

Meeting the needs of our community has been and continues to be, the Boys and Girls Clubs' highest priority. Clubs provide young people that do not have adult care or supervision at home with people that care about them. Our local organizations have programs and services that promote and enhance the development of boys and girls by instilling a sense of competence, usefulness, belonging and influence.

Boys and Girls Clubs enable all young people, especially those in the most need, to reach their full potential as productive, caring and responsible citizens. We are very fortunate for the guidance that these individuals give to the future leaders of our community. The work that these volunteers do can never be underestimated.

The Boys and Girls Clubs believe, as do I, that volunteers make a powerful difference in the community. Their service, advocacy, leadership and mentoring have touched countless lives throughout our Valley. I ask my colleagues to join me in recognizing this wonderful group of men and women as the Boys and Girls Clubs of Fresno County celebrate their 60th Anniversary of "Hope and Opportunity."

HONORING THE LIFE AND LEGACY OF DR. MARGARET WADE-LEWIS

HON. MAURICE D. HINCHEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 15, 2010

Mr. HINCHEY. Madam Speaker, I rise today to honor the life and legacy of Dr. Margaret Wade-Lewis whose remarkable contributions to African American equality in the United States should be noted for the record.

In 1974, she joined the Black Studies Department at State University of New York at New Paltz where she worked to enrich the lives of thousands of students until her death late last December. The passing of Dr. Wade-Lewis is a major loss for the department, the college and the New Paltz community. Her contributions to our state's education system and history can be traced through her life achievements.

Dr. Wade-Lewis was born in Haskell, Oklahoma and remained in Oklahoma for her childhood and collegiate years. She attended Langston University, where she obtained a bachelors and masters degree in English. She later attended New York University and, from there, was the first African American woman to graduate with a Ph.D. in Linguistics.

During her tenure at SUNY New Paltz, Dr. Wade-Lewis' commitment to her students was unparalleled. She was involved in a variety of organizations, including the African Women's Alliance, The New Day Theatre Ensemble, and the New Paltz Voices of Unity Gospel Choir. She was also an advocate for student scholarships, which resulted in hundreds of students receiving financial support to attend and graduate from SUNY New Paltz.

Some of the most prized achievements of Dr. Wade-Lewis include being the longest serving Chairperson of the Department of Black Studies, which under her leadership obtained national recognition. Additionally, she administered the Affirmative Action Program, and held the lead position on the Scholar's Mentorship Program, which provided mentoring and networking opportunities for high achieving students of color and interested students of all ethnic groups. The program succeeded in promoting an increase in performance levels and retention rates for students of color at New Paltz.

Dr. Wade-Lewis was a friend and mentor to many in the community of New Paltz. She was

a pioneer who incorporated Black Studies into many aspects of the University's curriculum. Her programs drew nationwide acclaim and attention to inequalities in education. I would like to recognize all of Dr. Wade-Lewis' achievements throughout her life and take this opportunity to express my belief that her memory and achievements will live on for many years to come.

TAXPAYER ASSISTANCE ACT OF 2010

SPEECH OF

HON. CHRIS VAN HOLLEN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 14, 2010

Mr. VAN HOLLEN. Mr. Speaker, I rise in support of the Taxpayer Assistance Act of 2010 and the common sense, bipartisan reform it represents.

Consistent with its oversight responsibilities, the Ways and Means Committee routinely reviews the tax code with an eye towards updating antiquated provisions and making it more taxpayer-friendly. Towards that end, today's legislation modernizes the rules governing employer-provided cell phone use to eliminate nuisance paperwork. It requires the IRS to pay interest on refunds related to individual tax returns that are filed electronically if the refund is not paid within thirty days. And it provides taxpayers with better notification on issues ranging from the Earned Income Tax Credit to identity theft.

Since the April 15 tax deadline is tomorrow, I would be remiss if I did not point out that the improvements made by today's legislation come on the heels of one of the largest middle class tax cuts in American history. Under the Recovery Act's Make Work Pay credit, over 95 percent of Americans got tax relief at a time when families and our economy needed it most. As a result, recent economic data clearly show we are transitioning from recession to
