#### RECOGNIZING AND HONORING THE BLINDED VETERANS ASSOCIATION

Mr. KAUFMAN. Mr. President, I ask unanimous consent the Senate proceed to the immediate consideration of H.J. Res. 80, which was received from the House and is at the desk.

The PRESIDING OFFICER. The clerk will report the joint resolution by title.

The assistant legislative clerk read as follows:

A joint resolution (H.J. Res. 80) recognizing and honoring the Blinded Veterans Association on its 65th anniversary of representing blinded veterans and their families.

There being no objection, the Senate proceeded to consider the joint resolution.

Mr. AKAKA. Mr. President, today I ask our colleagues to support a joint resolution honoring and recognizing the Blinded Veterans Association for its 65 years of dedication to blinded veterans, and their families.

On March 28, 1945, during the closing stages of World War II, a group of nearly 100 blinded veterans were recuperating at the Old Farms Army Convalescent Hospital near Avon, Connecticut. These men discussed the challenges they had faced and those they were yet to experience, and decided to form an organization with the express purpose of helping other fellow blinded veterans. It was on that day that the Blinded Veterans Association was born.

The war-blinded population is one with unique needs and as such, requires specialized care and support. BVA has filled an essential role, serving as an ardent advocate and engaging in outreach efforts, to ensure these men and women regain independence and confidence, and experience a smooth transition into civilian life.

After 65 years of service, BVA continues to actively contribute to the betterment of blinded veterans’ lives. BVA conducts two programs that help to reintegrate newly blinded veterans of our current wars back into their communities. The Field Service Program strategically places legally blind veteran representatives in different geographical areas, to ensure newly blinded veterans are aware of what health care services they qualify for, and are equipped with the necessary skills and tools to deal with life after sight loss. Operation Peer Support links returning blinded OEF/OIF veterans with blinded veterans of previous wars who faced similar challenges, thereby providing role models and necessary support. BVA further supports

this important community by offering academic scholarships each year to a limited number of blinded veteran dependents.

Blinded veterans have sacrificed much for this nation and deserve the best care and support. As their voice, BVA has helped Congress ensure we are doing everything within our reach to assist these brave men and women as they adapt to a new life after service.

Mr. President, I urge passage of this joint resolution honoring BVA on its 65th anniversary of advocacy on behalf of blinded veterans, on March 28, 2010.

Mr. KAUFMAN. I ask unanimous consent the joint resolution be read three times and passed, the preamble be agreed to, the motions to reconsider be laid upon the table, with no intervening action or debate, and any statements be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The joint resolution (H.J. Res. 80) was ordered to a third reading, was read the third time, and passed.

The preamble was agreed to.
