Mr. BONNER. Madam Speaker, I submit the following information:

Project Name: Washington County Commission Sewer Extension

Requesting Member: Congressman JO BONNER

Bill Number: H.R. 2996

Account: STAG Water and Wastewater Infrastructure Project

Legal Name of Requesting Entity: Washington County Commission

Address of Requesting Entity: 45 Court Street, P.O. Box 146, Chatom, Alabama 36518

Description of Request: Provide an earmark of \$500,000 for Phase II of an ongoing project for unincorporated areas of Washington County not currently served by sanitary sewers. The soils in some areas of the county are generally conducive to percolation and some areas are on soils that have higher water tables that absorb water very slowly. Approximately, \$500,000 [or 100%] of funding will be used for construction, labor and materials of a low pressure, decentralized sanitary sewer collection and treatment facility. The county is currently working on phase I of this project and phase II would construct a 30,000 GPD on-site treatment and disposal facility, collection mains, interceptor tanks and pumps to provide homes and businesses with sanitary sewer. Washington County, the most economically challenged county in the state of Alabama, is home to a new steel plant that is providing 25,000 new construction jobs and 2,000 fulltime jobs. This much needed project will allow the county to continue to grow and recruit even more industry. The Washington County Commission will provide dollar for dollar match for this project.
