

IN HONOR AND RECOGNITION OF  
MR. ANTHONY ZIELINSKI

**HON. DENNIS J. KUCINICH**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 21, 2010*

Mr. KUCINICH. Madam Speaker, I rise today in honor and recognition of Mr. Anthony Zielinski, devoted and much-loved father, son, brother and friend, whose public service continues to raise the Parma community onto a platform of strength, viability, unity and opportunity.

Mr. Zielinski grew up in the City of Parma and continues to call Parma his home. He attended Parma public schools and graduated from Cleveland State University with advanced degrees. His public service reflects integrity, expertise, dedication and most importantly, it consistently reflects heart, compassion and sincere concern regarding the needs of others.

Because of his vision and leadership, Parma has resources and opportunities for residents of all ages. Mr. Zielinski served as councilman in Parma's Ward 8 neighborhood for nearly 8 years. As councilman, he served as Majority Leader and Finance Chairman, working energetically on behalf of residents and creating strong partnerships between the public and private sectors. He served on the City of Parma's Zoning Board of Appeals, and was appointed to the position of Treasurer of the City of Parma in 2005, and elected to serve another term in 2009.

His outstanding work as Treasurer is framed by integrity, expertise and dedication to protecting the public trust by making wise investments to obtain the highest return on taxpayers dollars. In addition, Mr. Zielinski has a rare ability to bring people and departments together—unifying the community for the common good—with a special commitment to the children of Parma. He led several student-government programs, and was instrumental in organizing the Leadership for Tomorrow Program, which allows every fifth grade student to experience, in person, the workings of city government. Though humble, Mr. Zielinski's volunteer efforts have been noticed by others. He was named the Parma Democrat of the Year; and was honored as the Pride Award Recipient by the Parma Chamber of Commerce.

Madam Speaker, please join me in honor and recognition of my friend, Mr. Anthony Zielinski. Mr. Zielinski's work and approach to city government continues to create strong bonds between residents and city hall. He is a role model as a man, a father, a son, and a friend. It is Mr. Zielinski's warmth, heart, honesty and willingness to help others that enriches and strengthens the lives of all us—his family and friends in Parma, Ohio and throughout our community.

RECOGNIZING THE RETIREMENT  
OF ROBERT F. LARK AS THE  
CHAIRPERSON OF THE MERCER  
COUNTY DEMOCRAT COMMITTEE

**HON. JASON ALTMIRE**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 21, 2010*

Mr. ALTMIRE. Madam Speaker, it is my privilege to recognize Robert F. Lark on the

occasion of his retirement as Chairperson of the Mercer County Democrat Committee. Bob served faithfully as Chair since 1988. His 22 years at the post makes him the longest serving Chairperson in the Committee's history.

Bob comes from a family of committed public servants and knows the value of giving back to his community. His grandfather served as a Precinct Committeeman in the 1930s and 1940s and his mother was also a Precinct Committeewoman in the 1950s and 1960s.

During his time as Chairperson, Bob helped encourage the formation of the Democrat Women and Young Democrats organizations in Mercer County and was enormously successful in registering voters across western Pennsylvania.

A lifelong Democrat, Bob worked for fairness in elections and voting and was not afraid to make his voice heard if he felt that an individual of either party was engaging in misconduct. His dedication to being a responsible citizen was evident in his service to the Mercer County Democrat Committee and to Pennsylvania.

Bob's commitment to his country extended beyond his service as chairperson, however. As a teacher for 40 years, Bob prepared future generations for life beyond the classroom. His work with students through the years is equally commendable.

Bob believed that one must be judged not by the promises a person makes, but by the promises a person keeps. Madam Speaker, Bob Lark was a man who kept his promises to his fellow Democrats in Mercer County and I am pleased to honor him for his efforts.

WE CAN HELP PROGRAM

**HON. MIKE QUIGLEY**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 21, 2010*

Mr. QUIGLEY. Madam Speaker, as we talk about the need for job creation it is critical that we remember why America needs work.

Jobs are a means to provide for individuals and families, for food and shelter, and for a sense of security and peace of mind.

But work is only half the equation—a paycheck is needed to fulfill the other.

Which is why I stand in full support of the Department of Labor's "We Can Help Program."

This public service campaign strives to educate America's workforce about employer abuses and workers' rights.

It will also add 250 investigators to the department's wage and hour division.

Efforts like this will go a long way toward recovering at least some of the \$19 billion of wages that are never paid to workers across the country every single year.

In the midst of a tough economy, it is vital that Congress do everything in its power to make sure every American who wants a job can find a job.

But we must remember that there are many already on the clock who need our help, too.

