#### EARMARK DECLARATION

### HON. FRED UPTON

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 15, 2009*

Mr. UPTON. Madam Speaker, pursuant to the Republican Leadership standards on earmarks, I am submitting the following information regarding earmarks I received as part of

H.R. 3183, the Energy and Water Appropriations bill for Fiscal Year 2010.

St. Joseph Harbor O&M Dredging  
Department: Army Corps of Engineers  
Account: Operations & Maintenance  
Legal Name of Requesting Entity: Berrien County, Michigan

Address of Requesting Entity: Berrien County Administration Center, 701 Main St., St. Joseph, MI 49085

This request is for securing funds for dredging both the inner and outer harbor of St. Joseph, Michigan, as well as performing much-needed structural repairs. The inner harbor is a key port for raw materials such as limestone, sand and gravel for state highways. Road and building construction projects in the area receive a majority of their aggregate materials through the three commercial docks located in this harbor. Additionally, it is a major hub for recreational boaters, with over 1,600 boat slips. This project has been authorized through many WRDA acts, is vital to the economic viability of Southwest Michigan, and has the support of the entire community.

The St. Joseph Harbor is an integral cog in the region's economic engine. A recent study by Purdue University gauged the harbor's economic impact at more than \$5.5 million dollars and more than 35 local jobs. The St. Joseph Harbor is among the top 50 in commercial activity among Great Lakes Harbors.

Amount: \$750,000

Funding Breakdown: The entirety of this funding will go towards dredging to the entrance, inner channel of the harbor and outer harbor. Supplemental funds will be provided by Berrien County and local municipalities.

New Buffalo Federal Channel O&M Dredging

Department: Army Corps of Engineers  
Account: Operations & Maintenance  
Legal Name of Requesting Entity: City of New Buffalo, Michigan

Address of Requesting Entity: City of New Buffalo, 244 W. Buffalo St., New Buffalo, MI 49117

This request is to secure funds for the dredging of the Federal Channel in New Buffalo Harbor, from the Whittaker Street Bridge to Lake Michigan. The floodwaters from the September 14, 2008 storm event discharged an immense amount of sediment into the federal channel which has restricted the access to Lake Michigan. The project would dredge the federal channel to remove the shoals (much worse than what normal dredging handles) which prevent boats from accessing Lake Michigan. Dredged material would be used to supplement a beach nourishment area established by the ACOE. The federal channel serves boat traffic for the south Lake Michigan area, including residents of Chicagoland and Northern Indiana. New Buffalo is a boating community with an economy that relies entirely on its harbor's access to Lake Michigan via the Gallen River. Without the dredging, the City and surrounding area will see a significant decline in tourism and related jobs. This project is authorized through the River and Harbor Act of 1962.

Amount: \$139,000

Funding Breakdown: The entirety of this funding will go toward the dredging of the Federal Channel in New Buffalo Harbor, from the Whittaker Street Bridge to Lake Michigan

Western Michigan University Green Manufacturing and Energy Conscious Design Program

Department: Energy

Account: Office of Science and Biological Research

Legal Name of Requesting Entity: Western Michigan University

Address of Requesting Entity: 1903 W. Michigan Ave., Kalamazoo, MI 49008

This project will assist companies (small companies in particular) to take advantage of environmentally benign and energy conscious materials in their design and manufacturing processes. The proposal is a collaborative project involving WMU College of Engineering, College of Arts and Sciences, College of Business, industry partners and community participants and seeks to enhance economic and workforce development and technology transfer through the advancement and use of environmentally friendly materials, designs, products and manufacturing processes and systems, building upon the already successful manufacturing, environment and energy research centers and programs at WMU.

Amount: \$1,000,000

Funding Breakdown: One third of this funding will go to equipment, one third to educational materials development and delivery to employees and students, and one third to program support. Western Michigan University will provide supplemental funding for this \$3 million project.

#### TRIBUTE TO LIEUTENANT GENERAL JOHN L. "JACK" HUDSON

### HON. STEVE AUSTRIA

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 15, 2009*

Mr. AUSTRIA. Madam Speaker, I rise today to congratulate Lieutenant General John L. "Jack" Hudson, for his outstanding service to our nation on the occasion of his retirement.

On behalf of the people of Ohio's Seventh Congressional District, I am honored to congratulate Lieutenant General Hudson upon his retirement as the Commander of the Aeronautical Systems Center at Wright Patterson Air Force Base.

His dedicated service to the citizens of our nation and our area is both admirable and commendable. Hudson received his commission in 1971 upon his graduation from the U.S. Air Force Academy. Since that time, he has served as a T-38 instructor pilot; an A-10 pilot, instructor pilot and flight examiner; and test pilot at Edwards Air Force Base.

Over the course of his distinguished career, he has also served as the Assistant Deputy Under Secretary of the Air Force for International Affairs. Most recently, Lieutenant General Hudson has served as the Commander of the Aeronautical Systems Center at Wright Patterson Air Force Base, a position from which he will retire in 2009.

For his many years of service to our nation, I join the people of Ohio's Seventh Congressional District in extending our best wishes upon his retirement and wish him ongoing success in all future endeavors.
