

Union National Board for several years. In addition, Betty was also a delegate to many of the union's national conventions.

In 2008, Betty retired from her post as lodge President. Today, Betty enjoys spending time with her six grandchildren. She continues to remain an inspiration to the Croatian Fraternal Union and continues her service as a member. The beloved Croatian community could not have asked for a more devoted and loyal servant, and she is worthy of the highest praise.

Madam speaker, Mrs. Betty Morgavan has always given her time and efforts selflessly and has truly been an inspiration to so many people throughout the years. She continues to be a tremendous source of pride for the Croatian community and for the people of Northwest Indiana. I respectfully ask you and my other distinguished colleagues to join me in commending Betty on her 50 years of service to the Croatian Fraternal Lodge 170! "Hvala Za Sve!" "Thanks for Everything!"

COMMENDING THE WORK OF MR. FRANK STEPHENSON OF TENNESSEE

HON. LINCOLN DAVIS

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 16, 2009

Mr. DAVIS of Tennessee. Madam Speaker, I rise today to commend and honor a prolific religious leader from Tennessee's Fourth Congressional District, Frank Stephenson of Kingston, Tennessee.

Frank will turn ninety years old in the coming weeks, and has much to show for his years of service to his faith and country. At the age of twenty-one, Frank joined the Marine Corps to serve America in the Second World War. He quickly made Sergeant, and served as Administrative Orderly for the Commandant for the 5th Naval District until March of 1945, but Frank's selfless dedication would reach beyond his years in the Armed Forces.

Only two years after leaving the Marines, Frank left for the Prairie Bible Institute in Alberta, Canada, and committed the remainder of his life to the calling of religious ministry. Upon graduation, Frank returned to his home state and started his first church in Cross Lanes, West Virginia. Frank would go on to found and minister at several other churches through the years, traveling across America to share his faith with others, and for over twelve years ministered to Tennesseans and Kentuckians on King of Kings Radio.

Currently, Frank lives in Kingston, Tennessee, with Kathleen, his wife of sixty-six years. Frank and Kathleen have four children, six grandchildren and six great-grandchildren. As Frank prepares to celebrate this incredible milestone, I ask that my colleagues join me in rising to celebrate his commitment to faith and family, his work to promote faith in God and Christian values, and the indispensable role Frank has played in our community. We wish him all the best for his ninetieth birthday, and in the coming years as he continues to live among cherished family and friends in Tennessee.—

This embankment breached as a result of heavy rainfall in 1950 and flood waters devastated the downtown business district. The embankment was restored, but not designed to current or any acceptable engineering standards, and its condition makes the risk of flooding to the housing and business district immediately downstream very high. The project will develop a plan to construct a safe and reliable flood protection project in partnership with the City of Concordia. I certify that neither I nor my spouse has any financial interest in this project.

Requesting Member: Congressman JERRY MORAN

The K-State Center for Sustainable Energy provides broad-based expertise in biomass design, production, and conversion to fuels and chemicals, as well as in biofuel/bioproduction utilization. The Center is K-State's focal point for research, education, and outreach on biotroleum-based fuels and products. Funding will be used to support the work the K-State University Center for Sustainable Energy is doing in regards to the Alliance for Biotroleum Ventures.
