

Hardyston's earliest days. Additionally, Hardyston holds the distinction of being the discovery place of Hardystonite, a fluorescent mineral discovered in 1899 in the Franklin Furnace Mine.

Two hundred fifty years after its formation, Hardyston Township continues to be a vibrant community that invites residents and visitors alike to enjoy all that it offers and to become a part of its ongoing history.

As Hardyston Township Celebrates its 250th Anniversary, I offer my congratulations and my heartfelt wish for a future for Hardyston Township that is as bright as—and even brighter than—its rich and notable past.

HONORING THE LIFE OF NORTHWEST FLORIDA'S BELOVED JOSEPH CRONA

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 27, 2012

Mr. MILLER of Florida. Mr. Speaker, on behalf of the United States Congress it is an honor for me to rise today to recognize the life of Northwest Florida's beloved Joseph Crona.

Mr. Crona was a native of Pensacola, Florida and a longtime leader in the Northwest Florida community. He was a true patriot. After graduating from Pensacola High School, Mr. Crona answered the call of duty, serving with honor and distinction during World War II in the European Theater. When he returned home, Mr. Crona attended Florida State University, where he played offense, defense, and special teams on Florida State University's inaugural football team. He continued to follow his beloved Seminoles, taking in games around the country, and he was honored by the University as part of a special ceremony recognizing the Fiftieth Anniversary of the school's first football team.

After graduating from FSU with a degree in economics, Mr. Crona moved back to his hometown where he translated his success in the classroom and on the football field to the boardroom. He began working in the Trust Department at Citizens and Peoples National Bank, rising to become a Trust Officer. In 1971, he joined Commercial National Bank as Executive Vice-President, and shortly thereafter, Mr. Crona became President of Commercial National Bank. He went on to serve as President of Charter National, Century National and finally Sun Bank, where he worked as President/CEO until his retirement in 1994.

Mr. Crona was an avid sportsman, and he pursued his passion for the outdoors through years hunting and fishing. As an active member of the Pensacola Sports Association, Mr. Crona helped to bring world class sporting events to Northwest Florida. He served as President and Tournament Director of the Pensacola Open, which saw world class PGA golfers, including legendary winners such as Arnold Palmer, Gary Player and Pensacola's own Jerry Pate, compete at the highest level in front of Northwest Florida's passionate fans.

In addition to his tireless efforts promoting sports throughout the area, Mr. Crona was an active member of Northwest Florida's civic society. He was a member of the Pensacola Chamber of Commerce, the United Way, Navy League and numerous Mardi Gras organiza-

tions. He served as President of the Fiesta of Five Flags, which commemorates Pensacola's founding as the first European settlement in America, and in 1989 he wore the mask of Don Tristan De Luna, as the ceremonial head of the festivities.

As a patriot and a veteran, Mr. Crona also recognized the importance of honoring and thanking the brave men and women who sacrifice so much so that we may be free, and he was a part of a small group who secured financing and oversaw the construction of the World War II Memorial at Veterans Memorial Park in Pensacola.

Mr. Crona is survived by Diane, his wife of 57 years; his daughter, Susan Smart; as well as two grandchildren, Joseph and Sydney Smart. To some Joseph Crona will be remembered as a patriot and a leader in the Northwest Florida community. To others he will be remembered as a lifelong Florida State Seminole. To his friends and family, he will most fondly be remembered as a loving and devoted family man. His tireless work and immense contributions to his community cannot be overstated. Northwest Florida has truly suffered a great loss with his passing.

Mr. Speaker, on behalf of the United States Congress, it gives me great pride to honor the life of Joseph Crona. My wife Vicki joins me in extending our most sincere condolences to the entire Crona family.

RECOGNIZING JEANNE MILSTEIN

HON. JOE COURTNEY

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Monday, February 27, 2012

Mr. COURTNEY. Mr. Speaker, I rise today to recognize the retirement of Connecticut's Child Advocate, Jeanne Milstein, and celebrate her years of service to the State and, more importantly, to Connecticut's children and their families.

For over a decade, Jeanne has headed the Office of the Child Advocate (OCA), which oversees the protection and care of the State's most vulnerable children. Under Jeanne's leadership, the OCA has reviewed and acted on thousands of requests for assistance ranging from safety and health to education. Most recently, the OCA participated in the Children and Recession Task Force, leading an effort on transitioning young adults leaving the care of the state Department of Children and Families. OCA has also led oversight on children in congregate care settings and transitional supports for confined youth. Beyond overseeing the care and protection of Connecticut's children, Jeanne and the OCA have been fierce watchdogs of taxpayer resources.

Jeanne's hard work and dedication have been an invaluable resource for Connecticut and should serve as an example for all those in public service. Again, I ask that my colleagues join me in applauding Jeanne's service and recognizing her retirement.

CONGRATULATING SERGEANT FIRST CLASS CHRISTINE K. TULLOCH ON HER RETIREMENT FROM THE UNITED STATES ARMY

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, February 27, 2012

Mr. HASTINGS of Florida. Mr. Speaker, I rise today and ask my colleagues to join me in congratulating SFC Christine K. Tulloch for her retirement from the United States Army after 22 years of devoted service. She has also been nominated for the Legion of Merit Award to commemorate her faithful and courageous service. I am honored to recognize SFC Tulloch today for these accomplishments and also take a moment to acknowledge her birthday she recently celebrated on February 17th.

During her distinguished career, SFC Tulloch displayed thrift and foresight in her position as a Movement Supervisor conducting rail, airport, and sea operations. This position required SFC Tulloch to oversee supply chains in order to facilitate the movement of goods and services across significant distances. This work is a vital component of any successful military operation. She performed this duty from 2001 to 2002 in Fort Eustis, Virginia; from 2002 to 2004 in Bamberg, Germany; and from 2004–2005 in Tallahassee, Florida, where she also served as Training NCO.

Throughout her career, SFC Tulloch demonstrated an admiral commitment to the efficiency and effectiveness of military activities. For example, in December 2002 when her team was deployed as an advanced party in support of Operation Iraqi Freedom, she administered the safe receipt and transit of more than 5,000 containers. In a conflict as hazardous as the war in Iraq, this was a logistical feat and one that she would repeat many times. In March 2003, her team would preside over the reception, staging and movement of over 40,000 combat and support troops. This would be an influential movement just prior to the second invasion.

SFC Tulloch also served in the U.S. Army Human Resources department where she administered assignments for as many as 12,000 soldiers. It was also necessary to coordinate the Joint Domicile and Married Couple's Program in which SFC Tulloch demonstrated her compassion as well as a high level of competence in arranging over 1,300 personal assignments a year. From 2009 to 2010, SFC Tulloch was promoted to Chief Movement Supervisor for the U.S. Armed forces in CENTCOM in Doha, Qatar. Her performance was such that she meticulously managed the transfer of millions of dollars worth of resources without waste or inaccuracy.

What made the work of SFC Tulloch exceptional was her ability to see opportunities to eliminate excessive bureaucracy in order to maximize the impact of expenditures. For instance, during her time in Iraq, SFC Tulloch was able to investigate some 2,000 overdue invoices and credit card purchases which meant that more than \$3 million dollars was refunded to the U.S. Government. While being posted in Afghanistan, SFC Tulloch was placed in charge of equipment and vehicles valued above \$24.6 million dollars. She was
