

work ethics, tenacity, and love of Alaska by a Pioneer of Alaska Aviation. Today, I stand in recognition and honor Mr. Cliff Everts.

Mr. Everts was an instructor for the predecessor of Alaska Airlines, Alaska Star Airlines. In 1945 he joined the team of Wien Alaska flying Boeing 247s and Lockheed Lodestars hauling fuel from Barrow to Umiat and after 15 years saw an opportunity to begin his first business experience. When Wien's business plan dropped fuel delivery, he purchased one of the C-46s and continued delivering fuel to Alaska's villages. Wien was lucky to keep Mr. Everts as one of their team until 1980 when he retired after 35 years and 30,000 hours in a cockpit.

Mr. Everts has flown at forty below temperatures, through dark days and nights, in snow, sleet, and rain, to supply the needs of village residents. He is a true Alaskan with a frontier spirit.

One of the most interesting adventures of Cliff was delivering 110 reindeer from Nome to Colorado so that people in the "lower forty-eight" could experience a Santa Clause sleigh ride. Somewhere today there are decedents of one of the escapees there in Colorado along with our Alaskan wolves!

Cliff also gave new meaning to "when pigs fly" when he delivered several dozen pigs in a C-46 from Ohio to Big Delta for a farm project.

As a committed Alaskan, he realized early the opportunity in our State and the value of our resources, our people, and our commodities. He purchased surplus equipment and resold or rented it. His renowned collection of planes with historical nose art, which are still flying today, is an example in recycling and honorable use of assets, when others may have disregarded them for lack of value.

Cliff has contributed to Alaska with the creation of more than one successful company; the leadership today exemplifies his integrity, values, commitment to community and family, and love for our State and Country. Cliff and his planes have provided fuel to villages and mines, while not only improving quality of life, but often saving life. Our State would be less today without you and Pioneers like him.

I rise today to congratulate Mr. Cliff Everts on this day as we place a plaque and memory in perpetuity on the East Ramp of the Fairbanks International Airport.

THE 40TH ANNIVERSARY OF
CENTER POINT

HON. JOHN SULLIVAN

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2011

Mr. SULLIVAN. Mr. Speaker, I rise today to commemorate the 40th anniversary of Center Point and Dr. Sushma Taylor who serves as President and CEO. Center Point was founded in 1971 as a private, not-for-profit corporation which offers rehabilitation and a spectrum of health and social services to high risk families, men, women, women with dependent children and youth. Since its founding, Center Point has served over 450,000 men, women, families and veterans.

Center Point's mission is to provide comprehensive social, educational, vocational, medical, psychological, housing and rehabilita-

tion services to combat social problems including substance abuse, poverty and unemployment. Center Point provides rehabilitation and treatment services to interrupt abusive cycles of psychological, social and economic dislocation by providing critical training and support so that individuals can claim self-worth and dignity through accountability and self-responsibility.

Center Point's leader, Dr. Taylor, first joined Center Point as its Executive Director in 1981. Dr. Taylor has sought to create opportunities and help individuals and families overcome the barriers of drug and alcohol abuse, homelessness, criminal justice involvement, unemployment, poor health and mental health problems to make a positive contribution to society. Under Dr. Taylor's leadership, Center Point has grown to develop and provide a wide array of services to those in need in California, Oklahoma, Texas, and Louisiana.

Oklahoma's female incarceration rate ranks number one in the Nation and in my district Center Point is making a difference with the Tulsa Women's Program. The burgeoning program helps women transition away from the criminal justice system and back into society. Center Point, the Tulsa Women's Program and the passionate leadership of Dr. Taylor provide countless inspiring examples of how treatment and rehabilitation can work to restore dignity to an individual and help people take responsibility for their own lives.

I am grateful for the contributions of Center Point and Dr. Taylor as we commemorate their 40th anniversary and their positive and lasting contributions to society.

A TRIBUTE TO PRINCIPAL DALE
BARNHILL

HON. TOM LATHAM

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2011

Mr. LATHAM. Mr. Speaker, I rise today to recognize Iowa's excellence in education, and to specifically congratulate Norwalk High School Principal Dale Barnhill of Norwalk, Iowa, for being named Iowa High School Principal of the year by the School Administrators of Iowa.

Dale Barnhill's vision for becoming a teacher began to take form after graduating from Twin Cedars High School in Bussey, Iowa. Dale would then graduate from Iowa State University with a bachelor's degree in history and then from Northeast Missouri State University with a master's degree in guidance and counseling. After earning his administrative certification from Iowa State, Dale began his career in Iowa as a teacher and a coach at Ringsted Community School. Dale would go on to attain his first administrative position in Winthrop, Iowa, and later serve as the Assistant Principal at Pella High School in Pella, Iowa. Mr. Barnhill's entire career in education has been in Iowa and our state has benefited greatly from it.

