EXPRESSING SYMPATHY TO THE
PEOPLE OF POLAND

SPEECH OF

HON. JOHN B. LARSON

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 14, 2010

Mr. LARSON of Connecticut. Madam Speaker, it is with profound sorrow that I rise today in support of House Resolution 1246, which expresses sympathy to the people of Poland in the aftermath of the tragic events of April 10th.

On behalf of the people of Connecticut, I join the citizens of Poland and the millions of individuals of Polish descent residing around the world in mourning the death of President Lech Kaczynski, First Lady Maria Kaczynski and the other 94 passengers involved in the tragic plane crash on April 10, 2010.

The death of Lech Kaczynski is a loss not only for the people of Poland but for the international community as a whole. President Kaczynski was a public servant in the highest sense. From his days as an anti-communist activist in the 1970's to his stint as the mayor of Warsaw, he brought with him a desire for change and improvement. During his time as president, Lech Kaczynski worked closely with the Russians to mend wounds from the Katyn tragedy, and on December 21, 2008 he took a historic step toward restoring relations between the government of Poland and its Jewish community when he became the first Polish head of state to attend religious services at a synagogue in Poland.

Under President Kaczynski, the bond between Poland and the United States grew. President Kaczynski was a strong supporter of American stability measures, such as missile defense systems, in the region. In losing President Kaczynski, America loses a great ally.

Once again, I would like to extend my sincerest condolences to the people of Poland and the millions of citizens of Polish descent residing around the world for this terrible loss.
