

career, he served as the Vice Commander at the Human Systems Center and the Command Surgeon General for United States Central Command. Lieutenant General Roudebush also served as the Command Surgeon for Pacific Air Forces Command, United States Transportation Command and Air Mobility Command. His commands include the 36th Tactical Fighter Wing Hospital at Bitburg Air Base, Germany, and 89th Medical Group, Andrews Air Force Base, Maryland. Prior to his current assignment, General Roudebush was the Deputy Surgeon General at the U.S. Air Force Headquarters.

In his career, General Roudebush has been awarded the Distinguished Service Medal, Defense Superior Service Medal with one oak leaf cluster, the Legion of Merit with one oak leaf cluster, the Meritorious Service Medal with two oak leaf clusters, and the Air Force Commendation Medal. He holds a Chief Flight Surgeon rating with more than 1,100 flight hours in fourteen different aircraft including the C-5 Galaxy, F-15 Eagle and KC-135 Stratotanker.

General Roudebush has served his career with dedication and honor in the service of his country. He significantly transformed the role and impact of the Air Force Medical Service. The breadth of his enormously positive impact on the Air Force—medical readiness; pre- and post-deployment physical and mental health assessments; suicide prevention initiatives; and the successful aero-medical evacuation of tens of thousands of wounded service members from Iraq and Afghanistan—are key pillars of his contributions to government service. As the architect for the Surgeon General's Force Development Flight Path, each of the five Corps—Medical, Medical Service, Dental, Biomedical Services, and Nurse—now have a career pathway for all medical officers from lieutenant to general specific to their Corps.

Madam Speaker, I ask that my colleagues join me in commending Lieutenant General James G. Roudebush for his lifetime of dedication and self-sacrifice in the service of our great Nation.

TRIBUTE TO LAWRENCE HAHN

HON. ZACH WAMP

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 8, 2009

Mr. WAMP. Madam Speaker, today I rise to honor Lawrence A. Hahn of Oak Ridge, Tenn., as he retires as the Executive Director of the Boys and Girls Club of Oak Ridge.

For more than 55 years, Lawrence has dedicated himself to the youth of Oak Ridge and surrounding areas as Executive Director of the Boys and Girls Club. He has worked considerably more than “40 hours-a-week” and has contributed from his own finances to create a better quality of life for countless young people. He has helped change lives by providing a safe environment and great role-models that have helped many become caring, responsible and productive citizens.

He has served hundreds of thousands of youth with his service on the Tennessee Area Council as its Executive Secretary in addition to his service to the National Boys and Girls Clubs.

The local Boys and Girls Club Alumni Chapter that Lawrence established has been recog-

nized as one of the largest and most effective in the nation. He continues to lead this group, which includes past Club members now working as professionals across the region and around the nation.

He has been an inspiration to hundreds of volunteers who have served on the Club's Board of Directors as educational tutors and athletic coaches—giving them the same desire that he has to carry on the unwavering compassion and commitment to the mission of the Club.

The national headquarters of the Boys & Girls Clubs of America has given Lawrence their highest professional award and he continues to be honored at national forums.

Lawrence is without a doubt one of the most respected, honored and legendary citizens of Oak Ridge. His 55 years as the Boys and Girls Club Executive Director far exceeds the years of service than that of any other person in the history of the National Boys and Girls Clubs movement. It is with great pleasure that I honor my friend, Lawrence Hahn, for his commitment to the youth of Oak Ridge and East Tennessee.

EARMARK DECLARATION

HON. FRED UPTON

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 8, 2009

Mr. UPTON. Madam Speaker, pursuant to the Republican Leadership standards on earmarks, I am submitting the following information regarding earmarks I received as part of H.R. 3293, the Labor/HHS spending bill for Fiscal Year 2009.

Requesting Member: Congressman FRED UPTON

Benton Harbor Workforce Transformation Program

Department: Labor

Account: Employment and Training Administration—Training and Employment Services

Legal Name of Requesting Entity: Michigan Works—Benton Harbor, MI

Address of Requesting Entity: Michigan Works, 499 W. Main St., Benton Harbor, MI 49022

Description of Request: Michigan Works, a state-supported job recruitment and training organization, is starting a job-training program designed to work in tandem with the upcoming \$500 million Harbor Shores mixed-use economic development project being undertaken by Benton Harbor. The basic workforce transformation program, which would be funded by the monies requested here, includes at least three core elements: basic skills training, including workforce literacy remediation; skills training for in-demand, high-growth occupations; and transitional job services. All activities will be based on proven programs administered by workforce training professionals as part of the region's existing and ongoing workforce development activities. All programs will be designed to reduce the unemployment rate, increase the local labor participation rate, increase job readiness, place people into jobs, and increase per capita income. These funds are consistent with the mission of the Employment and Training Administration. Benton Harbor, Michigan is the poorest city in one of the most economically challenged states in Amer-

ica. The magnitude of Benton Harbor's problems is stunning—a workforce with an average 6th grade literacy level and an 80 percent high school dropout rate by young males. In Benton Harbor 42 percent of the available workers are out of the workforce, a fact exacerbated by the lack of basic skills needed to maintain employment which has only served as a barrier to attract new employers into the area

Amount: \$381,000

Financial Breakdown: The majority of this funding (around 70 percent) will go to staffing services, stipends for program participants, as well as literacy remediation services. The remainder of the funding will be provided for training scholarships, community outreach, participant assessments and support services. Michigan Works will provide supplemental funds.

Kalamazoo Community Mental Health & Substance Abuse Services Nursing Distance Learning Initiative

Department: Health

Account: Health Resources and Services Administration—Health Facilities and Services
Legal Name of Requesting Entity: Kalamazoo Community Mental Health & Substance Abuse Services

Address of Requesting Entity: 3299 Gull Rd., Kalamazoo, MI 49048

Description of Request: The Kalamazoo Community Mental Health and Substance Abuse Services agency will partner with Wayne State University's School of Nursing, the only nursing school in Michigan offering an Advanced Psychiatric and Community Public Health Nurse Practitioner degree program, to bring the opportunity through the use of distance learning technology for nurses in Kalamazoo and surrounding communities to participate in this three-year program right in their home communities, rather than have to travel all the way across the State to Detroit. The plan would provide scholarships to local nurses who wish to participate in exchange for a commitment to remain in and serve their Southwest Michigan communities. Southwest Michigan is a medically underserved area, with a shortage of nurses, and a particularly acute shortage of nurses with advanced training to meet community mental health needs. The Kalamazoo Community Mental Health and Substance Abuse Services Nursing Distance Learning proposal promises to be an innovative and successful way to address this pressing need.

Amount: \$100,000

Financial Breakdown: The majority of funding for this project (around 60%) will go to nursing faculty, with supplemental funding going to polycom and video conferencing equipment, as well as scholarships for nursing students.

Kalamazoo Valley Community College Wind Technician Academy

Department: Education

Account: Fund for the Improvement of Post Secondary Education

Legal Name of Requesting Entity: Kalamazoo Valley Community College

Address of Requesting Entity: 6767 West O Avenue, Kalamazoo, MI 49003

KVCC Wind Energy Center will launch a Wind Turbine Technician Academy in the fall of 2009. The competency based program will provide graduates with multi craft credentials which are highly sought after by the wind power industry for the construction, operation