Since Dale joined Norwalk Schools in 1998, the high school has enjoyed more than a decade of positive growth. Mr. Barnhill's work with improving the high school and its students has directly led to the increased quality of Norwalk's programs. Additionally, Dale took Norwalk High School into the 21st century by im-

plementing electronic portfolios for students to facilitate exit interviews for graduating seniors and an improved method for calculating class rank. Mr. Barnhill has not been shy about pushing students to challenge themselves academically, and the result has been demonstrably effective for both students and the school itself.

Mr. Speaker, I consider it a great honor to represent Norwalk High School Principal Dale Barnhill, the teachers, students, school board members and administrators of the Norwalk Community School District in the United States Congress. I wish Mr. Barnhill and all of Norwalk High School continued academic excellence as they continue to have a positive impact on the future leaders of our state and country.

CELEBRATING THE END OF DON'T
ASK, DON'T TELL

HON. JANICE D. SCHAKOWSKY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2011

Ms. SCHAKOWSKY. Mr. Speaker, I rise today to mark the end of the discriminatory Don't Ask, Don't Tell policy, and to celebrate that qualified men and women who have the desire to serve their country can no longer be denied simply because of sexual orientation.

Don't Ask, Don't Tell limited the ability of our armed forces to recruit and retain talented Americans. Hundreds of men and women with critical abilities, including language skills, have been discharged under this policy.

Meanwhile, many of our closest allies have demonstrated that allowing open service does not harm unit cohesion or military performance.

Most importantly, Don't Ask, Don't Tell institutionalized discrimination in our military. It was a policy that forced men and women to lie about their identity in order to serve their country.

As of this week, no one is prohibited from serving the country they love because of whom they love.

HONORING THE 50TH ANNIVERSARY OF THE BOYS & GIRLS
CLUBS OF LAS VEGAS

HON. SHELLEY BERKLEY

OF NEVADA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2011

Ms. BERKLEY. Mr. Speaker, today I urge my colleagues to join me in recognizing the 50th anniversary of the Boys & Girls Clubs of Las Vegas.

The Boys & Girls Clubs of Las Vegas opened their first club in 1961 in a casino basement in North Las Vegas and today serves over 14,000 children in eight dedicated facilities throughout Clark County.

Their mission is to enable all young people to reach their full potential as productive, caring, responsible citizens. Several of the Clubs are placed to serve the neighborhoods, where children are most at-risk for educational and financial failure, drug and alcohol abuse, gang involvement, and teen pregnancy.

Many children come home to an empty house while their parents are at work. It is important for those children to know that they have a place to go where people care for them. That is where the Boys & Girls Clubs of Las Vegas fills a vital role.

Their programs engage young people in activities with adults, peers, and family members that enable them to grow and flourish. Based on the interests and needs of the boys and girls they serve, clubs offer diverse program activities in five areas: character and leadership development, education and career development, the arts, sports, fitness and recreation, and health and life skills.

A survey conducted on the Boys & Girls Clubs determined that over half of the adults that participated in Club events as children attributed the Boys & Girls Clubs to saving their lives. Eighty percent said they learned right and wrong from a member of the Club staff.

While many Club alumni have achieved distinction in fields such as entertainment, business, politics, and sports, the average alumnus is not famous. Most have achieved success by getting an education, raising families, serving their country, pursuing careers, and supporting their communities.

The Boys & Girls Clubs of Las Vegas uses a lineup of tested and proven nationally recognized programs that address today's most pressing youth issues, teaching young people the skills they need to succeed in life.

Nearly a third of the Clubs' members who participate in the homework assistance and tutoring program are on their schools' honor rolls. Most importantly, those children have a safe place they can stay while their parents are at work.

As the Representative for Nevada's First Congressional District, it gives me immense pride to recognize the 50th anniversary of the Boys & Girls Clubs of Las Vegas.

HONORING DR. JERRY PREVO FOR
40 YEARS OF SERVICE

HON. DON YOUNG

OF ALASKA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2011

Mr. YOUNG of Alaska. Mr. Speaker, I rise today to honor Dr. Jerry Prevo and the 40 years of service he has given to the Anchorage Baptist Temple community in Alaska where he is the pastor of one of the State's largest and most active churches. Sporting an auditorium able to seat over 2,000 people and a regular congregation of 2,200 it is difficult to imagine the church's very humble origins.

The church was founded as the Bible Baptist Church in 1956 by Missionary Don White who oversaw a congregation of 300 people until, in 1971, a young graduate of the Baptist Bible College in Springfield, Missouri, was called. In just a few short years under his careful and dutiful stewardship, Pastor Prevo saw attendance increase rapidly, until there was just no more room.

