

Navy Account for Channel Dredging at Naval Station Mayport.

The purpose of this funding is to remove an estimated 5.2 million cubic yards of sediment from the turning basin, inner entrance channel and Jacksonville Harbor Bar Cut (outer channel) to the prescribed project depths (approximately 50 feet) and deposit the dredged material in the permitted open ocean disposal areas.

As most of you are aware, the Department of Defense has decided to further review the Navy's earlier decision to establish a second nuclear aircraft carrier homeport at Naval Station Mayport, Florida within the 2010 Quadrennial Defense Review (QDR).

HOWEVER, the current leadership in the Department of Defense, Secretary Gates and Deputy Secretary Lynn, have declared that at the very least there MUST be alternate location to dock our nuclear carriers in case of a natural or man-made emergency at Naval Station Norfolk.

There are no matching funds required or allowed for this project.

Requesting Member: Congressman ANDER CRENSHAW.

Bill Number: H.R. 3082—Military Construction and Veterans Affairs Appropriations Act, 2010

This is a valuable use of taxpayer funds because it will upgrade readiness, training and the quality of life of sailors at and their families at Naval Station Mayport.

HONORING GLENWOOD HIGH SCHOOL SOCCER PROGRAM

HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 9, 2009

Mr. SHIMKUS. Madam Speaker, I rise today to honor one of the top high school soccer programs in Illinois.

The Titans from Glenwood High School in Chatham, Illinois, took third place at the Illinois High School Association Class 2A state finals last month. It was the school's third trip to state in six years, and it capped off an 18–4–1 season.

This year's squad avenged last year's loss to Belleville Althoff in the super-sectional by winning the rematch and advancing to the state finals. Once there, they fell to Lemont 1–0, but bounced back to take a 2–1 victory over Sycamore in the third place game.

I want to congratulate head coach Jay Lipe and assistant coaches Greg Lipe, Pam Hogan and Bethany Rollet on their success with this group of student-athletes. I especially want to

congratulate the members of the 2009 Glenwood Titans' state third place soccer team: Cara Moody, Erin Egoft, Sydney Alstott, Ashley Kulavic, Lindsey Koch, Dani Torry, Eryn Sullivan, Rylie Sullivan, Ali Traina, Bree Gardner, Annie Kwedar, Jenny Mosley, Emily Stockton, Elena Pappas, Abby Vorreyer, Colleen Quick, Rachel Kobayashi, Alise Wisniewski, Kaylee Walsh and Abby Juhlin.

These students have represented themselves, their school and the community very well, and I want to join with the other members of this House in congratulating them, and wishing them all the best in their future endeavors, both on and off the field.

TRIBUTE TO DELORES "SUGAR" POINDEXTER

HON. ANDRÉ CARSON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 9, 2009

Mr. CARSON of Indiana. Madam Speaker, I rise today to honor Delores "Sugar" Poindexter for her phenomenal career in the gospel music industry and as a spiritual healer.

Sugar's stunning soprano voice is and will always remain legendary within the gospel music industry. She sang with many of the great pioneers of gospel music such as the Roberta Martin Singers and the Beatrice Brown Singers. In addition to singing, she was the Chairperson of the Back Stage Committee for the Gospel Music Workshop of America Inc. Sugar served as the Vice Chairperson of the Gospel Announcers Guild of the Gospel Music Workshop of America Inc., and as a co-host on Black Entertainment Television's Bobby Jones Gospel show.

Sugar is a remarkable woman who has achieved many firsts in her lifetime. She is a giant in the Indianapolis community whose vision of service has touched the lives of many less fortunate individuals. In the span of over three decades, Sugar was the first African American woman to host her own gospel program on the airwaves of WTLC, which was formerly known as 104.5 FM. She was the first African American licensed disc jockey on WTLC and again the first to host her show from the Marion County Jail on Thanksgiving Day, a tradition she continued for 20 years.

Despite her many achievements, Sugar's greatest legacy is that of a healer. She ran her own prison ministry providing hope and spiritual fulfillment to the women at the Indiana State Prison.

I urge my colleagues to join me in honoring Delores "Sugar" Poindexter, a woman who shared the gospel and its message of compassion, humanity and peace through music. Sugar firmly believed in the saying that, "to whom much is given much is expected."

GULFPORT, FLORIDA MOURNS THE PASSING OF ROBERT W. CALDWELL, JR.

HON. C.W. BILL YOUNG

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 9, 2009

Mr. YOUNG of Florida. Madam Speaker, it is with a deep sadness that I share with my

colleagues the passing of my good friend and constituent Robert W. Caldwell, Jr. of Gulfport, Florida.

