#### STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mrs. BOXER (for herself and Ms. SNOWE):

S. 3263. A bill to require the Secretary of Transportation to modify the final rule relating to flightcrew mem-

ber duty and rest requirements for passenger operations of air carriers to apply to all-cargo operations of air carriers, and for other purposes; to the Committee on Commerce, Science, and Transportation.

Mrs. BOXER. Mr. President, today I am proud to join my colleague Senator SNOWE in once am introducing legislation to improve aviation safety.

The Safe Skies Act we are introducing today will close a loophole in the Department of Transportation's recent rule on pilot fatigue, and ensure that pilots of cargo planes are just as well rested and prepared for their important work as the pilots of passenger planes who they share airports and airways with.

Following the tragic crash of Flight 3407 in 2009, Senator SNOWE and I introduced legislation to address several important aviation safety issues, including the need to update pilot fatigue regulations to reflect new, scientific research.

Under the new rule issued by the Department of Transportation, pilots of passenger planes will be limited to flying eight or nine hours, depending on the start time. Minimum rest periods will be 10 hours, with the opportunity for eight hours of uninterrupted sleep.

Unfortunately, cargo pilots were left out of the rule—which undermines the one level of safety we are trying to achieve in our airline industry.

Current rules regarding cargo flight operations permit cargo pilots to be on duty as many as 16 hours during a 24-hour period, regardless of when they begin their shift. Compared to passenger pilots, cargo pilots are permitted to fly 60 percent more hours—as much as 48 hours in a 6-day period.

Keeping cargo pilots out of the improved flight and duty time regulations does not make sense; they too need rest in order to safely perform their jobs. And the safety of our skies depends on all pilots performing well.

This legislation directs the Secretary of Transportation to apply the same flight and duty time regulations for pilots of passenger planes to cargo pilots as well. This bill is supported by the Airline Pilots Association, the Independent Pilots Association and the Coalition of Airline Pilots Associations, and has been championed in the House by Representatives CHIP CRAVAACK and TIMOTHY H. BISHOP.

I look forward to working with my colleagues to pass this legislation as part of our ongoing efforts to improve the safety of our Nation's aviation system.

By Ms. MURKOWSKI:

S. 3265. A bill to amend the Federal Power Act to remove the authority of the Federal Energy Regulatory Commission to collect land use fees for land that has been sold, exchanged, or otherwise transferred from Federal ownership but that is subject to a power site reservation; to the Committee on Energy and Natural Resources.
