

Finally, the bill directs the Environmental Protection Agency to study the environmental impacts of the disposal of prescription drugs.

It is imperative that Congress provide for the safe disposal of these highly-addictive and dangerous drugs. Without this change to our federal drug laws, prescription pain killers and sedatives will linger in medicine cabinets across the country, easily accessible to teenagers wishing to experiment or adults who become dependent.

I urge my colleagues to support this legislation.

Mr. STUPAK. Mr. Speaker, I rise in support of this legislation.

Millions of Americans are prescribed narcotics for postoperative pain, bone fractures, and other ailments each year. However, most patients do not consume all the prescriptions they are prescribed.

These drugs remain in drug cabinets for years, easily accessible to teens wishing to experiment with drugs.

The Controlled Substances Act regulates prescription narcotics through a registration system. However, the Controlled Substance Act currently exempts patients from this registration requirement.

H.R. 5809 allows individuals to dispose of unused prescription controlled substances to a recipient authorized by the DEA. The bill also authorizes the Attorney General to promulgate regulations for the lawful disposal of prescription controlled substances by a long-term care facility.

H.R. 5809 also clarifies that the DEA regulations set forth in this legislation may not require any entity to establish a drug take-back program.

I want to thank my friend and colleagues, JAY INSLEE, LAMAR SMITH and other colleagues on both sides of the aisle for their hard work and commitment to empowering patients to help prevent prescription drug abuse, especially amongst our youth.

I urge my colleagues to vote in support of the legislation.

Mr. WHITFIELD. I urge passage of this bill, and I yield back the balance of my time.

Mr. PALLONE. Mr. Speaker, I urge passage, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from New Jersey (Mr. PALLONE) that the House suspend the rules and pass the bill, H.R. 5809, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.