There was no more patriotic American than R. W. Caldwell, Jr. who died this past Fourth of July at the age of 88. He moved to Gulfport as a young boy during the 1920's and never left. During those more than 80 years, he fell in love with this small Florida city and throughout his lifetime he always strived to make it a better place to live. He built and sold homes in Gulfport, throughout Pinellas County and the state of Florida.

Bob also understood the value of preserving the history of our area and as such led community efforts to support the Gulfport Historical Society and restore some of its landmark sites including Scout Hall.

It was most appropriate that this past April, the City of Gulfport honored R. W. Caldwell, Jr. by naming a park in his honor. The City will turn out Saturday at this park to pay their respects to the life of this special man and to thank him for his lifelong contributions to making Gulfport such a special place in which to live, to learn, to work and to play.

Following my remarks, I will include for the benefit of my colleagues an article and obituary from The St. Petersburg Times about Bob's life.

Madam Speaker, my special thoughts go out to Bob's wife of 63 years Adele, his daughters April and Elise, his son Bill, and three grandchildren. In addition to his wife and family, one of R. W. Caldwell Jr.'s other loves of his life was fishing the beautiful waters of Florida and the Gulf of Mexico. It is my hope that his family always remembers this giant of our community when they pass by one of our waterways, see a fisherman casting out a line, and watch one of Florida's trademark sunsets over the Gulf of Mexico. May R. W. Caldwell, Jr. rest in peace.

[From the St. Petersburg Times, July 8, 2009]

LONGTIME BUILDER 'SKETCHED OUT GULFPORT'

(By Andrew Meacham)

GULFPORT—R.W. Caldwell didn't just develop Gulfport, he lived there, putting down roots in its sandy soil. He lived for the outdoors and fishing—priorities that never changed even as his company became one of the Tampa Bay area's most recognizable names in real estate.

He added construction to a company that specialized in real estate and insurance. The expansion resulted in hundreds of new homes in Pinellas, Pasco and Charlotte counties, including some of the area's largest subdivisions and an influx of high-end homes to Gulfport.

Mr. Caldwell died of a stroke Saturday. He was 88.

"He was a remarkable pioneer," said Gulfport Mayor Michael Yakes. "He really sketched out Gulfport in his own right."

While franchises of huge companies like Coldwell Banker and Keller Williams dominate coast to coast, Mr. Caldwell's name has endured locally.

"The whole real estate industry was started by fellows like R.W. Caldwell," said Victor Adamo, chairman of the Pinellas Realtor Organization.

After getting a degree at M.I.T. and working as an aeronautical engineer in

California, Mr. Caldwell moved back home to rejoin his father's business in 1951.

He had foresight, buying properties dense in trees, then endeavoring to save as many as possible in subdivisions. He predicted the coming of multifamily homes as cities built to their boundaries.

"What has happened in Gulfport will, in many cases, happen elsewhere in Pinellas," he wrote in a guest column for the Times in 1960.

He trusted his know-how, maintaining his 1994 Chevrolet station wagon himself. The car still runs with 200,000 miles on it. He built a single-engine boat he later took to the Bahamas for a fishing trip.

Mr. Caldwell also trusted his instincts with people, quietly helping those he believed were doing all they could for themselves. At least twice, he shipped \$12,000 worth of beans to Haiti.

When his housekeeper couldn't qualify for a mortgage, Mr. Caldwell took one out himself, then collected monthly payments. When the housekeeper's family finished the payments years later, he handed over the deed.

He enjoyed a daily martini with his wife, Adele, and eating smoked mullet with childhood friends, including the mayor and other city officials.

After selling Jordan-Caldwell, the construction arm, to U.S. Homes in 1972, Mr. Caldwell stayed with U.S. Homes until the late 1970s. He remained with the family company as an adviser.

"There are a lot of developers who have taken their piece of the pie and not made a better place to live," said Tina Douglass, wife of former St. Pete Beach Mayor Bob Douglass. "Wherever R. W. was, he always made it a better place. He left a good mark."

