THE CONGRESSIONAL YOUTH ADVISORY COUNCIL: A LEGACY OF SERVICE

HON. SAM JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 28, 2010

Mr. SAM JOHNSON of Texas. Madam Speaker, I ask my fellow colleagues to join me in congratulating the 2009–2010 Congressional Youth Advisory Council. This year 45 students from public, private, and home schools in grades 9 through 12 made their voices heard and made a difference in their communities, their country and their Congress. These students volunteered their time, effort, and talent to inform me about the important issues facing their generation. As young leaders within their communities and their schools, these students boldly represent the promise and the hope we all have for their very bright future.

President Ronald Reagan said, “Freedom is never more than one generation away from extinction. We didn’t pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children’s children what it was once like in the United States where men were free.”

To ensure that the blessing of freedom is passed from one generation to the next, the members of the CYAC spent time interviewing a veteran and documenting the experience for the “Preserving History Project.” Today I’m proud to submit the brief summaries provided so the patriotic service of our dedicated veterans and the thoughtful work of the CYAC may be preserved for antiquity in the CONGRESSIONAL RECORD. A copy of each submitted student summary follows.

To each member of the Congressional Youth Advisory Council, thank you for making this year and this group a success. It is not a coincidence that this congressional tribute celebrates two generations of service. Each of

you is trusted with the precious gift of freedom.

You are the voices of the future and I salute you. God bless you and God bless America.

The summary follows:

I interviewed my grandfather, Ted Falconer, who served for four years, 1948 to 1952, in the Navy as an electrician. He enlisted in September 1948 as a Seaman Recruit. Initially planning on three years of service, the Korean War caused him to serve for four years instead. After basic training he went to Treasure Island for the Navy electrician school. Then he was stationed at the Naval Communication Station on Guam. During this time was when the Korean War broke out and caused him to see a shift in life on Guam. There was more movement of soldiers and material; and he participated in training exercises to practice loading Marines onto naval vessels and practice landings in preparation, for the Incheon Landing. After months of exercises he was shipped back to Hunter’s Point in San Francisco to re-commission an old World War II troop transport for active service in the Korean War. After six months his commission ended and he was honorably discharged from the Navy in September 1952 as a 2nd Class Petty Officer. He then went to Texas with his best friend Wayne, who he met in the Navy, and they both attended college at the University of Texas at Austin. There he earned his Bachelor’s and Master’s Degree. During this time he also met and married Alice Wilkinson, my grandmother, who both have been happily married for fifty-three years.—Eric Womboldt.

IN HONOR AND RECOGNITION OF DOROTHY ANN MUELLER

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 28, 2010

Mr. KUCINICH. Madam Speaker, I rise today in honor and recognition of Dorothy Ann Mueller upon the joyous occasion of her 80th birthday on April 4th, 2010.

Mrs. Mueller grew up in the Tremont neighborhood, in a lively household surrounded by three siblings and her parents, Ann and Joe Kmetz. Her family’s heritage includes Slovak, Hungarian, Russian and Polish. As a young girl, Mrs. Mueller and her family moved from Tremont to the Stockyard neighborhood, where she enjoyed skating, dancing and going to the movies. She graduated from West Tech High School, and soon thereafter met and married the love of her life, United States Navy Veteran, Frank Mueller. Together they raised their children and created a home filled with love, respect, faith and compassion. Mrs. Mueller successfully raised her family while working many different jobs, including office manager, salesperson, nanny and many others.

Mrs. Mueller’s love of life continues to reflect to this day. Her kindness, quick smile, compassionate heart and sense of humor have made her beloved. She enjoys pinocle, travel, and bocce. Mrs. Mueller’s life is highlighted by her abiding faith and sense of service to others. She is a lifelong volunteer at Corpus Christie Church and St. Leo the Great Church. She even moved to Pittsburgh, Pennsylvania when she learned of the city’s great need of missionaries. In Pittsburgh, she volunteered at a homeless shelter, utilizing her talents as a cook to prepare and serve meals in the soup kitchen. Mrs. Mueller considers that time as one of the most rewarding periods of her life.

Madam Speaker, please join me in celebrating Dorothy Ann Mueller’s 80th birthday. Affectionately known as Ma, Dor, Auntie, Auntie Dor, Ma Mueller, Grandma and Baba, Mrs. Mueller lives life with an open heart, a sparkle in her eye and warm smile. I wish her happiness, joy and love on her 80th birthday and always.

“Love is life. And if you miss love, you miss life”—Leo Buscaglia, one of Mrs. Mueller’s favorite authors.
