RECOGNITION OF THE GERMAN VILLAGE SOCIETY ON ITS 50TH ANNIVERSARY

**HON. MARY JO KILROY**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 2, 2010*

Ms. KILROY. Madam Speaker, I rise today to honor the German Village Society for fifty years of dedication to preserving the unique, historical charm of the German Village community. German Village is one of the pre-eminent historic districts in the United States and is the first neighborhood in Ohio recognized by the White House as a "Preserve America Community."

Fifty years ago, community organizer Frank Fetch worried that the historical neighborhood south of downtown Columbus was deteriorating rapidly. He held a meeting to discuss ways to revive the neighborhood. This initial meeting led to the formation of the German Village Society, a group of devoted, preservation-minded residents intent on saving and restoring their neighborhood's historic charm.

Under the guidance of its charter members and with the dedication of local volunteers, German Village's historical preservation continues to this day. Residents donate more than 10,000 hours of their time annually to the community. Due to their passion and dedication to German Village, the entire 233-acre neighborhood is now on the U.S. Department of the Interior's Nation Register of Historic Places.

The German Village Society continues to enhance its reputation as one of central Ohio's best communities in which to live and work. The Haus Und Garten Tour event is recognized on the American Bus Association's "100 Best Events" list. The Society also hosts many free programs including Shakespeare in the Park, a summer series of Shakespeare's plays performed outdoors, and a weekly farmer's market. German Village is also home to the 23-acre Schiller Park, an anchor to the neighborhood for over 140 years, and numerous independent restaurants and businesses.

With the continued support of local residents, the German Village Society continues to enrich their neighborhood and promote "living" history. On January 10, 2010, the German Village Society celebrated its 50th anniversary. I am proud to recognize and honor

the German Village Society and all of its dedicated volunteers for five decades of meaningful work to strengthen and preserve the thriving historical neighborhood of German Village.

HONORING DR. FRANKLIN ODO

**HON. MICHAEL M. HONDA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 2, 2010*

Mr. HONDA. Madam Speaker, I rise today to honor Dr. Franklin Odo for his 12 years of service as Director of the Smithsonian Asian Pacific American Program. The Asian Pacific American Program assists the Smithsonian's 19 museums and research centers with the collection of Asian Pacific Americans' artifacts, programs, research, and outreach. The program gives Asian Pacific American communities across the Nation access to the Smithsonian.

In addition to being the founding director of the Asian Pacific American Program at the Smithsonian Institution, Dr. Odo was the first and only Asian Pacific American curator at the National Museum of American History. Dr. Odo has dedicated his life to documenting, preserving, and presenting the histories of Asian Americans and Pacific Islanders. He has written numerous critically acclaimed books on the Asian American experience, taught at prestigious universities across the Nation, and brought to the Smithsonian cutting edge exhibits on Chinese Americans, Native Hawaiians, Korean Americans, Filipino Americans, and Japanese Americans.

As an educator myself, I understand and respect Dr. Odo's work. Whether as a professor or a curator, Dr. Odo has made teaching his priority. Through his work and vision, Dr. Odo has managed to engage thousands of people in the history, culture, and important contributions of Asian Pacific Americans. He is able to translate scholarly work into publicly accessible formats. Dr. Odo has helped many of us tell our story and ensure that these important lessons continue to pass on from generation to generation.

Franklin Odo has been an activist and academic, and will continue to be a leader in our community. We hold a debt of gratitude to Dr. Odo for his incredible contributions.

STRATEGIC DESIGNATION OF THE PORT OF PORT ARTHUR

**HON. TED POE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 2, 2010*

Mr. POE of Texas. Madam Speaker, today the Second District of Texas is proud to honor the Port of Port Arthur for their designation as a Strategic Seaport by the Department of the Army's Military Surface and Distribution Command. They join the nearby Port of Beaumont and the Port of Corpus Christi as the only Strategic Seaports on the Gulf Coast.

The Port of Beaumont is U.S.'s busiest shipper of military cargo, being home of the 842nd Transportation Battalion. The Port of Port Arthur has handled their overflow since November 2007, totaling 9 ships. Now after this

honor, Port Arthur can continue to work on overflow while also receiving shipments directly.

The convenient connection between these two ports allow for the ability to quickly and efficiently mobilize and deploy military forces as well as equipment and supplies. The Sabine-Neches Ship Channel is the only one in the Nation with two Strategic Ports, making it the most vital military shipping portal in the U.S.

This designation for the Port of Port Arthur is shared with only a small percentage of U.S. seaports. Port Arthur beat out 11 other Gulf Coast ports, including ones in Houston and New Orleans, for the decoration. The Port of Port Arthur hopes to add jobs for those associated with the shipping industry, which would be an outstanding benefit for all of Southeast Texas.

The Port of Port Arthur has worked since 2000 to upgrade their facilities to meet the military's qualifications. They have worked hard to strengthen the port's ability to serve more customers and there's no more important customer than our nation's military.

The Second Congressional District of Texas commends the Port of Port Arthur and their employees for their hard work and dedication to make this designation possible. Port Arthur can now stand shoulder to shoulder with the finest ports in the world.

NATIONAL EATING DISORDERS AWARENESS WEEK

**HON. DEBBIE WASSERMAN SCHULTZ**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 2, 2010*

Ms. WASSERMAN SCHULTZ. Madam Speaker, this week we observe National Eating Disorders Awareness Week; an opportunity for all Americans to educate themselves about unhealthy eating habits and arm themselves with the tools they need to stay healthy.

Unfortunately, in today's society, girls are especially prone to eating disorders. One organization in particular that has done a great deal of research on eating habits and how they relate to girls' body image and self esteem is the Girl Scouts of the USA, through their Research Institute.

For the past decade, the Girl Scouts Research Institute has been a crucial center for research and public policy information on the healthy development of girls. Their most recent survey, Girls and Body Image, indicates that now, more than ever, young girls struggle with their body image and have unrealistic standards of beauty.

Specifically, the survey found that body dissatisfaction leads to unhealthy eating and dieting habits. More than half of girls (55 percent) admit they diet to lose weight, 42 percent of girls know someone their age who forced themselves to throw up after eating, 37 percent know someone who has been diagnosed with an eating disorder, and 31 percent admit to starving themselves or refusing to eat as a strategy to lose weight. Findings from the survey show girls feel pressure from mainstream media to have an ideal body type.

I am committed to working with Girl Scouts to advocate for media messaging to be more "girl-positive." This will lead to the healthy development of girls in terms of self-esteem and