OBITUARY

CALDWELL, Robert W. Jr. 88, of Gulfport and Boca Grande, was born on Aug. 20, 1920 in Meadville, PA to Gail Jarrell Caldwell and Robert W. Caldwell Sr. He died in Bayfront Medical Center in St. Petersburg this past Saturday, July 4, 2009. His maternal grandparents, George and Abigail Jarrell first brought him to Gulfport in the 1920s. Because of the two week quarantine of new Florida students to avoid bringing in infectious diseases, he fished with his grandparents daily, in lieu of school. After the quarantine, he first attended Roser Park and then the brand new Gulfport Elementary School. He fished at the Gulfport Pier nearly everyday. Back then, Gulfport was open to the Gulf; there was no Bayway, and the waters were turquoise and teeming with fish. When his grandparents opened the Gulfport Market, he helped them out along with his mom and his Aunts Isabel, Anne and Helen. He attended Disston Junior High and St. Petersburg High School. He continued to fish at every chance and took advantage of every opportunity to assist local boat captains. He was an excellent boatsman and fisherman. Known as Bo in the 1920s and '30s, Bob was always an excellent student, too. He graduated St. Pete High in 1938, and, after attending St. Petersburg Junior College for a year, enrolled in the Massachusetts Institute of Technology. While at MIT, Bob captained the lightweight crew. He had excellent skills with tools that he had learned from his grandfather Jarrell and returned to Gulfport summers during college and built homes for his father and Ed Markham. He graduated MIT during World War II in January, 1943 with a degree in aeronautical engineering. From many job offers, he chose Convair in San Diego, which later became part of General Dynamics. He built B-24s and other air-

craft. He married Adele Allport in 1945. All three of their children were born in La Jolla, CA. Bob arrived back in Gulfport with his family on July 4, 1951. His plan was to work with his Dad and open the building division of R.W. Caldwell, Inc., a real estate and insurance business originally started by his father in 1937. In late 1952, Bob found himself running the entire company after his father's untimely death. He was a successful investor and land developer and was elected in 1954 President of the Contractors and Builders Association of Pinellas County. Bob was the first President of the Gulfport Chamber of Commerce and was President of the Friends of the Gulfport Library when the new library was built at 28th and Beach Boulevard. He was an over 50 year member of the St. Petersburg Yacht Club. Some of the subdivisions he developed in his career included Pelican Creek and Catalina Gardens plus he built hundreds of individual homes throughout Pinellas County. He was an organizing director and built the First Bank of Gulfport, was chairman of the Pinellas County branches of Royal Trust Bank and was an organizing director of First Gulf Bank. He was President of Jordan-Caldwell, Inc. that developed San Clemente East in Pasco County. When bought by U.S. Home Corp., Bob became, among other projects, the original developer of Timber Oaks in Pasco County and then became vice president of U.S. Home Corp. in charge of construction for the Central Florida Division. Bob's largest Gulfport business venture was when he became the Managing Partner of the Pasadena Partnership that bought the land known as Skimmer Point and later Pelican Bay and arranged the annexation of this part of Pasadena Yacht and Country Club into Gulfport. Further, he was currently President of Palm Island investment Corp. in Charlotte County and Chairman of R.W. Caldwell, Inc. in Gulfport. Bob lived a very modest life style. He maintained both his boat and auto engines himself. He even built his own 26 foot single engine boat from scratch in his front driveway in the late 1950s and took it on a five week adventure to the Bahamas with his wife and his wife's sister and brother-in-law. He enjoyed along with his wife in taking their children on car trips in the family station wagon to visit many of America's national parks, frequently camping out along the way, and, a generation later, repeating those car trips with their grandchildren. Growing up in the fifties and sixties, Caldwell family weekends were for water recreation and fishing trips. Those were idyllic happy times. Bob was active and smart with a good sense of humor to his last days and enjoyed driving all about town in his 1994 Chevy station wagon. He loved fishing till his end and really enjoyed a fishing trip he took this past Father's Day weekend with his son when they went over 55 nautical miles out into the Gulf of Mexico, and Bob showed that he was still an expert at catching 'em. Bob quietly and without fanfare helped many area people in need, but he had a special feeling for people suffering in Haiti. He personally donated, in the last few years at least four entire containers full of more than 150,000 pounds of beans through For HAITI, With Love to help feed the hungry Haitian people. Bob is survived by his loving and devoted wife of over 63 years, Adele A. Caldwell; three children; a daughter, April Caldwell Hornsleth (Poul); a daughter, Elise 'Desi' Caldwell McCarthy (Vaughn); a son, R.W. 'Bill' Caldwell, III (Katie), and three grandchildren, Poul Hornsleth, Ill. Jody Hornsleth Sepúlveda (Rob) and Kyle McCarthy. There will be a memorial gathering this Saturday, July 11th

at 10 am in R.W. Caldwell Park at 64th Street and Gulfport Boulevard. Parking will be available, and a reception will follow. R.W. Caldwell Park was dedicated just this past April 18th, less than three months ago. The entire Caldwell family is very grateful and appreciative to the City and citizenry of Gulfport that their patriarch, R.W. 'Bob' Caldwell Jr., who first came to Gulfport more than 80 years ago, was able to receive and appreciate this wonderful honor before he died. In lieu of flowers, the family asks that donations be made to either For HAITI, With Love, the Gulfport Historical Society or the Friends of the Gulfport Library. Arrangements by R.
