

EARMARK DECLARATION

HON. HOWARD P. "BUCK" MCKEON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, July 27, 2009

Mr. MCKEON. Madam Speaker, pursuant to the Republican Leadership standards on earmarks, I am submitting the following information regarding Member priority requests I received as part of H.R. 3326, the "Department of Defense Appropriations Act, 2010."

Requesting Member: Congressman HOWARD P. "BUCK" MCKEON

Bill Number: H.R. 3326, the "Department of Defense Appropriations Act, 2010"

Account: Research, Development, Test, and Evaluation (RDTE), Air Force

Legal Name of Requesting Entity: Northrop Grumman Corporation

Address of Requesting Entity: 1840 Century Park East, Los Angeles, CA 90067-2199

Description of Request: I requested and received a Member priority request totaling \$6,000,000 for the B-2 Stealth Bomber Advanced Tactical Data. The Advanced Tactical Data Link (ATDL) on the B-2 would profoundly alter how these stealth aircraft like the B-2, F-35, and F-22 communicate with each other in a high threat environment by allowing all three types of aircraft to communicate and share threat information. Sharing real-time threat information would improve lethality, increase survivability, reduce operating and support costs, and increase efficiencies. The USAF has acknowledged the need for such a critical capability and has provided funding to integrate a common data link into the F-35 and F-22. However, funding for integration of such a link on the B-2 has not occurred. This initiative would provide these significant improvements in the capability two to three years sooner than currently planned.

Requesting Member: Congressman HOWARD P. "BUCK" MCKEON

Bill Number: H.R. 3326, the "Department of Defense Appropriations Act, 2010"

Account: Research, Development, Test, and Evaluation (RDTE), Air Force

Legal Name of Requesting Entity: General Atomics Aeronautical Systems, Inc.

Address of Requesting Entity: 14200 Kirkham Way, Poway, CA 92064

Description of Request: I requested and received a Member priority request totaling \$1,500,000 for Predator C Unmanned Aerial Vehicles. This project would provide the U.S. Air Force with a larger, next generation, jet-powered unmanned aircraft. The system would provide a more survivable, near-term covert capability to the U.S. Air Force and support our men and women in combat with intelligence and armed support. Improvements would provide higher speeds for quick response and repositioning, increased endurance, and the capability to fly into many areas of the world undetected. This project is aimed at meeting a Defense Department goal to rapidly increase the number of intelligence, surveillance, and reconnaissance unmanned aerial vehicles.

Funding in FY10 would facilitate construction and rapid acquisition of a Predator C UAV (to include hardware/software installation,

spare parts, engineering, etc.) to begin testing and evaluation by the U.S. Air Force.

Requesting Member: Congressman HOWARD P. "BUCK" MCKEON

Bill Number: H.R. 3326, the "Department of Defense Appropriations Act, 2010"

Account: Research, Development, Test, and Evaluation (RDTE), Air Force

Legal Name of Requesting Entity: Advatech Pacific

Address of Requesting Entity: 1849 N. Wabash Ave., Redlands, CA 92374

Description of Request: I requested and received a Member priority request totaling \$3,000,000 for the U.S. Air Force Advanced Vehicle Propulsion Center (AVPC) which serves as a unique, world-class center at Edwards Air Force Base allowing experts to examine current and future engineering, design, and development of propulsion systems, space vehicles, missiles, and advanced weapon concepts. The Center's efforts are estimated to save the Air Force millions of dollars in future program costs through the integration of the best engineering, design, analysis, and cost tools from government, industry, and academia.

Funding would allow the Center's engineers to incorporate recent technological advances into future Air Force space and missile systems, virtually demonstrating whether proposed designs are sound from operational, infrastructure, schedule, cost, reliability, and risk perspectives.

Requesting Member: Congressman HOWARD P. "BUCK" MCKEON

Bill Number: H.R. 3326, the "Department of Defense Appropriations Act, 2010"

Account: Research, Development, Test, and Evaluation (RDTE), Navy

Legal Name of Requesting Entity: HSAD Program Office located at the Naval Air Warfare Center

Address of Requesting Entity: 1 Administration Circle, China Lake, CA 93555-6100

Description of Request: I requested and received a Member priority request totaling \$1,900,000 for the Tactical High Speed Anti-Radiation Demonstrator (HSAD). This Air Force and Navy program was established at China Lake Naval Air Weapons Station in 2002 to demonstrate an advanced rocket propulsion system that can provide either twice the distance or half the time to target over solid propellant rocket motors. With flight testing successfully accomplished and propulsion system technology demonstrated, this funding request would allow the transition of HSAD designs into a tactical missile configuration for future use in Navy/USAF advanced weapon systems. In addition, funds would be used to develop next generation solid ramjet fuels and provide performance data to support missile performance.

Requesting Member: Congressman HOWARD P. "BUCK" MCKEON

Bill Number: H.R. 3326, the "Department of Defense Appropriations Act, 2010"

Account: Operations and Maintenance (OM), Defense Wide

Legal Name of Requesting Entity: Southern California Logistics Airport

Address of Requesting Entity: 18374 Phantom, Victorville, CA 92394

Description of Request: I requested and received a Member priority request totaling

\$1,000,000 for Upgrades to the Southern California Logistics Airport (SCLA) (the former George Air Force Base). The Office of Economic Assistance in the Department of Defense is tasked with assisting communities that are adversely impacted by defense program changes, including base closures. This project would provide funding from this office to the City of Victorville and the Southern California Logistics Airport (SCLA) to continue the growth and redevelopment of the former George Air Force Base, which was closed in 1992. This project would help SCLA better serve the logistics needs of the National Training Center (NTC) at Fort Irwin and the Marine Corps at Twenty-Nine Palms by connecting the fuel farm to the existing pipeline, installing defueling and AVGAS tanks, and connecting the fuel farm to truck loading racks located on the main tarmac.

Requesting Member: Congressman HOWARD P. "BUCK" MCKEON

Bill Number: H.R. 3326, the "Department of Defense Appropriations Act, 2010"

Account: Research, Development, Test, and Evaluation (RDTE), Defense Wide

Legal Name of Requesting Entity: Exquadrum, Inc.

Address of Requesting Entity: 12130 Rancho Road, Adelanto, CA 92301

Description of Request: I requested and received a Member priority request totaling \$2,000,000 for the Missile Defense Agency's Miniature Divert and Altitude Controls System (DACS). This project would help develop highly innovative, low-cost rocket motor technology. These motors would allow greater control of rockets and missiles in flight; a capability needed for missile defense efforts, new missile development, and space exploration applications. This technology achieves its goal by using safe, non-toxic propellants that are very high in energy allowing engineers to put more rocket propulsion capability in a smaller package.

IN RECOGNITION OF THE 100TH ANNIVERSARY OF HOPEWELL BAPTIST CHURCH

HON. MIKE ROGERS

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Monday, July 27, 2009

Mr. ROGERS of Alabama. Madam Speaker, I would like to request the House's attention today to pay recognition to a special day for the congregation of the Hopewell Baptist Church in Wellington, Alabama.

Hopewell Baptist Church was established in 1909 by Leona Gore, Jeff Turner and Mollie Turner under the direction of Reverend Milton. Through the years, the church has had a total of 22 pastors and has truly been a beacon of light for the Wellington community.

On August 1st, the church will celebrate its 100th Anniversary under the leadership of Reverend Carlos Woodward. This is an important occasion that speaks to the enduring faith of the Hopewell community, as well as its larger mission both in Wellington and in our state.

On behalf of the people's House, I would like to congratulate Hopewell Baptist Church on reaching this important milestone.
