

U.S. COMMISSION ON INTERNATIONAL RELIGIOUS FREEDOM

HON. FRANK R. WOLF

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 28, 2012

Mr. WOLF. Mr. Speaker, I rise to thank Nina Shea, Dr. Don Argue, Dr. Richard Land, Dr. Elizabeth H. Prodromou and Felice Gaer for their service on the U.S. Commission on International Religious Freedom (USCIRF). These commissioners have made significant contributions to USCIRF's work on behalf of the cherished right of freedom of religion or belief, including its deeper integration into U.S. foreign policy and national security. Since its inception, the commission has served as a voice for the voiceless, championing the plight of those whose most basic rights are threatened.

I would especially like to recognize the tireless efforts of Nina Shea, who has served on the commission since its creation. As a stalwart advocate, prolific writer and subject matter expert, Nina has played an invaluable role on the commission and her leadership will be sorely missed. She was at the forefront of much of the commission's work on Sudan and she took a prominent role in shining a bright light on extremist Wahhabi ideology coming out of Saudi Arabia. Early on, Nina recognized the precarious plight of religious minorities, notably Christians in the Middle East, and sought to develop policy recommendations that would ensure their continued existence and flourishing in the lands they have inhabited for centuries.

As director of the Center for Religious Freedom and a senior fellow at the Hudson Institute, Nina will undoubtedly continue fighting the good fight on behalf of persecuted people worldwide.

TO HONOR AND CONGRATULATE LUMBERTON FIRE AND EMS ON THEIR 50TH ANNIVERSARY

HON. KEVIN BRADY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 28, 2012

Mr. BRADY of Texas. Mr. Speaker, I rise today to honor and congratulate Lumberton Fire and EMS on their 50th Anniversary.

Now 53 members strong, the proud ranks of the Lumberton Fire and EMS paid full and part-time EMS are preparing to grow again thanks to the leadership of Fire Chief James K. Philp and his team of operational officers and of course, organization President David Grass, Jr.

On Saturday, March 31, 2012, citizens from throughout Hardin County, Texas and Emergency Services District 2 will gather to celebrate the half century of service and safety that these brave first responders have provided for the people of this beautiful Southeast Texas community.

Serving some of the fastest growing communities in Texas like the City of Lumberton and its surrounding region, the Lumberton Fire and EMS serves 25,000 citizens and covers 122 square miles of territory. In 2011 alone, this Department responded to 2,102 calls for service.

Chartered on April 2, 1962 under the name Chance-Loeb Volunteer Fire Department, this department grew into the Lumberton Volunteer Fire Department just six years later.

In 1998, the name changed to Lumberton Fire/Rescue Services and then in 2003, the department began working in tandem with the EMS department in order to better serve the citizens of Lumberton and the surrounding community.

The two groups started the long process of merging both non-profit, tax exempt departments into one stronger, unified organization near the end of 2004.

In February of 2005, Lumberton Volunteer Fire-Rescue and Lumberton Emergency Medical Services were formally merged into the department we honor today—the Lumberton Fire & EMS.

This is a department that has been there throughout wildfires, hurricanes, tropical storms and so much more.

I am honored by their selfless service for these 50 golden years in the golden triangle. This is truly a significant milestone for this community and its dedicated firefighters, volunteers, and citizens who show their commitment every time someone calls 9-1-1 for help.

CDLS FOR VETERANS ACT

HON. JANICE HAHN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 28, 2012

Ms. HAHN. Mr. Speaker, as our men and women return from the wars in Iraq and Afghanistan, we have a duty to honor their sacrifice and service. They are returning to an economy that has not yet fully recovered and, especially for those veterans under 35, they will face a higher rate of unemployment than the national average.

These servicemen and women come home with valuable experience and training, but often find that there is a disconnect between their service and requirements for employment in the civilian world. These men and women should not be forced to start over in their training for good-paying jobs like commercial truck driving.

The men and women who operated heavy machinery and combat vehicles come home with a wealth of knowledge and first hand experience. Our communities cannot afford to let this expertise go unused. Currently, if these professionals want to use their skills to become professional drivers, they need to go through training for a Commercial Driver's License as if they had no experience at all.

That is why I am introducing the "Commercial Drivers Licenses for Veterans Act." This legislation will provide grants to states to provide for the expedited training and licensing of veterans with prior experience operating heavy machinery and combat vehicles.

By passing this bill, we will not only ensure that our communities have the professional drivers they need, but we will show the men and women who have served our country that we value their experience and expertise.
