This project is a valuable use of taxpayer funds because it will reduce pollution in local streams that flow into the Ohio River and will help the community comply with federal environmental standards.

IN RECOGNITION OF THE PASSING OF DAN MCKENZIE

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 26, 2009

Mr. MILLER of Florida. Madam Speaker, I rise today to recognize Dan McKenzie, a Northwest Florida community leader and businessman who passed away on June 22, 2009. Mr. McKenzie spent his entire life serving his community and family. I am proud to honor his life of dedication and service.

Mr. McKenzie grew up in Pineapple, Alabama, the son of a sawmill owner. He chose to branch out and not follow in the family business, instead trying his hand at ranching. As

a young man, continuing health issues forced him to seek medical care in Foley, Alabama where he was told he would have to leave the area completely in order to regain his health. He spent the night in Milton, Florida and said he was never sick again. Milton became his permanent home after his miraculous recovery, where he became entrenched in the local business community.

Upon settling in Milton, Mr. McKenzie began a new career in the automotive industry. His first day on the job, he sold a brand new Mercury sedan for \$3,000. From there, he built a family owned automotive business that still stands to this day. For over 40 years, McKenzie Pontiac GMC Buick has provided for the automotive needs of the people of Northwest Florida. Billing themselves as a hometown dealership, their motto of "We will treat you like family" was a promise and not just a slogan.

Mr. McKenzie was not only a businessman, but a dedicated family man. In 1945, he married his childhood sweetheart, Mary Till, and often credited her as his inspiration. They were the parents of five daughters. Sadly, Dianne passed away at the age of 9, but left to cherish his memory are Janet, Linda, Lisa and Dana.

Madam Speaker, on behalf of the United States Congress, I am privileged to honor Mr. Dan McKenzie as a man reflective of the true spirit of Northwest Florida. Mr. McKenzie will be remembered by all as a loving husband and father, a successful businessman and an important part of our Northwest Florida community.
