

proud to carry out each year, and I look forward to the Senate taking up and passing this resolution.

In 2009, 116 law enforcement officers died while serving in the line of duty. We honor their memory. Though this is a decrease from 2008, it is no less tragic a loss to our Federal and State law enforcement community and to their families and friends. Each year we commemorate the bravery of so many in law enforcement, and our Nation's peace officers deserve our commitment to provide them with the tools they need to stay safe and to do their jobs as effectively as they can.

Currently, more than 900,000 men and women work tirelessly to protect our communities, our schools, and our children. They investigate and apprehend the most violent criminals and strive to keep our communities safe and secure. Since the first recorded police death in 1792, the names of 18,983 law enforcement officers who have made the ultimate sacrifice have been added to the National Law Enforcement Officers Memorial.

I also take this opportunity to recognize that the names of 324 fallen officers will be added to the National Law Enforcement Officers Memorial on May 13 during a candlelight vigil held in their honor. These are officers from the past and present whose memory will be preserved for all time at the memorial, ensuring that their bravery and sacrifice will not be forgotten. I especially want to recognize two brave Vermonters who gave their lives in the line of duty, and whose names will be added to the Memorial this year: John Henry Collette of the Addison County Sheriff's Office, died July 17, 1932, and Robert Daniel Rossier of the Vermont Highway Patrol, died September 9, 1935.

National Peace Officers Memorial Day provides the people of the United States, in their communities, in their State capitals, and in the Nation's Capital, with the opportunity to honor and reflect on the extraordinary service and sacrifice given year after year by those members of our police forces. More than 20,000 peace officers are expected to gather in Washington in the days leading up to May 15, to join with the families of their fallen comrades. It is right that the Senate show its respect on this occasion, and I am proud to honor their service and their memory. I urge all Senators to join me in approving this resolution.

**SENATE RESOLUTION 512—DESIGNATING JUNE 2010 AS “NATIONAL APHASIA AWARENESS MONTH” AND SUPPORTING EFFORTS TO INCREASE AWARENESS OF APHASIA**

Mr. JOHNSON submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 512

Whereas aphasia is a communication impairment caused by brain damage that typically results from a stroke;

Whereas aphasia can also occur with other neurological disorders, such as a brain tumor;

Whereas many people with aphasia also have weakness or paralysis in the right leg and right arm, usually due to damage to the left hemisphere of the brain, which controls language and movement on the right side of the body;

Whereas the effects of aphasia may include a loss of or reduction in the ability to speak, comprehend, read, and write, but the intelligence of a person with aphasia remains intact;

Whereas, according to the National Institute of Neurological Disorders and Stroke (referred to in this preamble as the “NINDS”), stroke is the third-leading cause of death in the United States, ranking behind heart disease and cancer;

Whereas stroke is a leading cause of serious, long-term disability in the United States;

Whereas the NINDS estimates that there are about 5,000,000 stroke survivors in the United States;

Whereas the NINDS estimates that people in the United States suffer about 750,000 strokes per year, with approximately 1/3 of the strokes resulting in aphasia;

Whereas, according to the NINDS, aphasia affects at least 1,000,000 people in the United States;

Whereas the NINDS estimates that more than 200,000 people in the United States acquire the disorder each year;

Whereas the National Aphasia Association is a unique organization that provides communication strategies, support, and education for people with aphasia and their caregivers throughout the United States; and

Whereas, as an advocacy organization for people with aphasia and their caregivers, the National Aphasia Association envisions a world that recognizes the “silent” disability of aphasia and provides opportunity and fulfillment for people affected by aphasia: Now, therefore, be it

*Resolved*, That the Senate—

(1) designates June 2010 as “National Aphasia Awareness Month”;

(2) supports efforts to increase awareness of aphasia;

(3) recognizes that strokes, a primary cause of aphasia, are the third-largest cause of death and disability in the United States;

(4) acknowledges that aphasia deserves more attention and study in order to find new solutions for individuals experiencing aphasia and their caregivers;

(5) supports efforts to make the voices of people with aphasia heard, because people with aphasia are often unable to communicate with others; and

(6) encourages all people in the United States to observe National Aphasia Awareness Month with appropriate events and activities.
