The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

□ 1100

OCEAN, COASTAL, AND WATERSHED EDUCATION ACT

Mrs. CAPPS. Madam Speaker, pursuant to H. Res. 1192, I call up the bill (H.R. 3644) to direct the National Oceanic and Atmospheric Administration to establish education and watershed programs which advance environmental literacy, including preparedness and adaptability for the likely impacts of climate change in coastal watershed regions, as amended, and ask for its immediate consideration in the House.

The Clerk read the title of the bill. The SPEAKER pro tempore (Ms. EDWARDS of Maryland). Pursuant to House Resolution 1192, the bill is considered read.

The amendment in the nature of a substitute printed in the bill is adopted.

The text of the bill, as amended, is as follows:

H.R. 3644

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Ocean, Coastal, and Watershed Education Act".

SEC. 2. FINDINGS AND PURPOSE.

(a) FINDINGS.—*The Congress finds the following:*

(1) *The United States faces major challenges, such as mitigating and adapting to the impacts of climate change, stewarding critical coastal and marine resources including fish and wildlife habitat while sustaining the commercial and recreational activities that depend on these resources, and improving resilience to natural disasters, that collectively threaten human health, economic development, environmental quality, and national security.*

(2) *Communities in coastal watersheds are particularly vulnerable to these increasingly urgent, interconnected, and complex challenges and need support for teacher professional development and experiential learning among students of all ages.*

(3) *These challenges can be met with the help of comprehensive programs specifically targeted to engage coastal watershed communities, schoolchildren, and the general public to develop engaged and environmentally literate citizens who are better able to understand complex environmental issues, assess risk, evaluate proposed plans, and understand how individual decisions affect the environment at local, regional, national, and global scales.*

(4) *The intrinsic social and conservation values of wildlife-dependent and other outdoor recreation can play an important role in outdoor educational programs that address the myriad of coastal and ocean concerns, as well as instill a sustainable conservation ethic that will enable them to face those challenges to the betterment of both the environment and coastal communities.*

(b) PURPOSE.—*The purpose of this Act is to advance environmental literacy, develop public awareness and appreciation of the economic, social, recreational, and environmental benefits of coastal watersheds, and emphasize stewardship of critical coastal and marine resources, including an understanding of how climate change is impacting those resources, through the establishment of—*

(1) *an Environmental Literacy Grant Program; and*

(2) *regional programs under the B-WET Program.*

SEC. 3. DEFINITIONS.

In this Act:

(1) ADMINISTRATOR.—*The term "Administrator" means the Administrator of the National Oceanic and Atmospheric Administration.*

(2) BAY-WATERSHED EDUCATION.—*The term "bay-watershed education" means environmental education focused on watersheds, with an emphasis on stewardship of critical coastal and marine resources, including an understanding of how climate change is impacting those resources.*

(3) B-WET PROGRAM.—*The term "B-WET Program" means the Bay-Watershed Education and Training Program of the National Oceanic and Atmospheric Administration, as in effect immediately before the enactment of this Act and modified under this Act or any subsequently enacted Act.*

(4) ELIGIBLE ENTITY.—*The term "eligible entity" means a State agency, local agency, school district, institution of higher education, or for-profit or non-profit nongovernmental organization, consortium, or other entity that the Administrator finds has demonstrated expertise and experience in the development of the institutional, intellectual, or policy resources to help*
