## CONGRATULATING THE PENN STATE IFC/PANHELLENIC DANCE MARATHON

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, the Penn State IFC/Panhellenic Dance Marathon, referred to as THON, is a yearlong effort to raise funds and awareness for the fight against pediatric cancer. THON is the

largest student-run philanthropy in the world, with 700 dancers, more than 300 supporting organizations, and more than 15,000 volunteers involved in the annual event.

Since 1977, THON has raised more than \$78 million for The Four Diamonds Fund at the Penn State Hershey Children's Hospital. This year, THON 2012 took place from February 17–19. At this year's event, Penn State York broke its own record, raising \$17,160.71, the largest amount that has ever been raised for THON, and it made it to the top 10 in fundraisers among the Penn State campuses.

THON has helped so many families through The Four Diamonds Fund, and this critical support for pediatric cancer research has enabled some pediatric cancer survival rates to increase to nearly 90 percent.

I want to congratulate the Penn State University IFC/Panhellenic Dance Marathon on its continued success in support of The Four Diamonds Fund and for their amazing, record-breaking total for this year's event.

## DEAD BABIES DESERVE JUSTICE

(Ms. JACKSON LEE of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE of Texas. Mr. Speaker, yesterday I came to the floor of the House, and I think I was genuinely pleading with my colleagues in responding to the tragedy of an incident that occurred last Thursday, when a person who was supposed to have been attending to seven babies under 3 years old now has been found allegedly to have left to have gone grocery shopping, to have come back to a grease fire in the kitchen, and to have found that four babies, 3 and under, were killed.

Two are now in the burn unit. These are possibly babies supported by Federal funding for child care—by someone 22 years old and licensed by the State of Texas. In all we do to provide funding for desperate parents, can we at least expect the criteria to be reasonable?

Now we have the District Attorney's Office indicating that they can't find the suspect, that he has fled because they waited 3 days to file any charges against someone who was responsible for four dead babies. We understand they have asked the U.S. Marshal. We don't even know whether they have asked the State Department to help.

It is a crying shame, and I am getting to the bottom of it. Dead babies deserve justice.

## SHERIFFS ON THE BORDER

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Mr. Speaker, it has been 5 months since David Hartley was brutally murdered by pirates on
