am honored to be able to recognize such a great leader and friend. My wife Vicki and I will keep his entire family, especially his wife, Suzie, and sons, Lane, Jr. and Michael, in our prayers. Mayor Gilchrist will be missed by all of us in Northwest Florida.
