

life of the ISU campus. They do so thanks to the quality of their art works and artifacts. Just as importantly, they do so by inviting the community to participate in special conferences, lectures, panel discussions, gallery walks, and gallery talks. University Museums has reinvented the idea of the museum as an educational and intellectual center, reaching out beyond the campus to the wider Ames community, including K-12 schools, with a wide range of cultural programs and activities.

Accreditation by the American Association of Museums does not come easily. It involves a rigorous process in which a museum demonstrates its commitment to the highest professional standards, public service, and excellence in education. University Museums at Iowa State University now joins an elite group of 778 AAM-accredited institutions spanning the United States.

I congratulate University Museums for this hard-earned recognition. And I salute all the outstanding museum professionals and volunteers whose vision and tireless efforts have contributed so much to the campus and to the entire Ames community.●

#### RECOGNIZING THE UNIVERSITY OF NORTHERN IOWA MUSEUMS AND COLLECTIONS

● Mr. HARKIN. Mr. President, I would like to congratulate the University of Northern Iowa Museums and Collections for being selected to participate in the rigorous Museum Assessment Program sponsored by the American Association of Museums.

I know that the university and the entire Cedar Falls community take great pride in the University Museum, the Marshall Center School, and the various collections that they encompass. The University Museum's collections and temporary exhibits focus on the natural world and traditional cultures. The Marshall Center School is a restored one-room schoolhouse, with a permanent exhibit celebrating Iowa's rural schools.

These museums and collections make a powerful contribution to the cultural life of the UNI campus. They do so thanks to the quality of their exhibits and artifacts. Just as importantly, they do so by inviting the community to participate in special conferences, lectures, panel discussions, and other activities. The university views its museums not as static institutions but as active educational and intellectual centers, reaching out beyond the campus to the wider Cedar Falls community, including K-12 schools.

The UNI Museums and Collections have been accredited by the American Association of Museums since 1975—an honor that is bestowed on fewer than 10 percent of museums in the United States. As this institution now begins participation in the Museum Assessment Program, it looks forward to an

extended period of self-examination and peer review designed to improve its operations and programming, and to identify current and future challenges.

I congratulate the UNI Museums and Collections for taking this important step forward in its development as an institution. And I salute all the outstanding professionals and volunteers whose vision and tireless efforts have contributed so much to the campus and to the entire Cedar Falls community.●
