the committee's director of security to arrange a time and date for that viewing. This will assure the availability of committee staff to assist Members who desire assistance during their review of these classified materials.

I urge interested Members to review these materials in order to better understand the committee's recommendations. The classified Annex to the committee's report contains the committee's recommendations on the intelligence budget for fiscal year 2011 and related classified information that cannot be disclosed publicly.

It is important that Members keep in mind the requirements of clause 13 of House rule XXIII, which only permits access to classified information by those Members of the House who have signed the oath provided for in the rule.

If a Member has not yet signed that oath but wishes to review the classified Annex and Schedule of Authorizations, the committee staff can administer the oath and see that the executed form is sent to the Clerk's office. In addition, the committee's rules require that Members agree in writing to a non-disclosure agreement. The agreement indicates that the Member has been granted access to the classified Annex and that they are familiar with the rules of the House and the committee with respect to the classified nature of the information and the limitations on the disclosure of that information.

I thank the Speaker.
