STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. UDALL, of New Mexico (for himself and Mr. BOND):

S. 2760. A bill to amend title 38, United States Code, to provide for an increase in the annual amount authorized to be appropriated to the Secretary of Veterans Affairs to carry out comprehensive service programs for homeless veterans; to the Committee on Veterans' Affairs.

Mr. UDALL of New Mexico. Mr. President, tomorrow we will observe Veterans Day, a day to honor the millions of men and women who put on the uniform to defend our Nation. In communities across the Nation, we will gather to thank all veterans for their service, for their having risked their lives so that the rest of us could enjoy freedom.

I rise to offer legislation that is meant to honor veterans who are too often forgotten. Tonight, on the eve of the day meant to highlight their heroism, more than 130,000 veterans will be homeless, left without a home and without a warm meal. For many, they are on the streets with their families—husbands and wives and children left without any safety net. Perhaps they recently lost their job. Perhaps they recently lost their home to foreclosure. Why they are on the streets matters less than why we have left them on their own.

When coming into office, President Obama set a goal of ending homelessness among veterans within 5 years. This is a goal that I strongly support. VA Secretary Shinseki, himself a decorated veteran, has aggressively taken on this challenge, focusing efforts and funding toward eradicating homelessness.

Last Friday, I rose on this floor to increase funding for the homelessness and grant per diem program to the fully authorized amount of \$150 million. This vital program has produced real results, offering transitional housing to veterans and their families and allowing organizations to construct and renovate facilities that can provide a multitude of services. I am hopeful that we will see this amendment pass and this level of funding included in the final bill.

However, if we are going to reach the President's goal of ending veterans' homelessness in five years, more will be needed. For that reason, I am joined today by Senator Bond in introducing S. 2760, legislation to increase the authorization of the grant and per diem program to \$200 million. This increased funding can provide hundreds, perhaps thousands, of new beds and facilities for veterans in all 50 States.

Congressman HARRY TEAGUE introduced similar legislation earlier this year in the House where it has been marked up in subcommittee and is awaiting further action. I am hopeful that we will see Congress stand up to this moral obligation and provide the full resources needed for the thousands

of veterans who have no home, who have no hope.

Last week, as I offered my amendment, I read a letter from a 15-year-old Boy Scout from Albuquerque. His father and grandfather are veterans and he is planning to follow in their footsteps and join the military himself when he is old enough. This young man wrote to say how angry he is that we are not doing enough to help our homeless veterans. "These men and women are doing what they were called to do by our government," he wrote, "but then they come back and are treated so poorly by everyone. We, as a Nation, need to do more to help our veterans."

To the smart young man who wrote me that letter and to all of America's veterans, this bill builds on efforts to meet our country's moral obligations to the men and women who so bravely served our country. I thank Senator BOND for his support and I urge fast action to move this legislation forward.

By Mr. UDALL of Colorado (for himself and Mr. BENNET):

S. 2762. A bill to designate certain lands in San Miguel, Ouray, and San Juan Counties, Colorado, as wilderness, and for other purposes; to the Committee on Energy and Natural Resources.

Mr. UDALL of Colorado. Mr. President, today I am introducing the San Juan Mountains Wilderness Act of 2009. This bill is the Senate companion to the bill introduced by Representative JOHN SALAZAR in the House of Representatives.

I want to thank Representative SALAZAR for all of his great work in bringing this bill forward. I am proud to sponsor this legislation in the Senate along with my Colorado colleague, Senator BENNET.

The San Juan Mountains Wilderness Act would designate about 33,383 acres in southwestern Colorado as wilderness, and about 21,697 acres as a special management area. It would also withdraw about 6,596 acres from mineral entry lands within the Naturita Canyon.

The bill is the result of the extensive work by many people to develop a collaborative approach to wilderness proposals and land protection designations. Representative SALAZAR and his staff worked with the affected Colorado county commissioners and interested stakeholders in developing this legislation. It is crafted to take into account the various ongoing uses of these lands, such as for water and recreation, while also providing strong managerial protection for these sensitive lands.

These lands are indeed worthy of this designation.

This region of Colorado is blessed with stunning beauty. Much of the land proposed for wilderness and other protections in this legislation are additions to existing wilderness. Those areas include the Mt. Sneffels Wilderness Area and the Lizard Head Wilderness—two areas that contain fourteen thousand foot peaks. They are defined
