

HONORING THE LIFE OF DAVID N.  
BODDIE

**HON. DONNA F. EDWARDS**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 27, 2012*

Ms. EDWARDS. Mr. Speaker, I rise to pay tribute and honor the life of David N. Boddie, a resident of Bowie in the Fourth Congressional District of Maryland, who passed away on February 16th. As he is interred at Arlington National Cemetery today, I want to remember the legacy he leaves behind.

For more than 40 years, Dave—as he was affectionately known to his colleagues—was an employee of the U.S. Government Printing Office (GPO), which supplies us with the CONGRESSIONAL RECORD and the documents to conduct the business of this House.

Before arriving at the GPO, Dave Boddie served as a U.S. Marine in Vietnam, where he was seriously wounded in combat and received the Purple Heart. After returning home, he worked at the Afro-American Newspaper Company in Baltimore.

Dave joined the GPO in 1970 as an apprentice and three years later was converted to a career employee. In 1976, he was promoted to a new position as a Photocomposition Machine Operator, taking his place within one of the greatest technology changes in the GPO's history, as the agency converted from hot metal typesetting to electronic photocomposition. Two years later, Dave entered the management and supervisory ranks at GPO, and he became a Foreperson in 1987. In August 1999, Dave was named Foreperson-in-Charge, and in 2003, he was promoted to Assistant to the Production Manager, Night Operations, on the second shift. He continued to rise through the management ranks, becoming Printing Officer and Assistant Production Manager in December 2005.

In 2006, Dave was named the third-shift Assistant Production Manager, effectively becoming GPO's Night Production Manager, with the key responsibility for ensuring the completion of the CONGRESSIONAL RECORD and other congressional work by morning. Dave was the first African American employee ever named to this position in GPO's 150-year history of service to Congress and this Nation. He retired from Federal service in 2011.

Dave Boddie's record of service to our country, both as a Marine and through his accomplished career as a Federal employee at GPO, was characterized by sacrifice, by hard work and dedication to duty, and most of all by achievement, which was recognized by his promotions leading ultimately to one of the most critically important positions of leadership within GPO. He leaves behind a legacy of service that others can aspire to.

Now that his time on earth has come to an end, it is my hope that David N. Boddie has found the peace he has earned. On behalf of this House, I extend our sincere condolences to his wife, Kim and daughter Monica, and the thanks of a grateful Nation.

TRIBUTE TO DR. SUNEDRA KUMAR  
KAUSHIK

**HON. NITA M. LOWEY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Monday, February 27, 2012*

Mrs. LOWEY. Mr. Speaker, I rise today to pay tribute to Dr. Sunedra Kumar Kaushik, the founder and chairman of the Mrs. Helena Kaushik Women's College in Rajasthan, India, and a constituent in the 18th Congressional district of New York. On March 2, Dr. Kaushik will be honored by the Indian Consul General in New York after receiving the Pravasi Bharatiya Diwas Samman Award, India's highest honor for natives living overseas, from President Pratibha Patil. For decades, Dr. Kaushik's work as a Professor of Finance at Pace University and his exceptional leadership at Mrs. Helena Kaushik Women's College have made an extraordinary impact at home, in the Lower Hudson Valley, and abroad, in his native India.

For more than 35 years, Dr. Kaushik has led a distinguished academic career, shaping the minds of generations of young Americans at Pace, Boston University, Northeastern University, Babson College and other institutions. Over this period of time, Dr. Kaushik has published an impressive number of academic works in economics and finance.

While completing his PhD at Boston University, Dr. Kaushik met the love of his life, Helena Pokotnicki, of Detroit, Michigan, and the two were married in September of 1973. For decades, Mrs. Kaushik employed her skills as a health professional to promote children's health and education issues in India. On her very first day in India, Mrs. Kaushik wasted no time making her voice heard, lobbying the head of the World Health Organization in Delhi on the need to improve health conditions in India and to mitigate the adverse effects of open sewers on the Indian population at large.

In 1991, Mrs. Kaushik tragically suffered a devastating stroke and since has been cared for by her husband at their home in Westchester County, New York. Inspired by his wife's commitment and work on behalf of the children and women of India, Dr. Kaushik founded the Mrs. Helena Kaushik Women's College in Rajasthan, India, in 1999. Watching his wife in action, Dr. Kaushik understood the tremendous impact hard-working women could have on their communities across the globe. In his native Rajasthan, one of the most poverty-stricken regions of India, Dr. Kaushik was concerned by the lack of educational opportunities for women. He was especially upset by the fact that his hometown of Malsisar, Rajasthan, lacked even a male or co-ed college within a 35 kilometer radius.

For over a decade, the Mrs. Helena Kaushik Women's College has empowered countless women from rural India, training them to become integral parts of the Indian economy and Indian society. Since its establishment, over 900 of the college's graduates have gone on

to serve their communities as teachers and civil servants, and in an array of other critical professions. Moreover, by operating solely on generous private donations and not charging any tuition fees, the Mrs. Helena Kaushik Women's College has made obtaining a higher education possible for numerous low-income women.

Given Dr. Kaushik's inspiring work, it comes as no surprise that President Patil has awarded him one of India's highest honors and that his achievements have been celebrated by both the New York State Assembly and the New Jersey General Assembly. It is time for Congress to also recognize Dr. Kaushik's extraordinary efforts both at home and abroad, and I urge my colleagues to join me in doing so.

TRIBUTE TO CLARENCE LEONARD
