HONORING TERRY LINDSEY

(Mr. GINGREY of Georgia asked and was given permission to address the House for 1 minute.)

Mr. GINGREY of Georgia. Mr. Speaker, I would like to take a moment to honor a very distinguished individual from the 11th District of Georgia, Mr. Terry Lindsey.

Terry is not only a dear friend but a very renowned member of the Polk County community. Terry is retiring this March after 31 years of employment with Engineered Fabrics in Rockmart, Georgia. Engineered Fabrics manufactures fuel bladders for many platforms, such as the Blackhawk helicopter and the Abrams tank.

Terry's hard work with the company has ultimately helped to ensure the safety of our pilots and of our soldiers who are in harm's way.

Terry started with Engineered Fabrics in 1979 as the manager of Contract Management, and 10 years later, he was made vice president of Business Development. He is an integral part of Engineered Fabrics' success, and I know he will be deeply missed by the company.

Terry is also a very active volunteer in the Polk County community, serving on the Rotary, and he has been a board member of the Chamber of Commerce for many, many years. He is very committed to the youth leadership committee, often speaking to their graduation classes.

Terry is married to his college sweetheart, Jean, is a wonderful father of two, and is a grandfather of four.

Mr. Speaker, I am very proud to call Terry a friend. I want to congratulate him on his retirement, and I want to thank him for his hard work on behalf of our community and the military.

OHIO AIR NATIONAL GUARD TO HAITI

(Mr. BOCCIERI asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BOCCIERI. Mr. Speaker, today, I rise in recognition of the Ohio Air National Guard, recently dispatched to Haiti to participate in the relief efforts after the devastating earthquake there.

The 179th Airlift Wing of the National Guard was among the first units to land in Haiti, ready to improve communication at the Port-au-Prince airport and to dispatch search and rescue crews, knowing full well of the conditions awaiting them.

As a former member and pilot of the 179th Airlift Wing, I flew on various missions with them around the globe, and I know of their dedication.

The conditions in Haiti are, indeed, horrific, and I pray for those who have perished and for the loved ones they have left behind. I am proud that my home State of Ohio symbolizes what so many in the U.S. Armed Forces already know: No matter where devastation occurs, there are courageous and selfless young men and women across our Nation who are willing to respond to the call of duty.

To the members of the 179th Airlift Wing of the Ohio Air National Guard, each of you are heroes today, and I commend you for rising to the call of duty in this desperate time of need. Thank you for your service to our country.

HONORING THE LIFE OF HOYT C. WOODS

(Mr. ROONEY asked and was given permission to address the House for 1 minute.)

Mr. ROONEY. Mr. Speaker, I rise today to honor the life of Hoyt C. Woods, who passed away at his home in Port St. Lucie, Florida, this month. Woody, as he was known, was a veteran of the Vietnam War, and before moving to Florida nearly 30 years ago, he served as a police officer in Longmeadow, Massachusetts.

Serving fellow veterans was one of Woody's lifelong passions. For more than 15 years, he served as chairman of the Martin County Veterans Council, and he was also active in AMVETS, the American Legion, the VFW, and the Elks. He also co-established and was a charter member of the Vietnam Veterans of America, Chapter 127, in Martin County.

Woody was particularly proud of his integral role in creating the Honor Flight Program. This program honors America's veterans and their sacrifices by raising money to fly them to the Nation's capital so they can visit and reflect at their memorials.

Hoyt Woods leaves behind his wife of 25 years, Joyce; their sons, Micki and Shawn; two daughters, Wendi and Angela; and a Nation forever grateful for his distinguished service.

On behalf of the people of the 16th District of Florida, Godspeed, Mr. Woods.

RECOGNIZING WOMEN'S HISTORY MONTH

(Mr. PAULSEN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAULSEN. Mr. Speaker, I rise tonight to call attention to the month of March as being National Women's History Month. I am happy to stand here today, not only as a proud husband but also as a proud father of four daughters.
