REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 2942

Mrs. NOEM. Madam Speaker, I ask unanimous consent to be removed as a cosponsor of H.R. 2942.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from South Dakota?

There was no objection.

TO ALLOW THE CHIEF OF THE FOREST SERVICE TO AWARD CERTAIN CONTRACTS FOR LARGE AIR TANKERS

Mr. THOMPSON of Pennsylvania. Madam Speaker, I ask unanimous consent that the Committee on Agriculture be discharged from further consideration of the bill (S. 3261) to allow the chief of the forest service to award certain contracts for large air tankers, and ask for its immediate consideration in the House.

The Clerk read the title of the bill.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Pennsylvania?

There was no objection.

The text of the bill is as follows:

S. 3261

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. WAIVER.

Notwithstanding the last sentence of section 3903(d) of title 41, United States Code, the Chief of the Forest Service may award contracts pursuant to Solicitation Number AG-024B-S-11-9009 for large air tankers earlier than the end of the 30-day period beginning on the date of the notification required under the first sentence of section 3903(d) of that title.

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise in support of S. 3261. This bill waives the congressionally mandated 30-day

notification period before the Forest Service can issue new contracts for aircraft for its air tanker fleet.

There is some urgency to this bill given the catastrophic wildfires that are afflicting the western United States. The west is currently experiencing a drought that has drastically increased the hazards of wildfire this year. A wildfire in New Mexico has already burned more than 400 square miles and is still raging.

The Forest Service must modernize its fleet of air tankers and must do so immediately. The fleet is using several tankers that have been in service for 50 years or longer. The agency intends to issue four contracts for seven new tankers, and this bill will allow the agency to move forward more quickly during this critical time.

Two tankers were lost this past weekend. Only nine tankers remain to fight fires at this time, which is inadequate to deal with wildfire threats our western communities face.

A tanker was forced to make a crash landing in Nevada this weekend when its landing gear failed.

Sadly, we learned the danger of flying these missions when a Forest Service tanker crashed in southern Utah this past weekend, killing both pilots.

I want to take a moment to recognize the pilots of these planes, Todd Neal Tompkins and Ronnie Edwin Chambless, both of Boise, Idaho. I hope their families know that we appreciate their service and sacrifice in making our communities safer.

This is a simple step Congress can take to assist the Forest Service during this critical period.

The bill was read the third time, and passed, and a motion to reconsider was laid on the table.

GENERAL LEAVE

Mr. THOMPSON of Pennsylvania. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks on the bill just considered.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Pennsylvania?

There was no objection.

ADJOURNMENT TO TUESDAY, JUNE 12, 2012

Mr. THOMPSON of Pennsylvania. Madam Speaker, I ask unanimous consent that when the House adjourns today, it adjourn to meet at 10 a.m. on Tuesday, June 12, 2012; when the House adjourns on that day, it adjourn to meet at 10 a.m. on Friday, June 15, 2012; and when the House adjourns on that day, it adjourn to meet at 2 p.m. on Monday, June 18, 2012.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Pennsylvania?

There was no objection.