He needed to do something about it. In 1973 he proposed to move the church to their present location on Northern Lights Boulevard—a magnificent 20-acre estate. The community needed a church, the church needed the community. Answering the call, the new building was built, largely, by hundreds of

church members who freely volunteered their time and talents in an outstanding example of community-wide cooperation. It was then that the church was renamed Anchorage Baptist Temple.

Pastor Prevo, always committed to the education of future generations, saw the opportunity to found the Anchorage Christian Schools. Within just 5 years more classrooms and a gymnasium had to be built due to its massive popularity. Decades later the school and the Children's Ministry Center consists of 26 classrooms, a 300-seat gymnasium, library, music department, computer lab, and a chemistry lab over a 350,000 square feet complex—all built from the community's generous donations with no debt incurred. The Christian School now has over 750 students as well as a Sunday school, a preschool and all-day child care.

In the midst of running a school and a church the Pastor Prevo took the time to pursue a Doctor of Divinity degree at Hyles Anderson College and the Liberty Baptist Theological in 1978 and 1993, respectively. He expanded his community work to philanthropy by serving on the Board of Samaritan's Purse and on the Board of Liberty University in Virginia.

Today, through three radio stations, a contemporary Christian music station, and a television station he can be seen and heard daily by over half the population of Alaska.

On a personal note, Pastor Prevo has been there for me during some tough times. The loss of my wife, Lu, was sudden and painful and Pastor Prevo helped by offering the use of the Anchorage Baptist Temple and its ability to broadcast to a good portion of the State for her memorial service. In the two years since her passing I have come to rely on his spiritual leadership and guidance.

As a result of his far-reaching state-wide community work and success in reforming and growing one of Alaska's largest churches, and his extensive outreach in Europe and the Middle East, the Alaska Journal of Commerce has listed him as one of the 25 most influential individuals in Alaska.

Dr. Jerry Prevo has always worked hard and been nothing but loyal to his community and church and I commend him for his 40 years of service.

RECOGNIZING THE CITY OF ROSEBUD ON ITS CENTENNIAL ANNIVERSARY

HON. BLAINE LUETKEMEYER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2011

Mr. LUETKEMEYER. Mr. Speaker, I rise today to recognize the city of Rosebud, located in Gasconade County in Missouri, as the community will be celebrating its centennial anniversary.

What is now the city of Rosebud was organized in 1911, receiving its name from the wild rose bushes that reside in the community. By 1911, Rosebud had expanded to considerable size because of the Rock Island Railroad, farming, clay mining, selling wood to kilns in St. Louis and many other industrious endeavors of the time. A number of citizens wished to have their village incorporated in Gas-

conade County, so they sent a letter to the County Court in Hermann. Within the year, the city received incorporation. Over the years, Rosebud's population, infrastructure and economic activity have increased.

Over the past century, industries such as antique and craft shops, restaurants, churches and thoroughfare from Highway 50 have supported the town. Today, Finale International Tool Inc. is the top employer in the community. The proud community of Rosebud is home to 378 residents.

In closing, I ask all my colleagues to join me in wishing the residents of the city of Rosebud congratulations on their centennial anniversary.

OUR UNCONSCIONABLE NATIONAL
DEBT

HON. MIKE COFFMAN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2011

Mr. COFFMAN of Colorado. Mr. Speaker, today our national debt is \$14,705,188,086,992.02.

On January 6, 2009, the start of the 111th Congress, the national debt was \$10,638,425,746,293.80.

This means the national debt has increased by \$4,066,762,340,698.22 since then. This debt and its interest payments we are passing to our children and all future Americans.

IN HONOR OF THE 50TH ANNIVERSARY OF THE PEACE CORPS

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2011

Mr. KUCINICH. Mr. Speaker, I rise today in honor of the 50th anniversary of the Peace Corps, an organization of volunteers who are dedicated to helping individuals build better lives for themselves by living and working in developing countries.

Following President John F. Kennedy's challenge to 5,000 students at the University of Michigan to dedicate two years of their lives to help people in developing countries, the Peace Corps was officially established on March 1, 1961. Young people throughout the country were inspired, and by June 22, 1961, Peace Corps Director Sargent Shriver had received 11,000 applications. On August 30, 1961, the first group of Peace Corps volunteers arrived to serve as teachers in Ghana. By December of 1961, more than 500 volunteers were working in nine countries around the world.

Today, 50 years after the Peace Corps began; there are more than 8,600 active volunteers and trainees working in 76 different countries. The mission of the Peace Corps that was adopted in 1961 still remains the organization's mission today. "Helping the people of interested countries in meeting their need for trained men and women. Helping promote a better understanding of Americans on the part of the peoples served. Helping promote a better understanding of other peoples on the part of Americans."
