PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-47. A concurrent resolution adopted by the Senate of the State of Louisiana urging Congress to take such actions as are necessary to maintain the current incentives for the exploration and production of domestic oil and natural gas; to the Committee on Energy and Natural Resources.

SENATE CONCURRENT RESOLUTION NO. 15

Whereas, Louisiana is a key energy state where over three hundred twenty thousand Louisianians are employed in the energy sector, and these jobs support over twelve billion dollars a year in household income; and

Whereas, these jobs are from numerous small businesses and include welders, pipe fitters, barge workers, and engineers, and an estimated fifty thousand indirect workers support the energy sector; and

Whereas, the current federal budget proposal includes eight separate tax hikes on the energy economy totaling over thirty billion dollars, new fees on energy leases in the Gulf of Mexico, excise taxes on Gulf production, and also repeals several important tax incentives for Louisiana energy producers; and

Whereas, ninety percent of domestic oil and natural gas wells are developed by small, independent businesses that would encounter a devastating impact from any change in policy to reduce incentives; and

Whereas, these tax increases also reduce our nation's energy security by discouraging new investment in domestic oil and natural gas production and refining capacity and pushing those investments abroad; and

Whereas, a reduction in incentives would reduce the amount of domestically produced natural gas and deprive the American people of a clean energy source. Therefore, be it

Resolved, That the Legislature of Louisiana memorializes the Congress of the United States to take such actions as are necessary to maintain the current incentives for the exploration and production of domestic oil and natural gas. Be it further

Resolved, That a copy of this Resolution shall be transmitted to the secretary of the United States Senate and the clerk of the United States House of Representatives, and to each member of the Louisiana delegation to the United States Congress.

POM-48. A concurrent resolution adopted by the Senate of the State of Louisiana urging Congress to take such actions as are necessary to appropriate funds specifically for the storm-proofing of interior pump stations in the parishes of St. Bernard and Plaquemines; to the Committee on Energy and Natural Resources.

SENATE CONCURRENT RESOLUTION NO. 51

Whereas, in 2006, the United States Congress, under the Flood Control and Coastal Emergency Act, appropriated two hundred fifty million dollars for storm-proofing interior pump stations in the Greater New Orleans area in order to ensure the operability of the stations during hurricanes, storms, and high water events; and

Whereas, four years after hurricanes Katrina and Rita, only pump stations in the parishes of Jefferson and Orleans have been storm-proofed pursuant to this appropriation; and

Whereas, it is the belief of the public that the pump stations in the parishes of St. Bernard and Plaquemines have not been storm-proofed because the Corps of Engineers underestimated the cost of the storm-proofing and, therefore, interpreted the "Greater New Orleans area" to include only the parishes of Jefferson and Orleans; and

Whereas, storm-proofing interior pump stations in the parishes of St. Bernard and Plaquemines is desperately needed in order to ensure the operability of the stations as well as to provide safe housing for personnel required to remain on duty to operate the pump stations during hurricanes, storms, and high water events. Therefore, be it

Resolved, That the Legislature of Louisiana does hereby memorialize the United States Congress to take such actions as are necessary to appropriate funds specifically for the storm-proofing of interior pump stations in the parishes of St. Bernard and Plaquemines. Be it further

Resolved, That a copy of this Resolution be transmitted to the presiding officers of the Senate and the House of Representatives of the Congress of the United States of America and to each member of the Louisiana congressional delegation.
