A TRIBUTE IN HONOR OF THE
LIFE OF JAMES W. JARRETT

HON. ANNA G. ESHOO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 28, 2012

Ms. ESHOO. Mr. Speaker, I rise today to honor the memory of James W. Jarrett, a successful businessman, a true gentleman, and a devoted husband and father. Jim died at the age of 67 on February 22, 2012, on a long planned climb on Mount Kilimanjaro with dear friends. Always an adventurer, he died doing what he loved.

I've known and worked with Jim and his family, and in particular his wonderful daughter Tracey. It was Tracey's Down Syndrome that inspired Jim to become a powerful advocate and prodigious supporter of those with developmental disabilities.

Jim Jarrett spent 28 years working at Intel Corporation. He began as the head of Investor Relations, was the company's first Internal Public Relations Manager, and served as President of Intel China and as Intel's first Vice-President of Global Public Policy. He retired in 2008.

Jim leaves his beloved wife of 43 years, Laurie, who was to join him in Africa at the end of his climb, for further travel in Africa. He also leaves his three daughters to whom he was incredibly devoted. He gave generously of himself to them and they valued the many gifts given to them in the times he spent with them. They were equally devoted to him, and the program from his memorial service listed "60 Reasons We Love Our Dad," from Jim's 60th birthday celebration. Hearing each of his daughters speak at the service convinced every person who heard them that they could have come up with one hundred reasons easily.

Mr. Speaker, I ask my colleagues to join me in extending our deepest and most sincere sympathy to Laurie, Tracey, Alison, Lindsay and her husband Justin, and to the entire Jarrett family. Our community and our country have suffered the loss of a great and good man.

A TRIBUTE TO NANCY E. GUILLEN,
29TH CONGRESSIONAL DISTRICT
WOMAN OF THE YEAR—2012

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 28, 2012

Mr. SCHIFF. Mr. Speaker, I rise today in honor of Women's History Month. Each year during the month of March, we pay special tribute to the accomplishments made by our Nation's most distinguished women.

Today, I pay tribute to Nancy E. Guillen of Burbank, California. Born in Guatemala City, Guatemala, Nancy, who is the youngest of four children, immigrated to the United States in 1968 at the age of six, and became a U.S. citizen in the early 1980s. Upon graduating from John Marshall High School, Nancy attended Glendale Community College.

Ms. Guillen is the CEO of True Integrity Insurance & Payroll Services in Burbank. Prior to this career, Nancy worked in the medical field for over two decades. Aside from being a dedicated career woman, Nancy has always found time to volunteer and contribute many hours of service to a variety of organizations, including Kid's Community Dental Clinic, Glendale Noon Kiwanis, Family Service Agency of Burbank, The Salvation Army of Burbank, Ascencia, and Family Promise of East San Fernando Valley, where she also serves as a Board Member. Currently, Nancy is President of the Glendale Latino Association, and helps raise scholarship funds for Glendale Community College and Glendale High School students.

In addition to volunteering countless hours at homeless shelters, supporting families and children, and volunteering for nonprofit organizations, Nancy is also an avid supporter of breast cancer awareness. As a breast cancer survivor herself, Nancy participates in cancer walks, is involved with the American Cancer Society, Relay for Life in Burbank and Fiesta of the Spanish Horse to help raise funds to cure cancer. Ms. Guillen's commitment to help women who are battling breast cancer is admirable, and she always finds time to speak with them and support them in any possible way she can.

Nancy has two children, Juan and Cindy, and a granddaughter, Natalia, who she says are the greatest blessings in her life.

I ask all Members to join me in honoring a remarkable woman of California's 29th Congressional District, Nancy E. Guillen, for her exceptional service to the community.

HONORING WOMEN'S RIGHTS
LEADER ELLIE SMEAL

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 28, 2012

Mrs. MALONEY. Mr. Speaker, it is with great pride that I honor Ellie Smeal, a true global leader for women and a national treasure on the Feminist Majority Foundation's 25th Anniversary. Since its founding in 1987, with Ellie's leadership, the Feminist Majority Foundation has advanced the legal, social and political equality of women, challenged the hos-

tility that women's advancement faces, and recruited and trained countless young feminists to foster future leadership of the feminist movement.

The Feminist Majority Foundation received its name after a Newsweek/Gallup public opinion poll revealed that the majority of women in the United States self-identified as feminists. With the belief that feminist men and women are the majority, the organization has been on the forefront of the women's movement, championing women's equality, reproductive health, and non-violence. The Feminist Majority Foundation has achieved many triumphs that benefit women in the United States at the local, state and federal level and abroad: ballot initiatives to repeal state-wide abortion bans, recruiting an unprecedented number of women to run for elected office, resulting in 1992 being the Year of the Woman, and amending the 1991 Civil Rights Act to award monetary damages to women who win sexual harassment lawsuits in court. The Feminist Majority Foundation is the sole publisher of Ms., a feminist publication dedicated to covering issues impacting women around the world.

For more than two decades, Ellie Smeal, the President and Founder of the Feminist Majority Foundation, has fought for equality for women. She has held pivotal roles in nationwide and state efforts to achieve women's rights legislation and key court cases to advance women's rights. A gifted strategist and organizer, Ellie was the first to identify and highlight the "gender gap" and the differences in the ways men and women vote.

While President of the National Organization for Women, Ellie led the fight to ratify the Equal Rights Amendment through the largest grassroots effort in the modern women's rights movement. She continues to work tirelessly towards ensuring that men and women are granted equal rights by the United States Constitution. Last week, we celebrated the 40th anniversary of Congress's passage of the ERA and Ellie was front and center, staunchly affirming the need for the ERA.

A tireless advocate of women's reproductive rights, she developed a program to train clinic defenders in nonviolent clinic defense and fought a 12 year battle to allow American women access to mifepristone. Her organizing abilities have brought together all segments of the women's movement, including young feminist leaders. Ellie has been critical in recruiting the next generation of female leaders through her creation of the Choices Campus Leadership Program, which has produced nationwide campus based feminist groups.

Under Ellie, the Feminist Majority has focused on increasing the ranks of feminists running for office and has achieved numerous key legislative victories for women: the Violence Against Women Act, Pregnancy Discrimination Act, Civil Rights Restoration Act and many state and federal campaigns. Through her global advocacy, Ellie and the Feminist Majority called worldwide attention to the Taliban's treatment of women and prevented the United States and the United Nations from officially recognizing the Taliban government.

Having worked with Ellie on the ERA and so many other initiatives, I can personally attest that there is no one more determined and dedicated to advancing women's equality than Ellie Smeal. In Ellie, the women's movement has a tireless advocate and through her leadership of the Feminist Majority, women are
