

received excellent care, established close friendships, and kept up on current events as an avid reader until her final days.

Mrs. Franklin will always be remembered for her pleasant disposition, her warm smile and her welcoming spirit. A great lover of good food and rich sweets—especially chocolate candy and donuts—Mrs. Franklin attributed her impressive longevity to following the Golden Rule, having personal integrity and eating right (without sacrificing dessert). She stressed the importance of treating everyone with respect, and some of her favorite pastimes included lively discussions with family and friends about the state of the world, as well as scenic car rides.

One of the great milestones of her life was her 100th birthday, which she celebrated last year surrounded by friends and family—along with special recognition and well wishes from President Barack Obama and First Lady Michelle Obama. Upon her homegoing, we continue the celebration of this incredible woman, who touched others' lives in countless ways.

Today, the 9th Congressional District of California and the 4th Congressional District of Arizona salute and honor an outstanding human being, Mrs. Juanita Adele Franklin. The contributions she made throughout her life are now part of an enduring legacy. She is survived by sisters Lois Murell and Mildred Massey; nieces BARBARA LEE, Mildred Whitfield (Calvin), and Beverly Hardy (Martin); a host of great nieces and nephews, great-great nieces and nephews, and friends. Her loved ones will continue to draw strength and comfort from the memory of her dignity, her decency, and her infinite kindness. May her soul rest in peace.

ILLINOIS WESLEYAN UNIVERSITY  
WOMEN'S BASKETBALL ARE  
NCAA DIVISION III NATIONAL  
CHAMPIONS

**HON. TIMOTHY V. JOHNSON**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 27, 2012*

Mr. JOHNSON of Illinois. Mr. Speaker, I rise today to honor Coach Mia Smith and Illinois Wesleyan University's women's basketball team for winning the NCAA Division III national title. The Titans capped their 28–5 season by winning the school's sixth overall national championship and the first in women's basketball.

The Titans were led by tournament MVP Olivia Lett, and Melissa Gardner, who set an IWU single-season record with 94 3-pointers this year.

"There wasn't a moment in the ballgame where I felt we wouldn't be the national champion when the buzzer sounded," Titans coach Mia Smith said. "Even when we were down four, down five, there was not a drop of fear on the bench. That's been that way all season. It's reminiscent of every time we stepped on that floor."

I'd like to also note that Coach Smith was named the 2012 Schelde North America/Women's DIII News "Coach of the Year". She's compiled a 282–108 record at IWU, including a 145–51 record in the CCIW (College Conference of Illinois and Wisconsin), six league

championships and seven NCAA Tournament appearances.

I would like to congratulate Mia Smith and the Illinois Wesleyan University Women's Basketball National Champs. Their accomplishments are celebrated by their families, fans, and the entire Titan community.

TRIBUTE TO LOUISE COLLINS  
JOHNSON ON HER 100TH BIRTHDAY

**HON. JO BONNER**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 27, 2012*

Mr. BONNER. Mr. Speaker, I rise to pay tribute to Louise Collins Johnson a former missionary and devoted servant of the Lord who turns 100 on March 30, 2012.

The year 1912 was a noteworthy one in history. It witnessed the first expeditions to discover the South Pole and the tragedy of the sinking of the HMS Titanic. It was also the year that Louise Collins entered the world to begin her long journey in the service of Christ.

Born in Chilton County, Alabama, Ms. Collins answered the calling of the Lord at the young age of 18 when she began teaching Sunday school. Nine years later she married Roy Johnson, and together they raised one daughter, Ann Johnson Tyrus, and shared 11 wonderful grandchildren.

Louise Johnson followed her faith to lead a life that would take her across Alabama and literally around the world. A devoted Baptist, her career included working for the Alabama Baptist Association before joining the staff of the State Assembly at Shocco Springs, Alabama, as well as working with the Southwide Assemblies at Ridgecrest, North Carolina, and Glorieta, New Mexico.

This was just the beginning, however, of her long journey in the service of the Lord. Soon after, she was called to serve needy Baptist churches in Oregon and Washington states. Her dedication to helping others also led her to serve two terms as a relief missionary in Hawaii. Her world travels then took her to mission points in Hong Kong, Tokyo, Japan, and Manila, Philippines.

In 1968, following the death of her husband, Louise Johnson moved to Gulf Shores, Alabama to live with her sister, Hazel Scruggs. For so many who have traveled to Baldwin County over the last 40 years, Hazel's restaurant in Gulf Shores is a well-known landmark.

During her time in Gulf Shores, Louise Johnson served as secretary of the First Baptist Church for eight years and Sunday school teacher of the Ladies IV Class at First Baptist for 36 years. She eventually moved to Prattville, Alabama where she now lives with her daughter, Ann. Even today, as she prepares to celebrate a century on this good earth, she continues to work and express her faith.

Louise Johnson has been and continues to be a dynamic, dedicated Christian spending her life teaching others about Jesus. On behalf of the people of Alabama, I wish to congratulate Ms. Johnson on her 100th birthday and wish for her many more years of happiness.

CONGRATULATING THE INDIANA  
BLOOD CENTER ON ITS 60TH AN-  
NIVERSARY

**HON. ANDRÉ CARSON**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, March 27, 2012*

Mr. CARSON of Indiana. Mr. Speaker, on its sixtieth anniversary, I am proud to honor an organization that has helped save hundreds of thousands of lives through volunteer blood donations and blood component distribution to more than 60 hospitals across the state.

Indiana Blood Center was founded in 1952 and is headquartered in my district in Indianapolis. This esteemed non-profit community service organization delivers more than 700 components of blood each day and provides other vital assistance to modern medicine through specialized blood typing for organ transplants, viral marker testing, transfusion recipients, and the National Marrow Donor Program. The Center also serves as a vital link in the state's life science and healthcare infrastructure in the areas of prostate cancer treatment, pharmaceutical research, stem cell and bone marrow donation. It is the largest independent blood center in the state and ranks among the top 20 nationally. Indiana Blood Center is a member of America's Blood Centers, North America's largest network of community-based, independent and non-profit blood centers—which, coincidentally, is celebrating its 50th anniversary this year.

Every two seconds, someone, somewhere will need a transfusion and one out of every seven patients entering a hospital will need blood. Indiana Blood Center depends on the good people of Indiana and the nearly 4,000 organizations that host blood drives annually to meet the constant demand to serve the citizens of Indiana. I would like to recognize this valuable contribution to our community and congratulate Indiana Blood Center for its 60 years of faithful and dedicated stewardship of Indiana's blood supply.
