The SPEAKER pro tempore. Pursuant to House Resolution 587 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the state of the Union for the consideration of the bill, H.R. 2087.

□ 1529

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 2087) to remove restrictions from a parcel of land situated in the Atlantic District, Accomack County, Virginia, with Mr. GARDNER in the chair.

The Clerk read the title of the bill.

The CHAIR. Pursuant to the rule, the bill is considered read the first time.

The gentleman from Washington (Mr. HASTINGS) and the gentleman from Arizona (Mr. GRIJALVA) each will control 30 minutes.

The Chair recognizes the gentleman from Washington.

Mr. HASTINGS of Washington. Mr. Chairman, I yield myself such time as I may consume.

I rise today in support of H.R. 2087, an authentic, no-cost jobs bill aimed at removing government hurdles to economic development.

This bill by the gentleman from Virginia (Mr. RIGELL) would allow Accomack County in Virginia to move forward with plans to develop—and, Mr. Chairman, I want to say this very explicitly—not 32 million, not 320,000, not 320—a 32-acre parcel of land adjacent to a NASA airstrip into a technology and research facility.

Currently, the parcel has a restriction limiting use of the property to recreational purposes. This was a condition placed on the property when the county obtained the deed through the Federal Land to Park program in 1976. Unfortunately, the park has been of little benefit to the community. Though the county has made diligent efforts, the park has fallen out of use and is currently overgrown and unmaintained.

Now Accomack County has found a better way to serve its citizens, and has determined that with this legislation they can create hundreds of short-term and long-term jobs.

□ 1530

Mr. Chairman, again, this property is already owned by Accomack County, not the Federal Government. Congress created the program that allowed the county to take title to this land. The
