

the budget window. So again, that's a gimmick. Also there are costs which are not included by the CBO because they would not be subject to future appropriations. They are not mandatory spending. So that's why the CBO didn't include the following:

There is \$10 billion to hire about 16,000 new IRS agents to enforce the individual mandate on every American. So CBO did not include this in the scoring because it would be subject to future appropriations and not mandatory spending. So CBO didn't even include that. And what about the number of employees who are going to be hired by Health and Human Services to operate this bill? That's not in here. There is \$55 billion for new bureaucrats to run this government expansion into health care, none of that is included by CBO. So Mr. President, you should realize that if you sign this bill, you're signing a bill that is going to create deficits. The savings we will see are not there. We are continuing to put this country in hock to China and deficits for the foreseeable future.

#### AFTER RECESS

The recess having expired, the House was called to order by the Speaker pro tempore (Ms. MARKEY of Colorado) at noon.

#### PRAYER

The Chaplain, the Reverend Daniel P. Coughlin, offered the following prayer:

Lord God, who orders the heavens and guides the affairs of humanity on Earth, be with the Members of this, the 111th Congress of the United States of America. Make known Your will for the common good of the Nation and reveal Your presence in the midst of our activity. By Your spirit, renew in all those who have sworn to uphold and defend the Constitution the original enthusiasm, high ideals, positive attitudes, and desire to make a difference that brought them to serve here.

Banish all indifference and quicken every response in them to the needs of Your people and to the challenges of the time. Proud to serve, raise them with renewed hope and deepened faith to manifest the strength of character,

the integrity, and nobility this institution deserves.

May Your Divine Providence lead them to represent and reflect the genuine good and greatness of the American people by their prayer, honest search for truth, unified action, and great deeds. So may the people of this Nation grow in patriotism and give You the glory—now and forever.

Amen.

#### THE JOURNAL

The SPEAKER pro tempore. The Chair has examined the Journal of the last day's proceedings and announces to the House her approval thereof.

Pursuant to clause 1, rule I, the Journal stands approved.

#### PLEDGE OF ALLEGIANCE

The SPEAKER pro tempore. Will the gentleman from Pennsylvania (Mr. PITTS) come forward and lead the House in the Pledge of Allegiance.

Mr. PITTS led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

#### REPEAL HEALTH CARE BILL WITH REAL REFORM

(Mr. PITTS asked and was given permission to address the House for 1 minute.)

Mr. PITTS. Madam Speaker, today, the liberal editors of the Washington Post state in their lead editorial that the current trajectory of entitlement spending will bankrupt the country. On the facing page, conservative commentator George Will calls America's entitlement programs a Ponzi scheme and "a teetering tower of unkeepable promises." Indeed, this is the true crisis in American health care.

We have already made over \$100 trillion in entitlement promises we can't keep. But what Congress has just done is not reform. It does not bend the cost curve. It does not reform entitlements. It just makes more promises that can't be kept. ObamaCare pours gasoline on the fire of our entitlement crisis.

This Congress has squandered an opportunity to save and strengthen America's safety net. When they should have put on the brakes, they put their foot on the accelerator. We need to repeal this terrible bill and replace it in a bipartisan way with real reform.

#### THE RUSSIANS ARE COMING, THE RUSSIANS ARE COMING

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Madam Speaker, there's a new push to drill for oil in the Gulf of Mexico. The "Drill Here, Drill

Now" slogan is finally sinking in. But the new rigs won't be flying American flags. They'll be Russian rigs drilling for oil in the Gulf of Mexico—right there off our own shores.

The Russians and the Cubans are now in cahoots to drill for oil we should be obtaining. Then they'll probably sell it back to us at an increased price. We don't drill off our own coast, so we have to import more crude oil. And it gets worse every year. It's costing Americans millions. Plus, Americans won't be getting those high-dollar rig jobs.

We have our own natural resources, but refuse to explore them because of the elitists. We're a decade or more away from green technology—when we all will be driving those itty-bitty toy cars that you can buy by the six-pack. But the anti-American energy elites dominate Congress and the White House. Unfortunately, they'll let us freeze in the dark before they will allow offshore drilling.

And that's just the way it is.

#### AMERICA STANDS WITH ISRAEL

(Mr. PENCE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PENCE. Today, I had the privilege of welcoming the Prime Minister of Israel, Benjamin Netanyahu, for his second visit to the United States Capitol. The American people consider Israel our most cherished ally and we her closest friend and guardian. As we met, Israel lives under the shadow of a threatening neighbor seeking nuclear weapons but, remarkably, this administration seems intent on focusing on a controversy over construction in undisputed areas of Jerusalem instead of the threat of a nuclear Iran. As I just told the Prime Minister, I never thought I'd live to see the day that an American administration would denounce the State of Israel for rebuilding Jerusalem. If the world knows nothing else, let it know this: America stands with Israel.

As the President meets with Prime Minister Netanyahu today, I urge the President to stop all this talk about settlements in Jerusalem and start focusing on isolating a threatening and menacing and rising nuclear Iran. The American people and the American Congress in both parties support the State of Israel.

#### LET'S GET BALANCE BACK IN THE COUNTRY

(Mr. GOHMERT asked and was given permission to address the House for 1 minute.)

Mr. GOHMERT. Madam Speaker, dramatic times require dramatic actions. There's a part of the Constitution that hasn't been used since its inception: Article V, the part that says that "on the application of the legislatures of