Ms. ZOE LOFGREN of California. Madam Speaker, I rise today in memory of John Anthony Bruzzone, a devoted family man, member of the United States Army, successful Santa Clara County entrepreneur and a valued leader in our community. Sadly John passed away on June 30, 2010.

IN HONOR OF JUDGE CAROL  
CRAFTON ANTHONY

**HON. MIKE ROSS**

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 21, 2010*

Mr. ROSS. Madam Speaker, I rise today to honor a respected and dedicated public servant. On July 18, 2010, our state lost a devoted citizen when Judge Carol Crafton Anthony, age 56, died following a lengthy struggle with leukemia.

Judge Anthony was a proud mother, a committed jurist and a loyal Arkansan. Judge Anthony built an outstanding career as a local attorney in El Dorado prior to her exceptional service overseeing six counties as a judge in the 13th Judicial Circuit's Fourth Division.

I had the honor and privilege to know Judge Anthony and I admired her passion for law and innovative approach to justice. She pioneered alternative programs for local youths and drug offenders in an effort to break the cycles of bad behavior and abuse and encouraged these offenders to live productive lives.

My thoughts and prayers go out to her husband Aubra, sons Hayes, Hunter and Clay and daughter Hollis. I know I, along with many Arkansans, will sorely miss Judge Anthony's presence and will try to find solace in the fact Judge Anthony defined what it meant to be a public servant: to leave your community better than you found it.

Today, I ask all members of Congress to join me as we honor the life of Judge Carol Crafton Anthony and her legacy.

TRIBUTE TO LYNETTE ELIZABETH  
HOFFMAN MILLER

**HON. MIKE PENCE**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 21, 2010*

Mr. PENCE. Madam Speaker, I rise today to mourn the loss of a dear friend to the community of Sellersburg, Indiana.

Lynette Elizabeth Hoffman-Miller was a devoted wife, loving mother, and courageous warrior in her battle against leukemia. Though the pain of her passing is deeply felt, we will continue to be inspired by the life she led.

Lynette was born on March 20, 1972 in Albuquerque, New Mexico, to Bill and Elizabeth Hoffman. A graduate of Mayfield High School in Las Cruces, Lynette went on to receive her bachelor's degree from New Mexico State University.

Lynette later moved to Sellersburg, Indiana, where she would become an active leader and vital asset to the Hoosier state. She served as the first Vice President of the Indiana Federation of Republican Women, where she excelled in her mission to support Republican principles and promote community service.

A longtime advocate of healthy living, Lynette spent many hours promoting nutrition, exercise, and complementary medicine on her blog. She was very fond of time spent with her mother and sister attending wellness conventions.

Her strong faith helped her and her family through her difficult battle against leukemia. Lynette served on the board of directors of St. Joe on the Hill Catholic Church in Sellersburg. She also taught Sunday school and relished time spent with her family and friends.

One of Lynette's favorite hobbies was to create unique and thoughtful greeting cards and stamps for her friends and loved ones. She was an avid fan of singer Toby Keith and loved the color green.

We have lost an important figure in the Sellersburg community, but I know that Lynette's legacy will not soon be forgotten. Let us keep her cherished family and friends in our prayers during this difficult time, especially her husband Chuck Miller, daughter Cambrelyn, parents Bill and Elizabeth Hoffman, sister Trinetta (Jason) Dixon, paternal grandmother Ann Hoffman, and father and mother-in-law Dr. Robert and Lois Miller.

May they find comfort in the Old Book, which tells us that "Because of the Lord's great love we are not consumed, for his compassions never fail. They are new every morning."

SAFER OIL AND NATURAL GAS  
DRILLING TECHNOLOGY RESEARCH  
AND DEVELOPMENT  
ACT

**HON. MICHAEL F. DOYLE**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, July 21, 2010*

Mr. DOYLE. Madam Speaker, I rise today in support of the Safer Oil and Natural Gas Drilling Technology Research and Development Act.

The Deepwater Horizon explosion and oil spill has highlighted the pressing need for research on technology to make deepwater drilling for oil and natural gas safer and cleaner.

While the investigations into the causes of the disaster are still ongoing, the disaster has already made Congress and the public aware of the significant shortcomings in much of the oil industry's current deepwater drilling technology—most notably its blowout preventers.

This legislation refocuses the Department of Energy's deepwater drilling research to place higher priority on research on technology that will increase the safety and reliability of deepwater drilling technology in the years to come—and rightly so.

The National Energy Technology Laboratories facility in southwestern Pennsylvania has been the Department of Energy's leader in research on ultra-deepwater drilling for oil and natural gas for many years. NETL has a talented staff with unparalleled expertise and a long and successful record of research
