a Houston political watchdog group, for being given the esteemed Ronald Reagan Award at the February meeting of the Conservative Political Action Conference.

The King Street Patriots started the True the Vote initiative in an attempt to uncover voter fraud in the greater Houston area. In their investigation they discovered unimagined levels of voter fraud, from vacant lots with registered voters to election judges helping voters with their ballots.

This is a movement made up of ordinary citizens who realize that voter fraud is one of the most egregious offenses under our Constitution. The King Street Patriots are now lobbying the Texas legislature to strengthen election laws and prevent future abuses.

Free and fair elections are essential to our democracy, and the King Street Patriots have shown an impressive commitment to civic duty, and I applaud their efforts.

YUCCA MOUNTAIN

(Ms. BERKLEY asked and was given permission to address the House for 1 minute.)

Ms. BERKLEY. I rise today to reject Republican calls for an investigation into the decision to end Yucca Mountain. Let me save this Republican Congress a lot of time and a lot of money. President Obama put a stop to Yucca Mountain because it is too dangerous a site to store radioactive nuclear waste. This is a political stunt with one goal—turning my home State of Nevada into a nuclear garbage dump. Those pushing this review are lying about the dump safety. They know Yucca Mountain is smack in the middle of an earthquake zone. There's volcanic activity. There's groundwater issues.

Have we learned nothing about what is happening now in Japan? We ought to be demanding that the nuclear power plants act now to secure nuclear waste in dry-cask storage. Dry-cask storage will increase public safety now. Investigating Yucca Mountain will only increase the danger and waste money. Shame on the nuclear industry and its allies for being more interested in protecting their profits than in protecting public safety.

That is why, even in the face of one of the world's worst nuclear disasters unfolding now in Japan, the nuclear industry and its "naked-up" buddies in the United States Congress are playing partisan games with nuclear waste.

DELAY, DELAY, DELAY

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Mr. Speaker, delay, delay, delay is the administration's energy plan. The Keystone XL Pipeline project would bring 700,000
