

I would like to note one concern I have with this legislation. Section 123 establishes a working group to coordinate the policies of various agencies regarding public access to the results of federally-funded research. I agree that coordination could improve technical uniformity in the dissemination of data, boosting interoperability across agencies and disciplines. However, the working group should not extend its mandate to demand uniformity in all public access policies, such as those for scientific publications. In particular, it should not interfere with the policy of the National Institutes of Health, which requires free public access to the published results of research funded by NIH. This legislation should not be interpreted to restrict existing open access to scientific knowledge, or to prevent its expansion.

This issue aside, I am pleased of the commitment we are making to science and innovation today, and I strongly urge my colleagues to support this bill.

PERSONAL EXPLANATION

HON. RUSS CARNAHAN

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 13, 2010

Mr. CARNAHAN. Madam Speaker, due to being unavoidably delayed, I missed the vote on the passage of H.R. 5014, to clarify the health care provided by the Secretary of Veteran Affairs that constitutes minimum essential coverage (roll No. 260). I would have voted in favor of this bill, which passed overwhelmingly by a margin of 417-0 had I been present to record my vote.

IN RECOGNITION OF THE BIRMINGHAM GROVES HIGH SCHOOL FALCONS' BOYS SWIM TEAM FOR WINNING THEIR SIXTH STATE CHAMPIONSHIP

HON. GARY C. PETERS

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 13, 2010

Mr. PETERS. Madam Speaker, I rise today to recognize the Birmingham Wiley E. Groves High School Falcons' boys swimming and diving team, its coaches Matt Watson, Dave Eichenhorn, Seena Karapetian and Virginia Naegly, Birmingham Schools Superintendent David Larson, Groves Principal Fred Procter and Athletic Director Tom Flynn on the team's 2010 MHSAA Division 2 State championship. As a Member of Congress it is both my honor and privilege to recognize the team and its outstanding coaches on this hard fought and impressive victory.

Established in 1959, in the Village of Beverly Hills, Birmingham Groves High School has developed a rich history of academic and athletic excellence. This victory at the 2010 Division 2 MHSAA State swim meet caps off an incredible year for the Falcons, who had a nearly perfect season in their run up to the State championship. This championship victory also marks the team's fourth State championship in the last ten years and sixth State championship in school history. For this year's

seniors, the championship victory represents the culmination of their high school athletic careers. Four years in the making, it is a vindication of the team's hard fought and close second place finish at last year's State championship and a testament to the spirit of the team.

This year's Division 2 State championship meet began as it would end, with victories for the Falcons. The team set the tone for the event by finishing first in the opening 200 meter medley relay, followed by first place finishes in the 100 meter backstroke and the 400 meter freestyle relay. In addition to its terrific wins, the Falcons finished in the top four spots in half of the twelve events at the championship meet.

Madam Speaker, I ask my colleagues to join me today in recognizing the Birmingham Groves High School's boys swim team and its coaches on this great achievement. This victory was truly a team effort, made possible by countless hours of practice by the team, the guidance of the team's coaches, the support of the team's dedicated parents and the commitment of the school's administration. The Falcons' determination to succeed and their commitment to excellence are most exemplary virtues. I wish the team and its coaches many more successes and championships in the coming years ahead.

COMMEMORATING THE LIFE OF CYNTHIA DELORES TUCKER

SPEECH OF

HON. LAURA RICHARDSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 11, 2010

Ms. RICHARDSON. Mr. Speaker, I rise today in support of H. Res. 1094, which honors the tremendous accomplishments of the late Cynthia Delores Tucker. Ms. Tucker dedicated her life to advancing the interests of women and minorities in the United States. Raised in Philadelphia during the Great Depression, Ms. Tucker overcame great hardships to become one of our Nation's leaders in both the Civil Rights Movement and the fight for women's rights. After a life full of achievements and milestones, Ms. Tucker passed away in 2005 at the age of 78. We owe our national gratitude to Ms. Tucker, an American hero who made the United States a more fair and tolerant country.

I thank Chairman CONYERS for his leadership in bringing this bill to the floor. I also thank the sponsor of this legislation, Congresswoman WATSON, for her commitment to ensuring that the legacy of Cynthia Delores Tucker always shines as a beacon of social progress.

Mr. Speaker, Ms. Tucker became politically active in 1950, when she worked to register African American voters during Philadelphia's mayoral campaign. She went on to play a central role in the Civil Rights Movement and marched with the Rev. Dr. Martin Luther King, Jr. from Selma to Montgomery in support of the Voting Rights Act of 1965. In January of 1971, Governor Milton Shapp appointed Ms. Tucker as Pennsylvania's secretary of state, making her the first African American female secretary of state in the country. While serving as secretary of state, Ms. Tucker was a leader in the successful effort to add an Equal Rights

Amendment to Pennsylvania's State constitution, guaranteeing equal rights for women under State law. She also oversaw the lowering of the Pennsylvania voting age from 21 to 18 years old.

In 1984, Ms. Tucker founded the National Political Congress of Black Women, an organization dedicated to supporting the interests and well-being of African American women and their families. Ms. Tucker was also the first African American president of the National Federation of Democratic Women and founded the Philadelphia Martin Luther King, Jr. Association for Non-Violence. Additionally, she founded the Bethune-Dubois Institute in an effort to promote the cultural and educational development of African American youth.

In her later years, Ms. Tucker spearheaded a campaign against gangster rap music containing lyrics glamorizing criminal lifestyles and disrespect of women. In this effort to combat the negativity in gangster rap music, Ms. Tucker initiated a boycott of companies that produced such music and spoke out in objection to the NAACP honoring rapper Tupac Shakur with its Image Award.

William Tucker, Ms. Tucker's husband of more than forty years, once described her as "one of the most fearless individuals I have ever known. She will take on anyone, anything, if that is what she thinks is right. . . . I tell her there are times you have to compromise, but she is not one who will readily entertain the idea of compromise about anything." It was this dedication to social progress and unwillingness to settle for anything short of equality for all that makes Ms. Tucker a national hero.

I salute the dedication and resilience that characterized Ms. Tucker's work throughout her life. I am truly grateful for her efforts to help women and minorities achieve equality and justice.

I urge my colleagues to join me in supporting H. Res. 1094.
